

How to upgrade your Pikbest Premium account for free

If you're a professional designer, you're probably familiar with Pikbest, the world's largest website for sharing design resources. With a Pikbest Premium account, you can download a vast amount of resources without the limitations of a regular account. This article will guide you on how to upgrade to a Pikbest Premium account for free.

On the Pikbest website, regular account users are limited in the number of downloads, and they cannot download Premium files unless they upgrade their Pikbest account. Now, users can **upgrade to Pikbest Premium for free**, valid for 14 days.

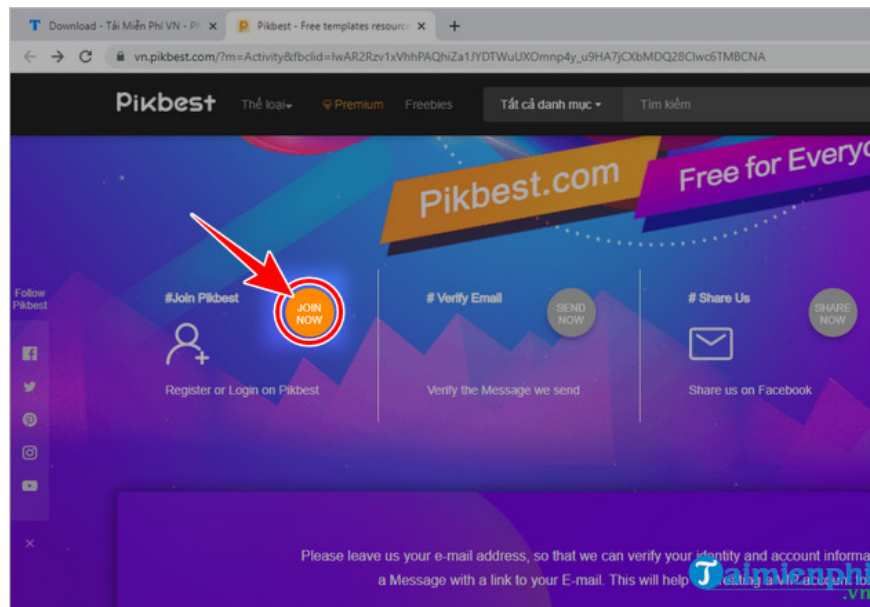

Upgrade to Pikbest VIP - Download unlimited resources from Pikbest website.

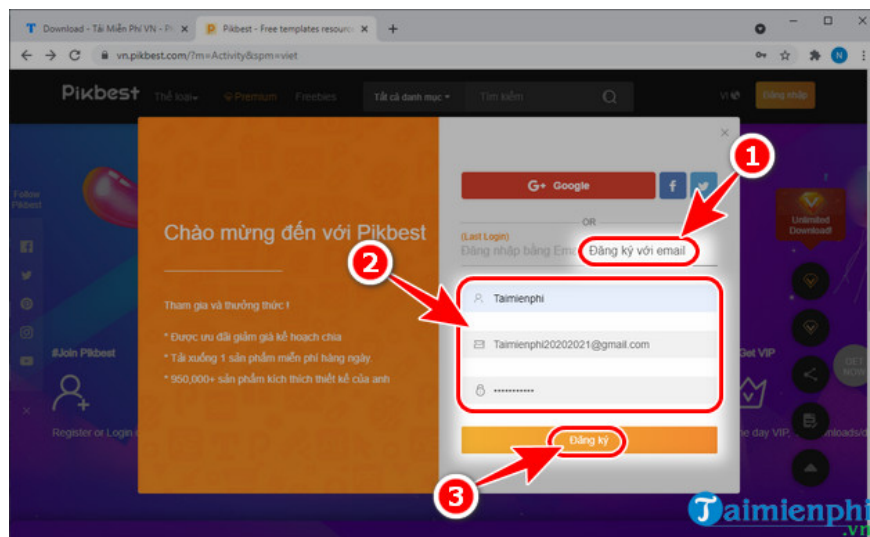

- Download resources from Pikbest for free
- Unlimited file downloads, no file size limits from Pikbest
- Pikbest Premium is valid for 14 days.

- 1 personal Facebook account
- 1 active email/Gmail account.

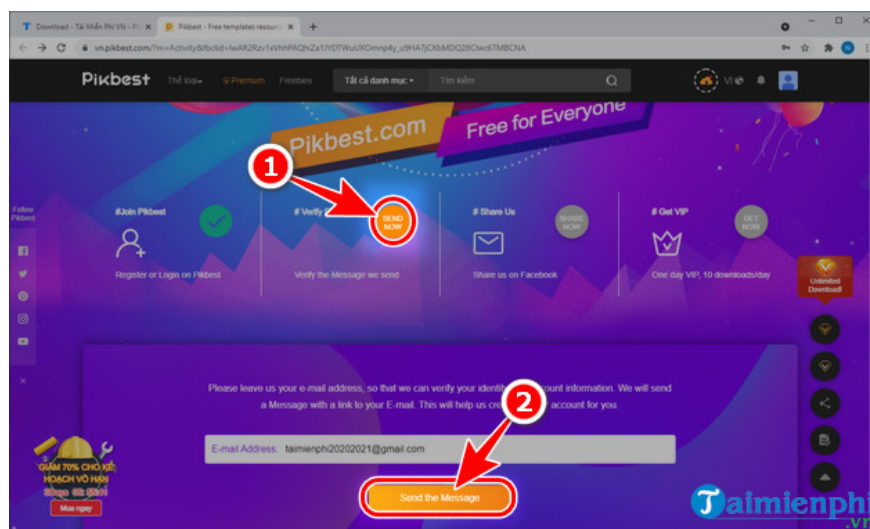

Step 1: Access the link **HERE** => click **Join Now** .

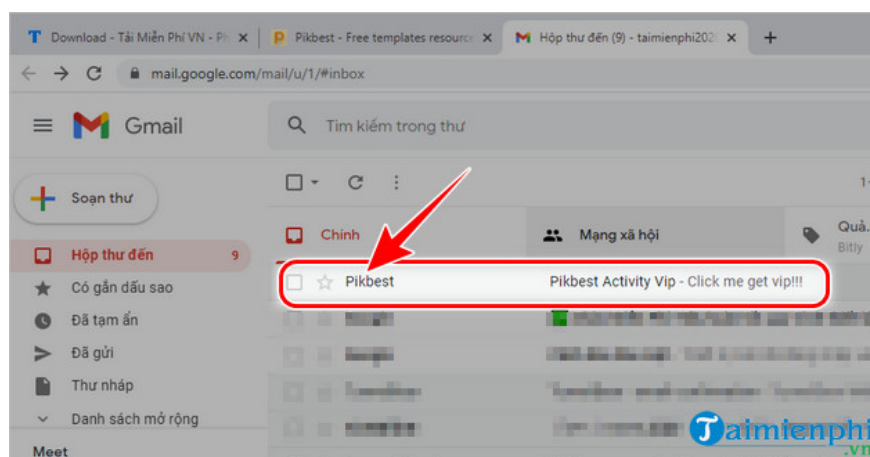

Step 2: Select **Register with Email** , enter your **account name** => your **Email/Gmail** => Account password => **click Register** .

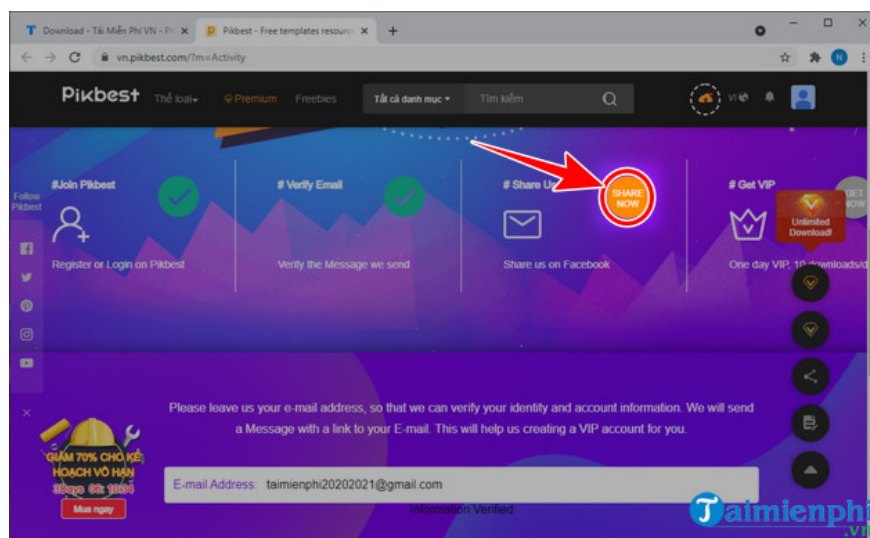

Step 3: After successfully registering a new Pikbest account, click **Send Now** => **Send the Message** to send the account confirmation email.

Step 4: Go to **the email/Gmail** account you registered with Pikbest in **Step 2** , open the email **Pikbest** sent, and click on **the account activation link** .

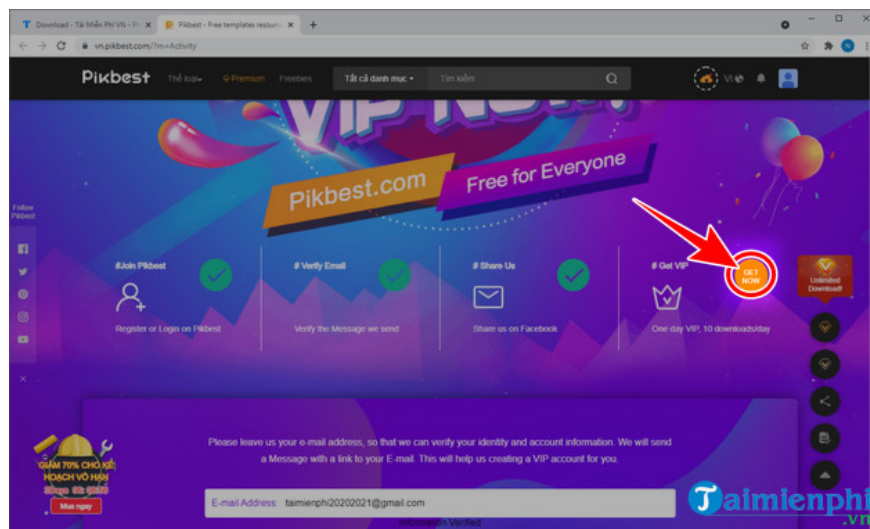

Step 5: Next, select **"Share Now** ," share it to your personal Facebook profile => click **"Post to Facebook** ." - **Note:** The post must be shared publicly . If it is private or personal, you cannot upgrade your Pikbest Premium account.

Step 6: Finally, select "**Get Now**" to upgrade your Pikbest Premium account.

- If, after successful upgrade, the button is grayed out and you see the message "**You've been involved**," it means you have already registered previously and need to do this with a different account.

As Taimienphi previously reported, after upgrading to a free Pikbest Premium account, the offer only lasts for 14 days. Therefore, you need to create multiple Pikbest accounts using different email/Gmail accounts to take advantage of the offer.
