

How to use GoChat application in Pokémon GO

Pokémon GO has become a very hot phenomenon since its debut. Any information or tricks related to the game are read and applied by players during the process of catching Pokémon. And the GoChat chat app for Pokémon GO players brings space to capture Pokémon much more interesting.

Typhoon Pokémon GO as soon as it was released swept all app and game rankings and showed no signs of cooling down. All information, tips, and gameplay related to Pokémon GO also become information that attracts all gamers. And recently, an individual's GoChat application for Pokémon GO gamers comes with features that allow players to chat with each other.

In the process of participating in catching Pokémon, thanks to this application we can exchange more useful information with many other gamers, such as how to effectively capture Pokémon, how to earn a Pokéball, etc. From there, you will have the necessary experience to be able to own many Pokémon, or win the process of protecting the GYM room.

Step 3:

Like Pokémon GO, GoChat also requires the **use of a location location service** , and click **Allow** to allow it. The application will automatically detect other players who are nearby and listed in a list.

Click on the list to know the location of the player as well as new information of other players.

Above is a tutorial on how to use the GoChat app, exchange and chat with Pokémon GO players. The atmosphere that catches Pokémon will become a lot more hilarious than it is that only you will join the journey to conquer Pokémon as before.

Refer to the following articles:

1. Pokémon systems when fighting in Pokémon Go
1. AZ word about eggs in Pokemon Go
1. Instructions on how to revive Pokémon in Pokémon Go

I wish you all success!
