Save your changes. Click the 'Save' button on the top right corner of the window to save the details you've entered and create the magazine. You'll be redirected back and you can now see the newly created magazine on the Editor home page.

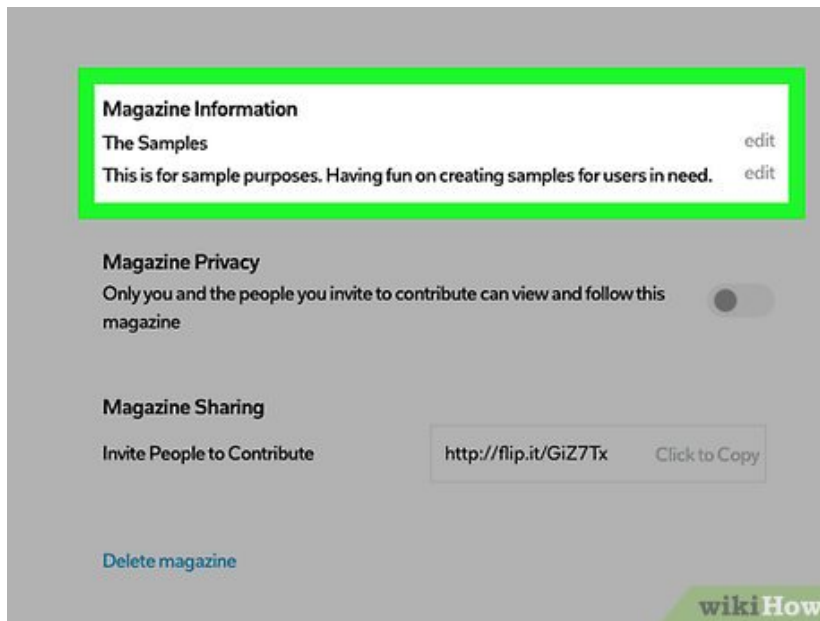

Part 3 of 5:

Editing a Magazine

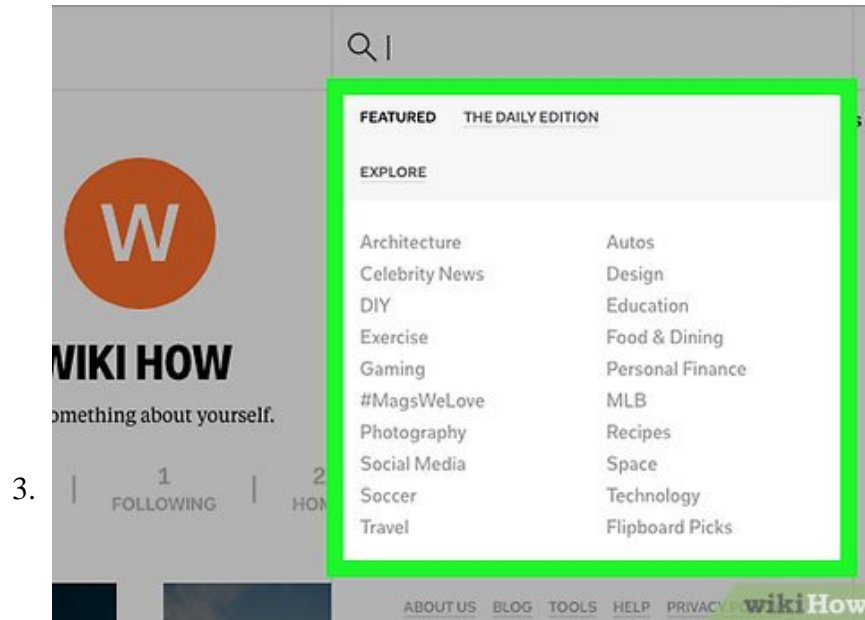

1.

Pick the magazine you want to edit. From the Editor home page, select the tile of the magazine you want to edit to open it. Afterwards, click the gear icon on the top right corner of the magazine cover to open the 'Edit Magazine' window.

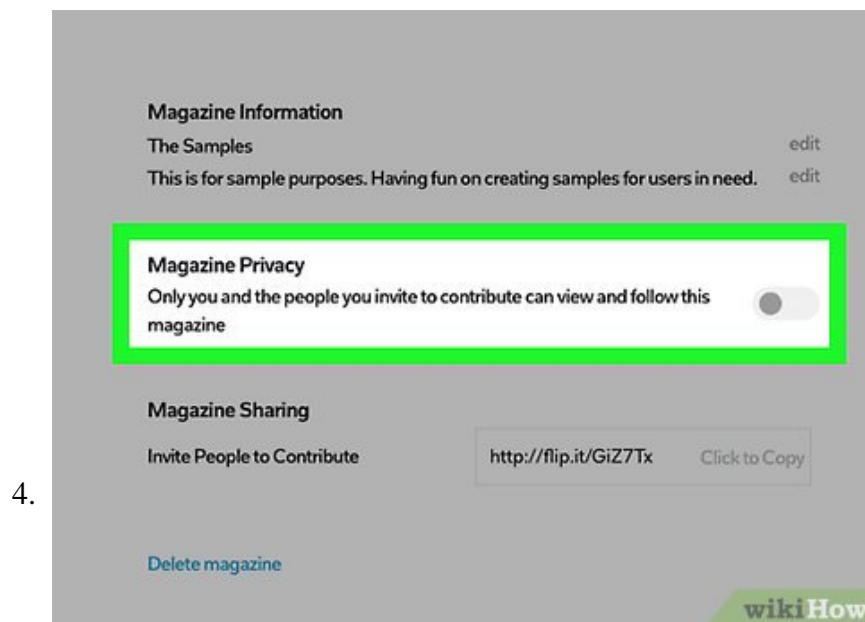

2.

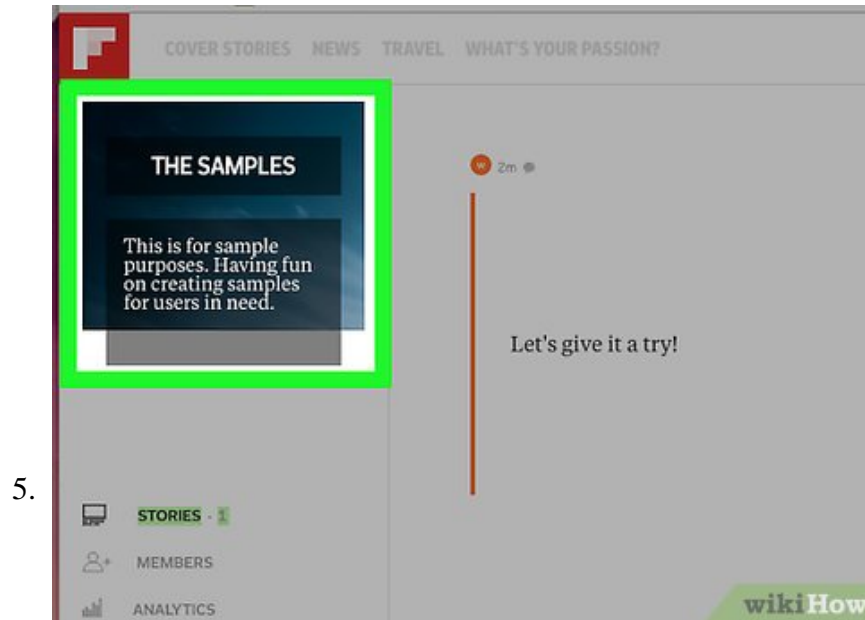

Give your magazine a new name. Type in the new name and description you'd like to use for your magazine on the text field provided. You can use both alphanumeric and special characters for the name and description.

Pick a new category for your magazine. Choose the category you like your magazine to be listed under. Click the 'Select a category' and choose from the list of choices available on the drop down list.

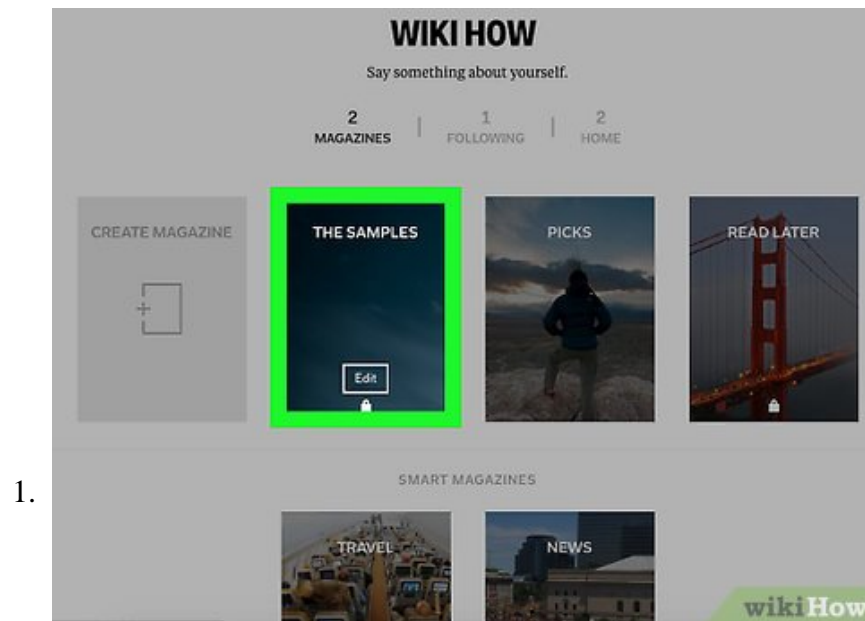

Modify the privacy settings of the magazine. Put a check mark beside the 'Make this a private magazine' option if you want to change its view settings from public to you being the only one who can open it.

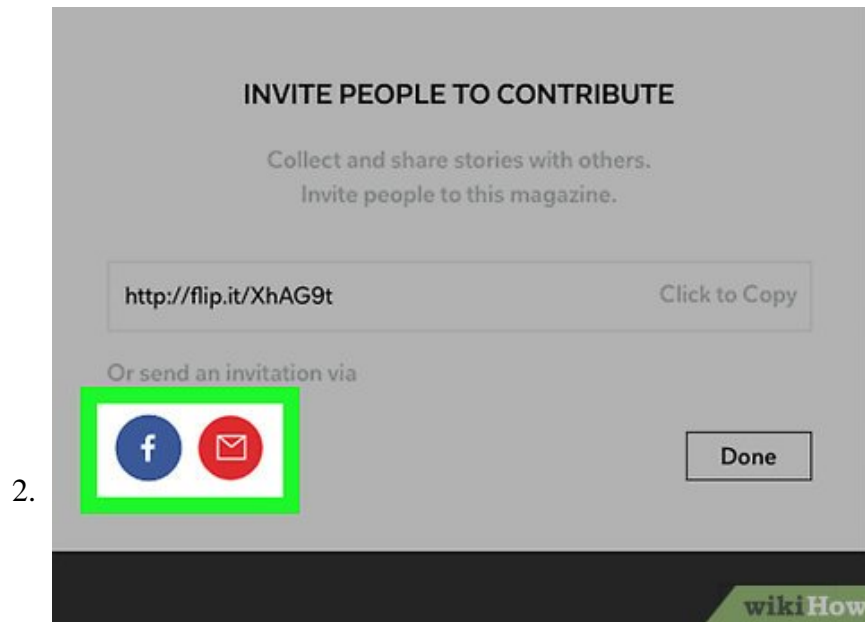

Save the changes you've made. Click on the 'Save' button on the top right hand corner of the window to save the changes made on the magazine you edited.

Part 4 of 5:

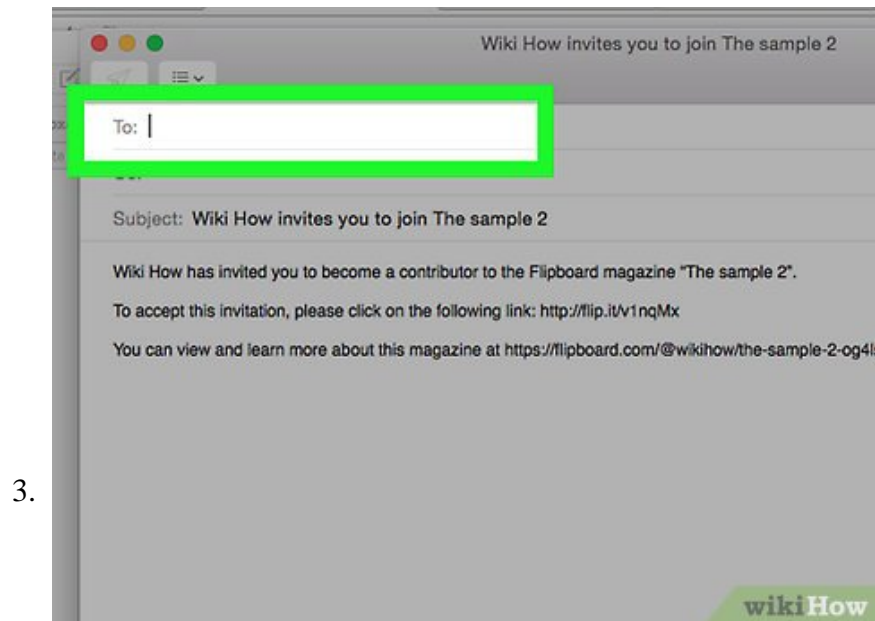

Inviting Contributors

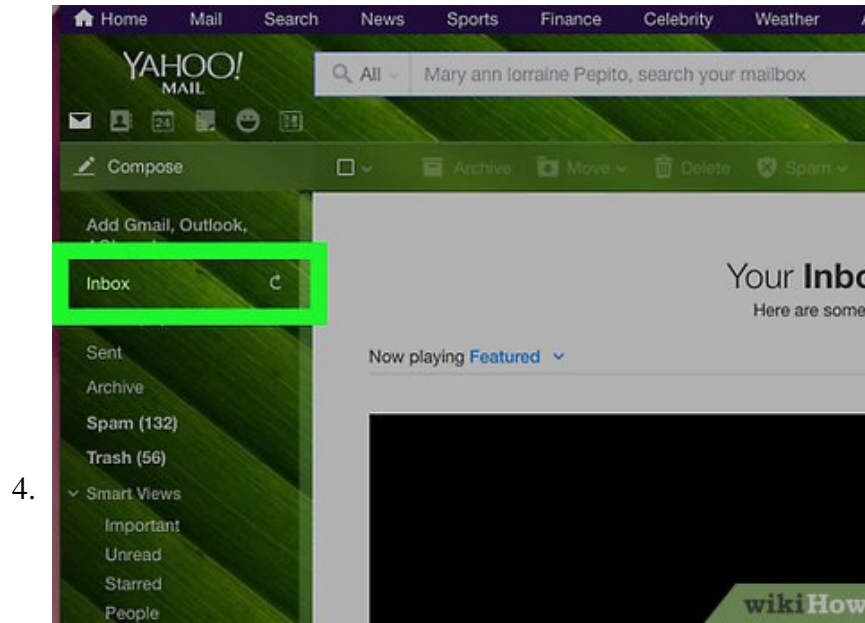

Select a magazine. From the Editor home page, select the tile of the magazine you want to add contributors to. Afterwards, click the 'Invite Contributors' button on the lower right corner of the magazine cover.

Choose which application to use to invite contributors. The Flipboard Editor will send out email messages to different people you want to invite as contributors. Choose which of the applications you like to use in sending out emails, and click the 'OK' button to confirm.

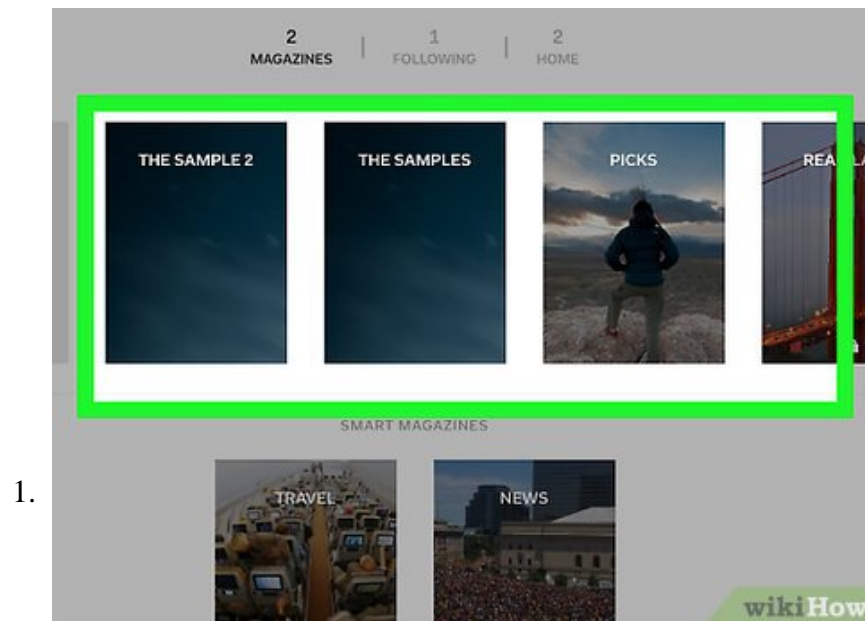

Enter the email addresses of the contributors you want to invite. Do this on the recipient field of the application you chose to use, and click the 'Send' button to confirm sending.

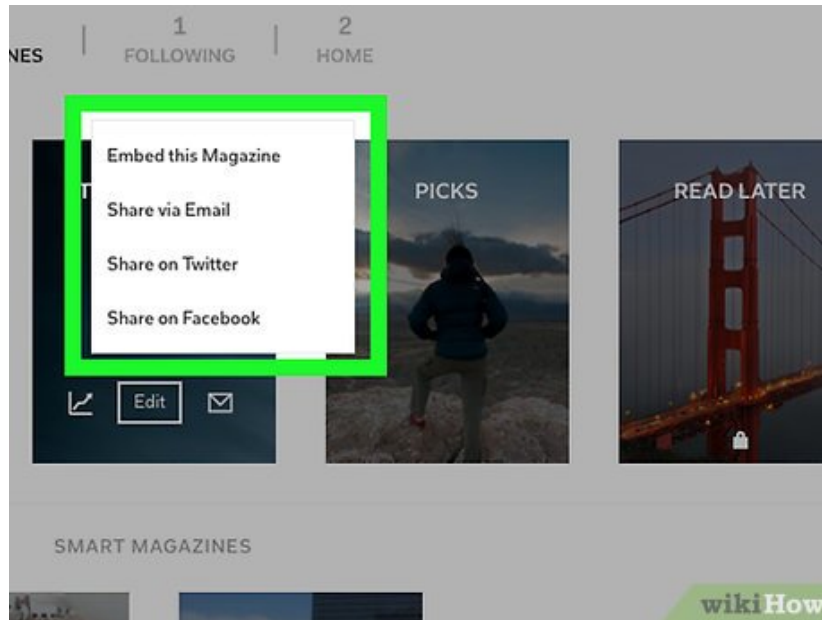

Wait for the contributors to respond. The message you sent includes a link to your magazine which your recipients may use to add contents to your magazine.

Part 5 of 5:

Sharing and Deleting Magazines

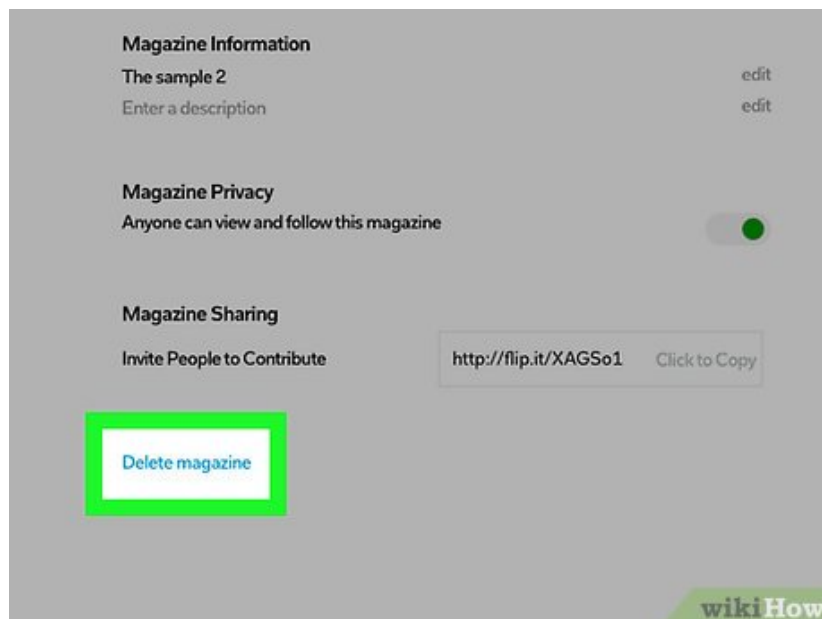

Pick a magazine. From the Editor home page, select the tile of the magazine you want to either share or delete.

2.

Share the magazine. Click the 'Share' button on the top right corner of the magazine cover and choose where you want to post your magazine.

1. Facebook – A link to your magazine will be posted on your Facebook wall. Your friends may click the link posted to view your Flipboard magazine.
2. Twitter – A tweet will be posted on your profile containing a link to your Flipboard magazine. Your friends may click the link posted to view your magazine.
3. Email – A message containing a link to your Flipboard magazine will be sent to your contacts. The recipients of the message may click the link to view your magazine.

3.

Delete a magazine. If you need to delete a magazine, just click trash bin icon on the top right corner of the magazine cover and the magazine will be removed from the editor.
