

How to use the icon when chatting

Whether discussing work or chit chat for fun, funny faces show joy, sadness or tantalizing tongue ... on Yahoo! Messenger (YM) makes the conversation more exciting.

Whether discussing work or "chit chat" for fun, the funny faces show joy, sadness or tantalizing tongue . on Yahoo!Messenger (YM) makes the conversation more exciting.

However, besides the familiar emoticons, there are hidden icons. If you don't know how to pull them out in time, the chat may be less attractive.

In order to show these icons, you must remember and enter the corresponding codes, such as @}; - there will be a nice fresh rose ~ o), then the coffee cup will be turned, Buzz means to finish urging etc .

List of these symbols with code and their meanings are as follows:
