### Step 2:

The video download link will appear in the **Download link** frame. We copy the entire link, including the video title, into Notepad, then grab the link to paste it into the browser.

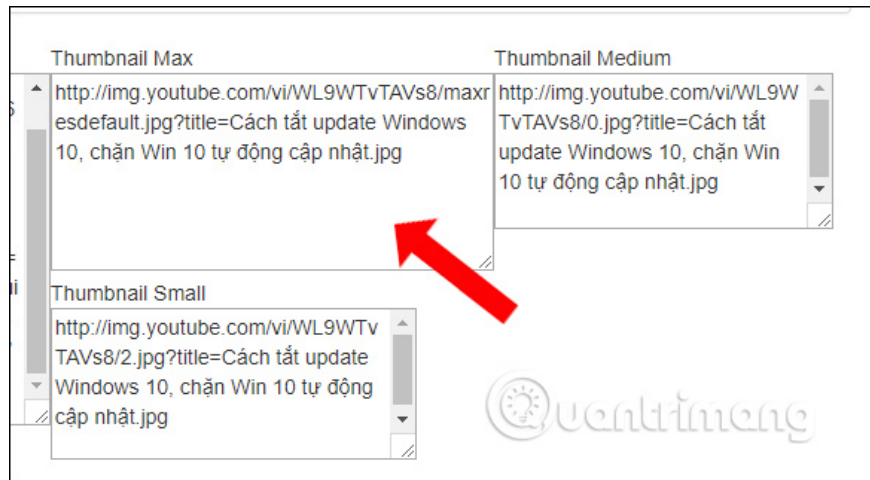

When you paste that link into your browser and press Enter, the Youtube video will automatically be downloaded to your computer without any further action.

### Step 3:

In addition, the YouTube Manager service also supports downloading cover images from videos with three sizes of size (Thumbnail Max), medium (Thumbnail Medium) and small (Thumbnail Small). You can also copy the link at the image size you want to paste and paste it into the address bar on your browser to download.

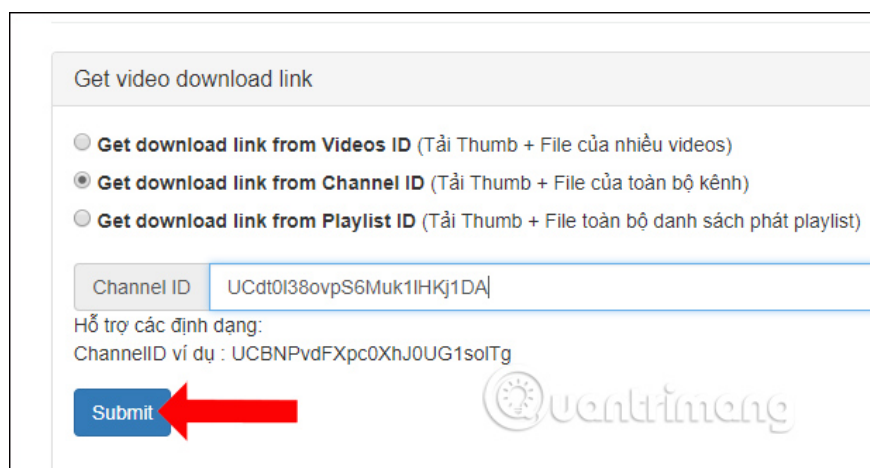

## 2. Get download link from Channel ID

### Step 1:

Click on Get download link from Channel ID to get the link to download the entire video and video image of the channel on Youtube to the Channel ID bar, then **click Submit** .

We can only download videos on 1 Youtube channel every turn. The process of obtaining Youtube video download is fast or slow depending on the number of videos available on the channel.

To get the YouTube channel ID, click on the name of the Youtube channel. In the address bar you will see the video channel URL, then the ID will be behind the word / channel /. For example, the Youtube channel with link URL is <https://www.youtube.com/channel/UCdt0l38ovpS6Muk1lHKj1DA>, **the Youtube channel ID is UCdt0l38ovpS6Muk1lHKj1DA** .

### Step 2:

We will also copy the download link for the video at Download link and paste it into the web browser to download the videos.

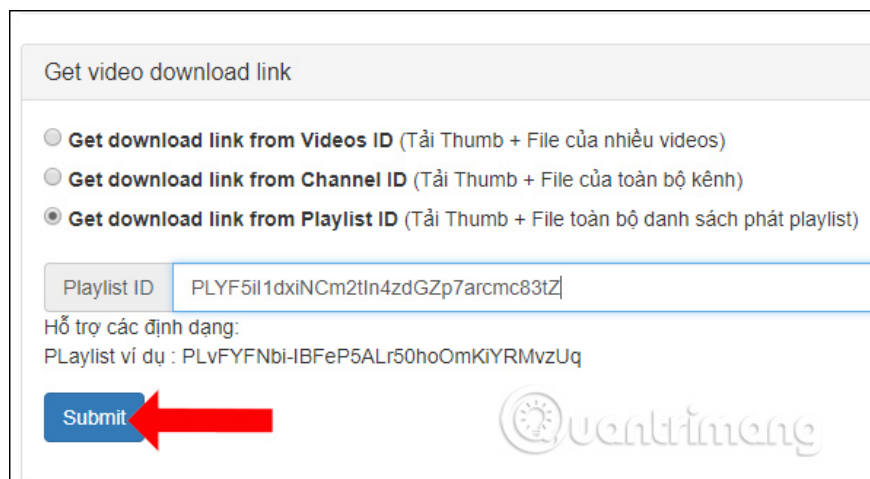

### 3. Get download link from Playlist ID

#### Step 1:

To get the link to download the video playlist and Youtube video thumbnail image, paste the **URL or ID of the Youtube** playlist into the Playlist ID box and click **Submit** .

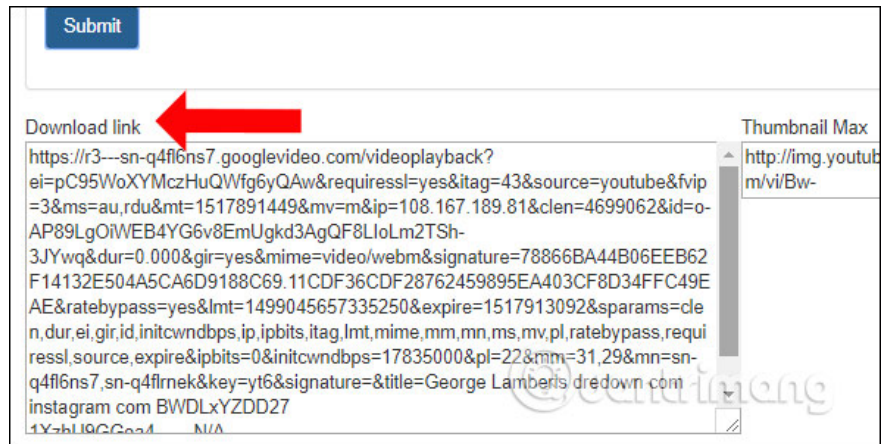

The service will get the video link 1 playlist in one time. To get ID playlist Youtube, we copy the code behind list = in the URL playlist Youtube video.

For example, the playlist is <https://www.youtube.com/playlist?list=PLYF5iI1dxiNCm2tIn4zdGZp7arcmc83tZ> then **ID playlist Youtube video is PLYF5iI1dxiNCm2tIn4zdGZp7arcmc83tZ** .

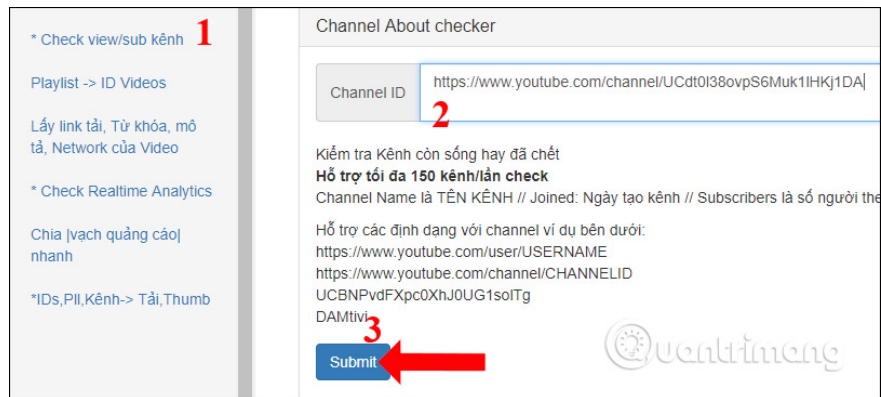

#### Step 2:

Copy the Download link link to Notepad and then download the video link to download.

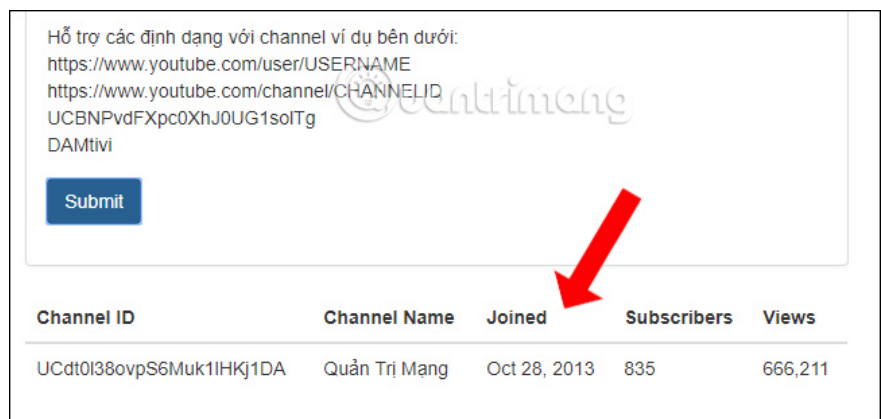

## Step 2:

In addition, the service has some other features such as checking the status of the site. In the menu list on the left click on **Check view / sub channel** and enter the channel name or address of the channel and **click Submit** . Each test will be able to check 15 channels.

The results will show the name of the Youtube channel, channel creation date, total followers, total views.

## Step 3:

To see the current view statistics of the video on the channel, click **Check Realtime Analytics** on the left list and then enter the channel ID, click **Submit** to check.
