Step 2:

Then we click on **the HBO Go service** to select the type of movie you want to watch.

Next we find the movie we want to watch in HBO GO service.

Step 3:

In the movie information interface we will see the content of the movie, actors participating, duration and some other information. Click **Buy HBO GO package** .

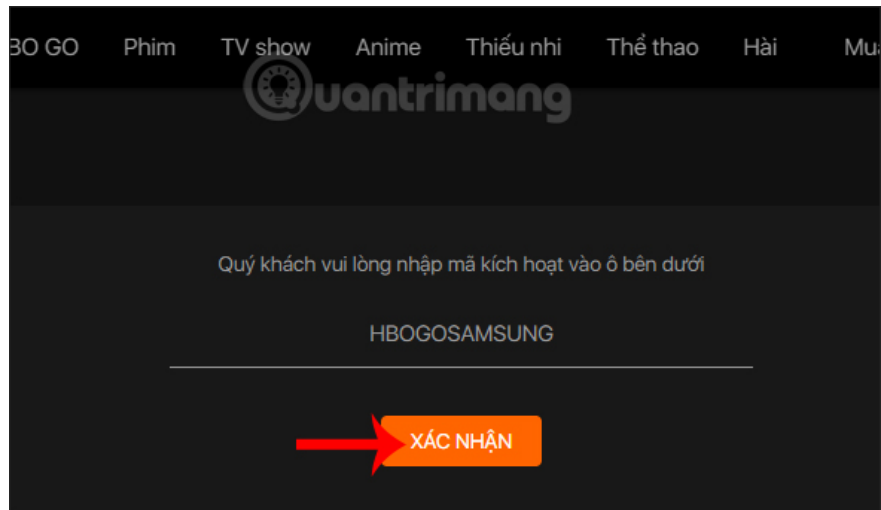

Display the Notification interface, click **the Confirm button** to receive the code.

Step 4:

At the interface to enter the code, the user enters the code **HBOGOSAMSUNG** or **HBOGOBOX** and then press **the Confirm button** below.

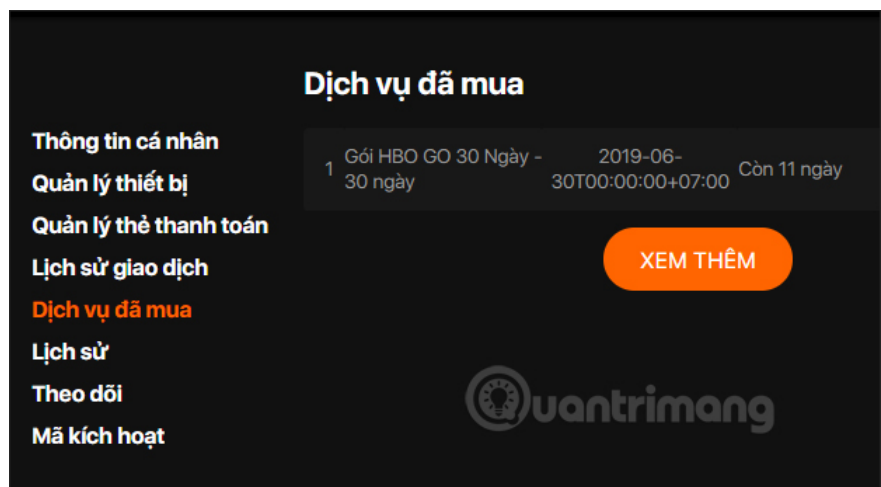

As a result, we received a notification that activated the code successfully for HBO service.

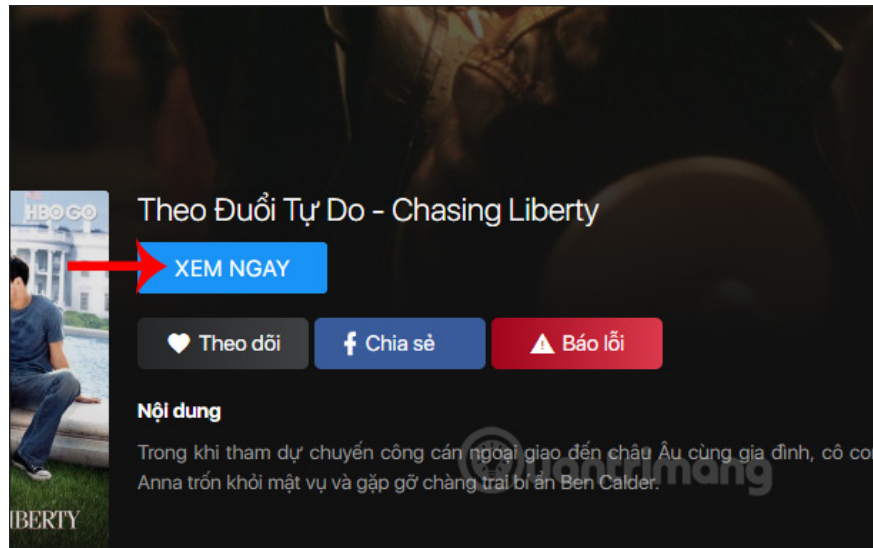

Step 5:

To check the service you have purchased, go to **the Services section** and see the 30-day HBO package that is limited to June 30 does not accrue to the code you are using.

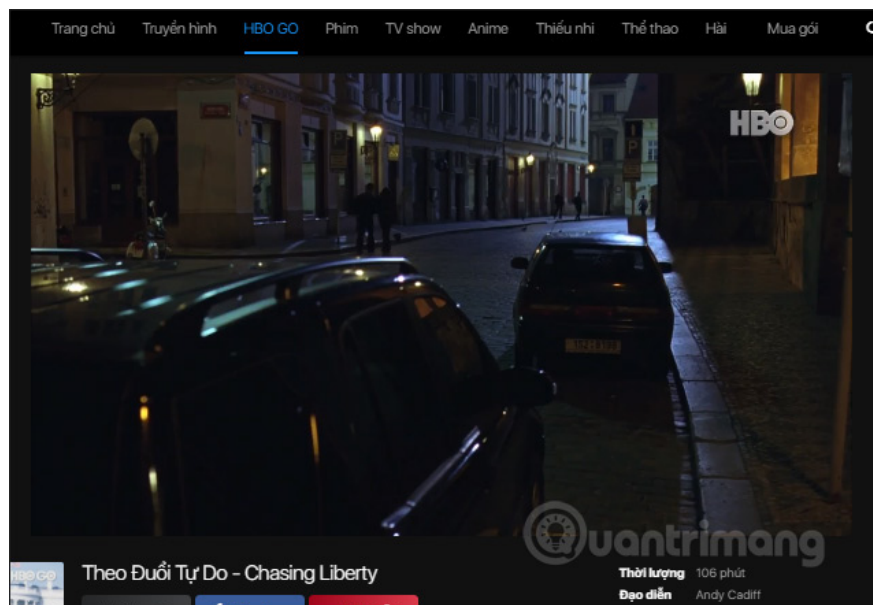

Step 6:

Go back to the movie you want to watch in HBO GO and click on **the Watch Now button** to enjoy the movie.

Movies are shown with Vietnamese subtitles, the highest quality is 1080p. Note to users, HBO GO service is only tested on Chrome browser only.

I wish you all success!
