

How to view the European Cup directly on the UEFA home page

Fans can watch live matches within 1/8 of the Champions League European Cup on the UEFA home page completely free of charge.

If you are an avid fan of king sport, you cannot ignore the chance to watch live matches within 1/8 of the Champions League, the European Cup right on the UEFA home page. Accordingly, the website of the European Football Federation has sent an official notice to Vietnamese fans in Vietnamese who can watch the top matches for free on the homepage of the Federation.

This will help you to be able to track live matches, besides watching Sopcast or ACE Link. The following article will guide you how to watch football live on the UEFA home page.

1. Guide to watching football on Sopcast Android
2. Fix "Can not access sopcast service" error on SopCast
3. Fix Sopcast screen error black, jerky or lag

How to watch the Champions League live on UEFA

Note , although the streaming speed is good, the quality will be limited to a certain number of viewers. So please come in half an hour early to receive a live stream signal. Those who register late will be hard to watch live matches.

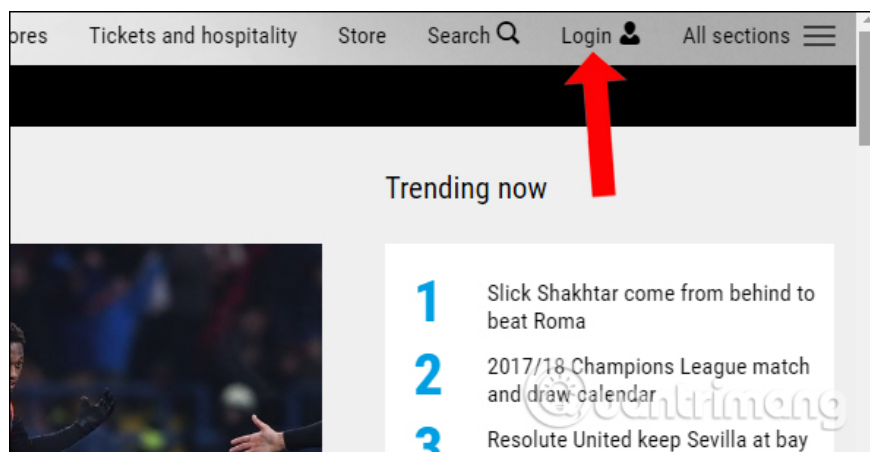

Step 1:

Visit the official UEFA homepage according to the link below.

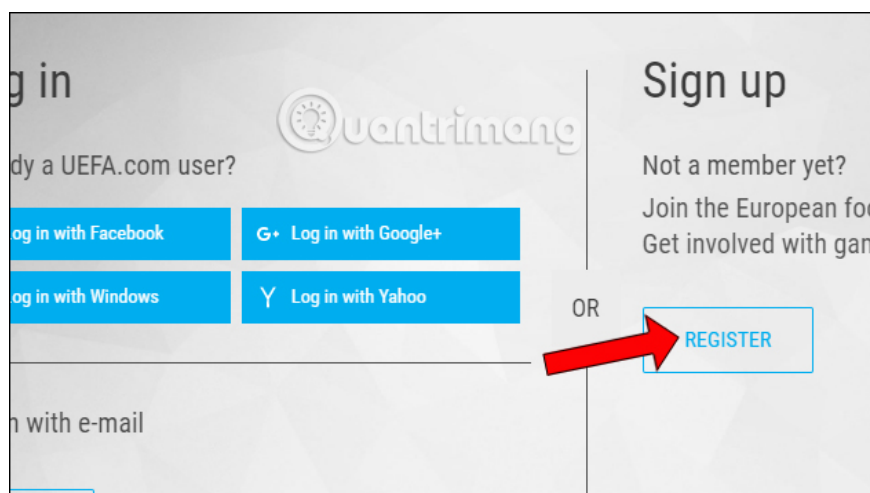

1. <https://www.uefa.com>

Step 2:

At the home page interface click on **Login** to proceed to register account on UEFA.

Click the **Register** button at the Sign up section if you do not have an account.

Step 3:

Next user will select **Google account** because Facebook account is currently not compatible.

Log in to your personal Google account to create a new account on the UEFA page.

I accept. Go ahead create my account.

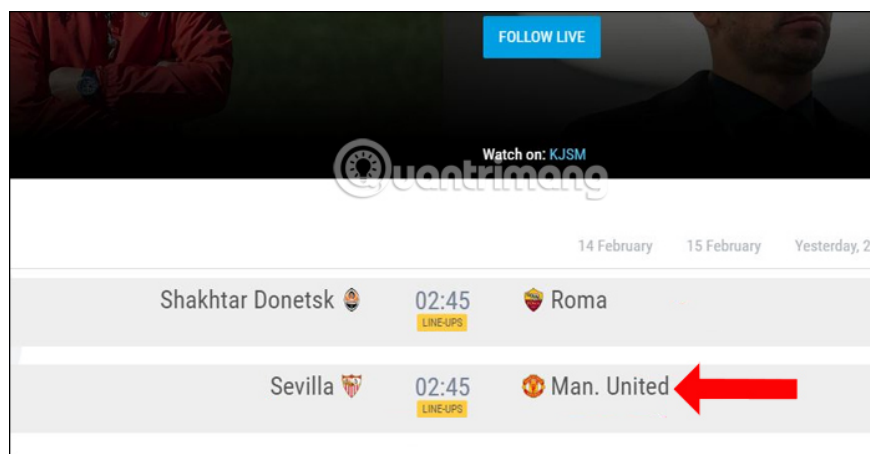

Step 5:

If you are directed to the page to enter your personal information, just click Save to skip. Go back to UEFA's homepage, click on the **UEFA Champions League** section to see all the Champions League matches.

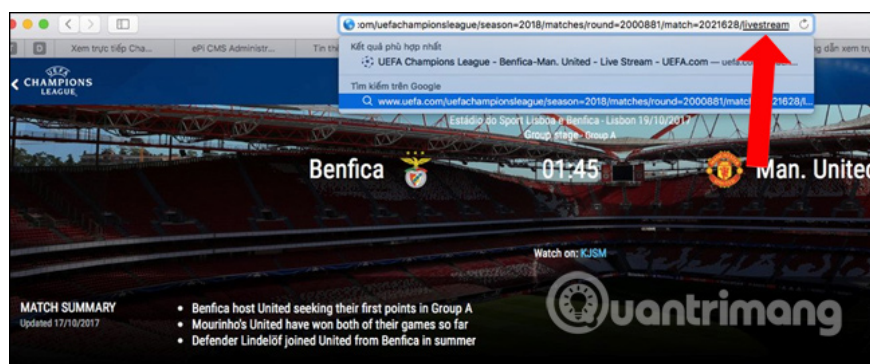

Step 6:

If you have a match schedule today, you will see a list of matches. Click on the match you want to watch live on UEFA. The live stream matches only 10 minutes before the game starts. There will be many cases where you do not receive the live stream, you can follow the steps below.

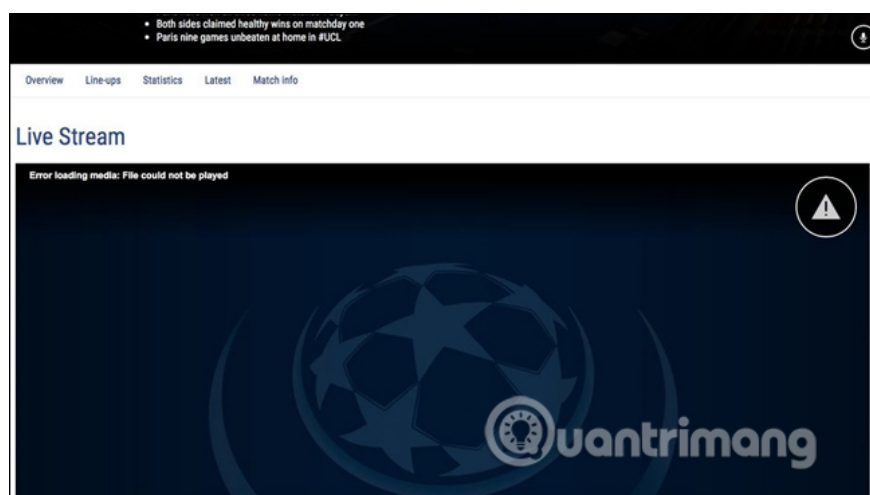

Step 7:

Looking at the address bar will see the link ending in index.html. Please **remove index.html with livestream** and press **Enter** to be able to view the match directly on the UEFA home page. While watching do not press F5 browser

If the interface appears as shown below, you cannot watch football directly on UEFA.

Currently, UEFA has not officially announced which matches will be broadcast, quit the match and have the Champions League live until the end of the 2017/18 season. However, if you want to see which matches should

still go early to 'take seats'.
