

How to view the list of blocked phone numbers on iPhone

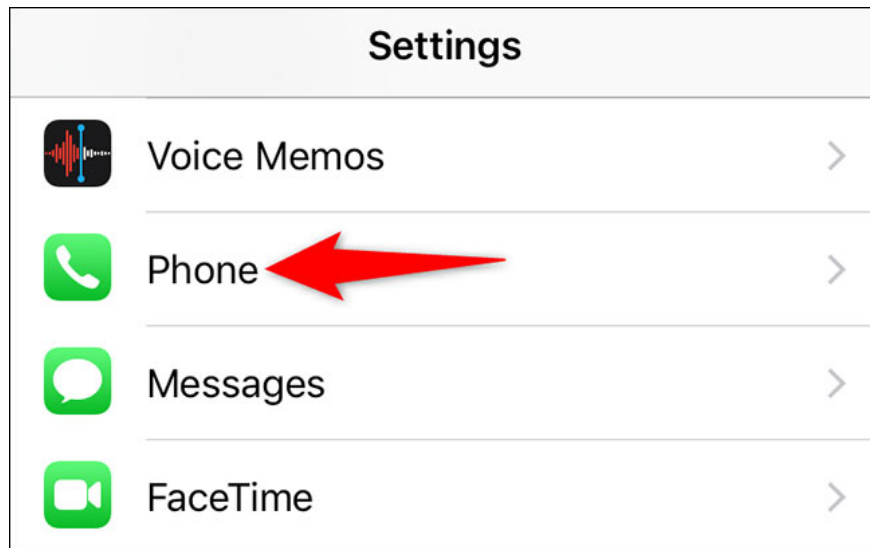

You can easily check the list of blocked phone numbers on your iPhone using the Phone, Messages, and FaceTime apps.

Note: Instructions on iOS 15.

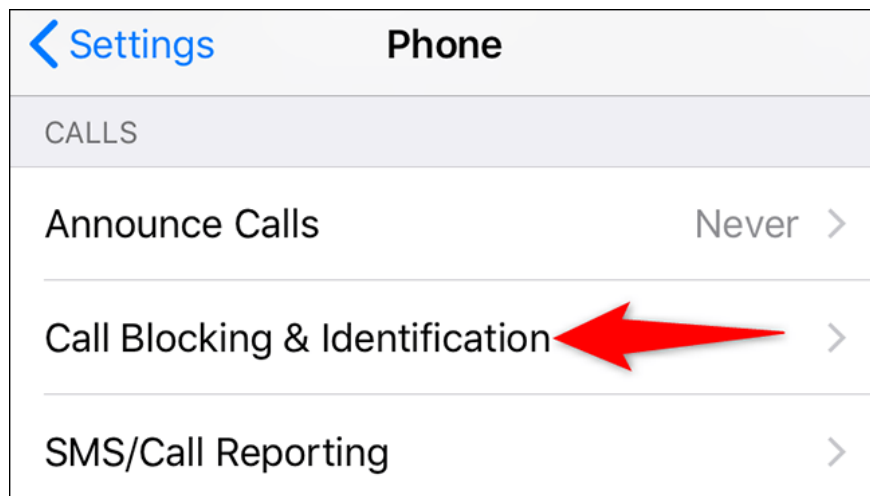

Find the list of blocked numbers via the Phone app

To see the list of phone numbers blocked with the Phone app, first open the **Settings** app on your iPhone.

In the Settings interface that opens, tap on the '**Phone**' option.

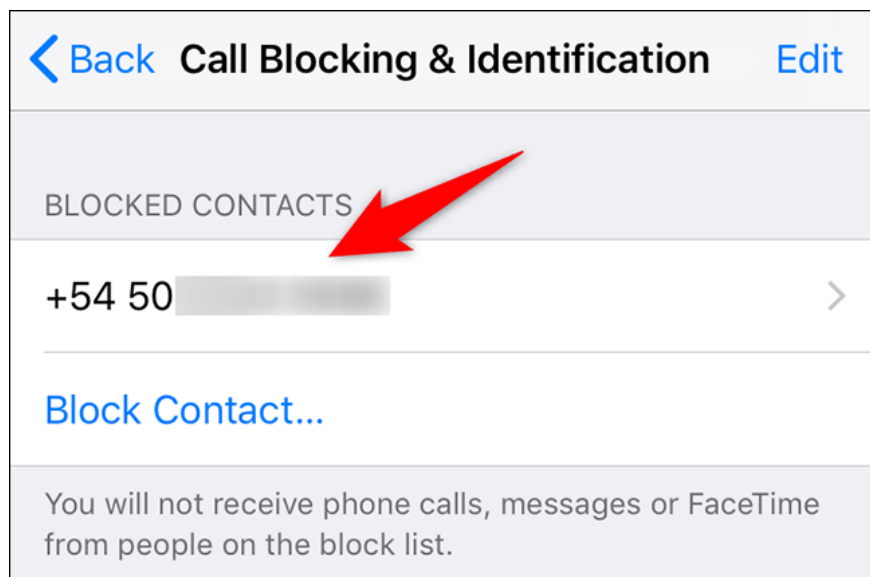

Next, on the '**Phone**' page, in the '**Calls**' section, click on '**Call Blocking & Identification**'.

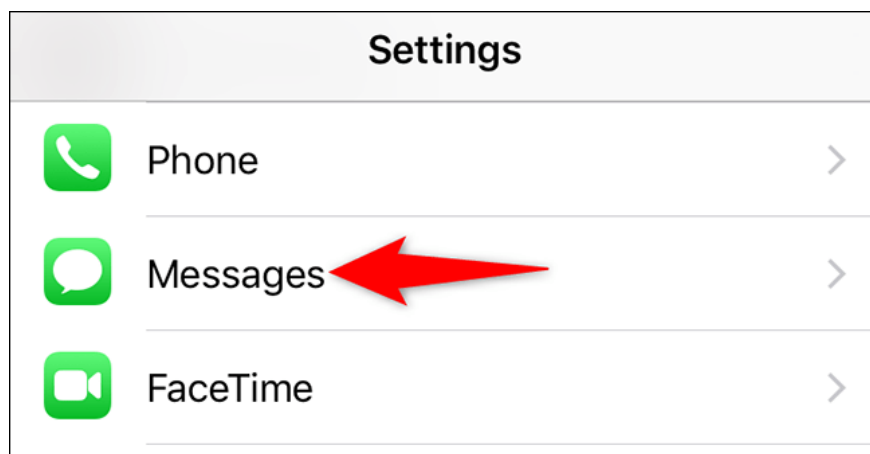

Tip : If you don't see the ' Call Blocking & Identification ' option , tap ' Blocked ' .

On the 'Call Blocking & Identification' (or 'Blocked') screen, you'll see a list of all the phone numbers you've blocked.

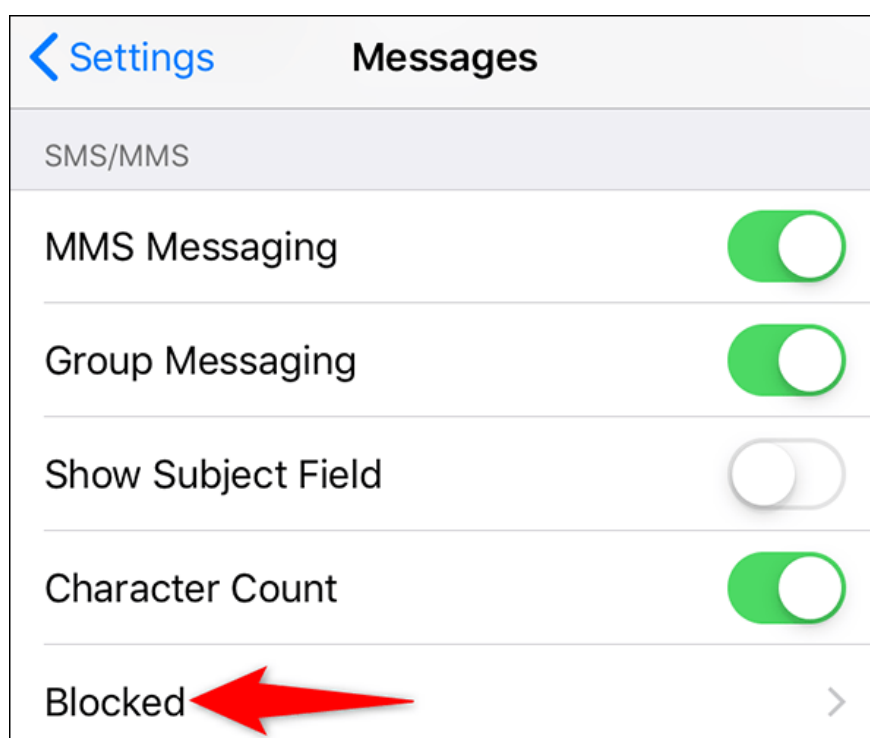

Find a list of blocked numbers via the Messages app

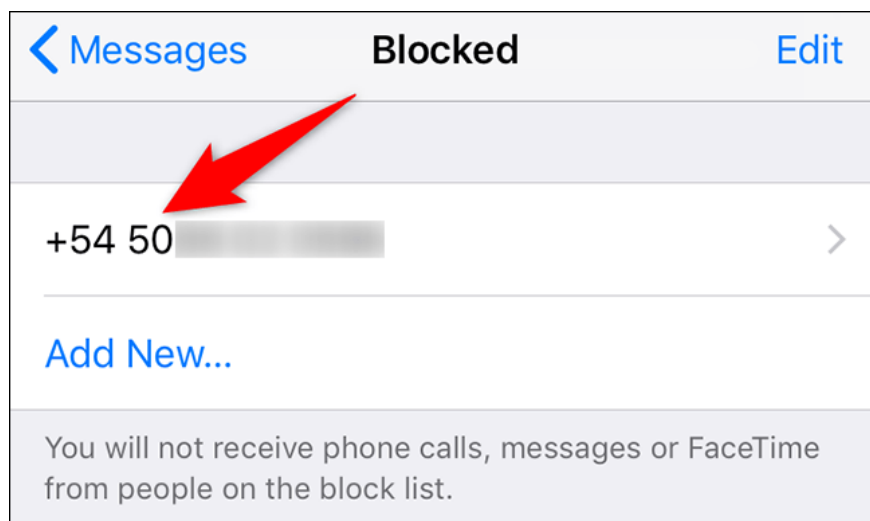

To get started, open the Settings app on your iPhone and tap on the ' Messages ' option.

In the 'Messages' menu, from the 'SMS/MMS' section, click on 'Blocked'.

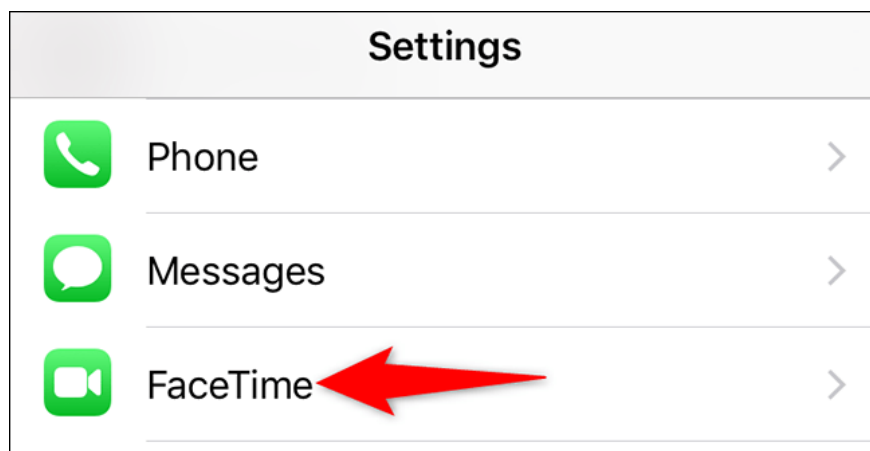

The "Blocked" screen will immediately open and display all blocked phone numbers on the device.

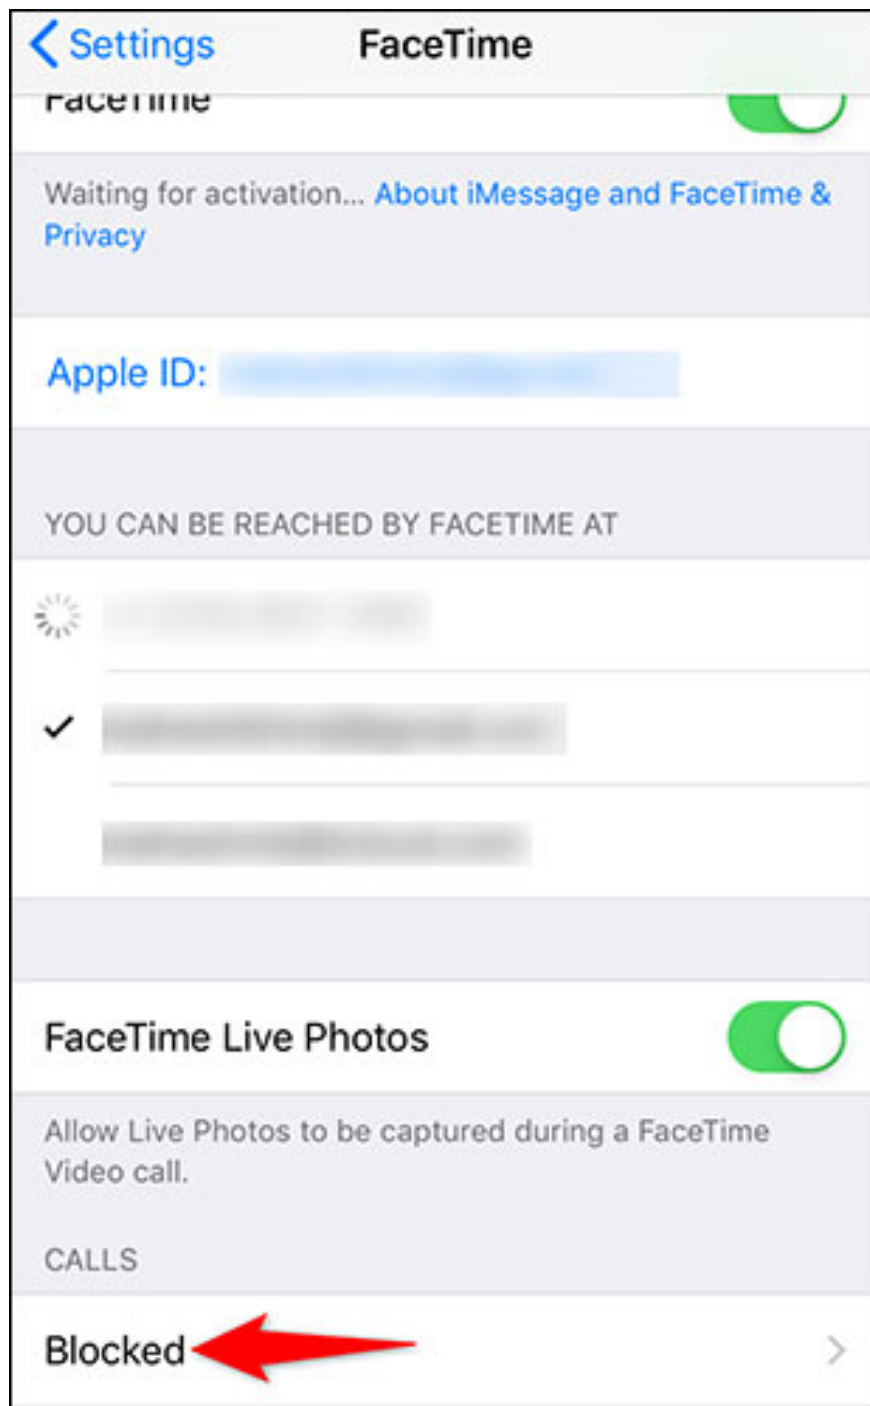

Find a list of blocked numbers via the FaceTime application

Checking the list of blocked phone numbers with FaceTime is also very easy.

First, open the Settings app on your iPhone and tap on ' **FaceTime** '.

On the 'FaceTime' page that opens, under ' **Calls** ' at the bottom, tap ' **Blocked** '.

You'll immediately see a list of all the phone numbers you've blocked on your device.
