Links to watch Euro 2024 football matches online on VTV television channels.

Watch football on your computer or phone.

The following guide will show you the simplest and most effective ways to watch live football online on your computer, laptop, or phone. You won't need to go through too many steps to watch football online on your computer or phone.

Contents:

I. Computer.

Method 1. With VTV Go.

Method 2. With Website.

Method 3. With Ace Stream.

II. Phone.

Method 1. VTV Go, VTV Sports app.

Method 2. Website.

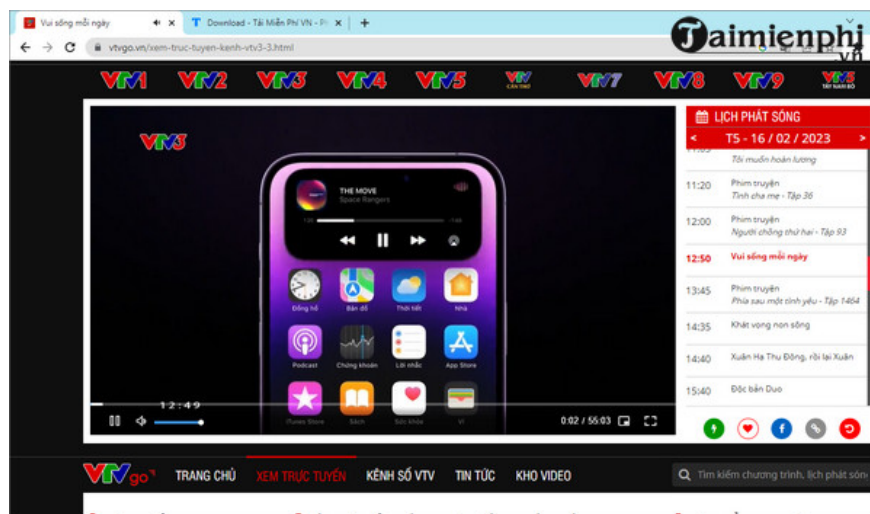

I. Watch live football on your computer

Method 1: Watch live football on your computer with VTV Go.

Step 1: VTV Go is the official website of Vietnam Television, allowing users to watch all VTV channels live online, including football, entertainment, and news channels.

- To watch football online on your computer with VTV Go, please access [HERE](#) .

Step 2: When you access and select a channel, you will be shown the program currently airing on VTV by default, but you can view the schedule of upcoming programs, including football matches on VTV.

Step 3: Alternatively, you can rewatch **old football matches** you watched within the past month on VTV Go.

Method 2: Watch football online with Sopcast, Ace Stream

SopCast is one of the leading software programs for watching live football on your computer because it's completely free. The drawback is that the football links are not in Vietnamese, and there are very few English channels, but on the other hand, you can use SopCast to watch any league. To watch football online on your computer with SopCast, you need to install SopCast on your computer. Refer to the instructions on how to install SopCast on your computer here and follow the instructions.

- Ace Stream, like Sopcast, is software that allows you to watch football online on your computer. It works similarly to Sopcast, so if Sopcast isn't very helpful for you, you can use Ace Stream to watch football, which is also very convenient. Specifically, please refer to the instructions on how to watch football on Ace Stream here.

II. Watch live football on your phone

Method 1. Watch live football on the VTVGo and VTV Sports apps:

VTV Go and VTV Sports are two applications that broadcast live VTV channels, featuring many exciting football matches of the Vietnamese national team in international tournaments. Therefore, you can download VTV Go and VTV Sports to watch live football on your phone.

Download the VTV Go app:

- Download VTV Go for Android
- Download VTV Go for iPhone

Download the VTV Sport app:

- Download VTV Sports for Android
- Download VTV Sports for iPhone

Method 2. Watch live football on the website.

Similarly to on a computer, you can access one of the live football streaming websites that TipsMake shared in Method 2 - Section I to watch your favorite matches.

Above are 5 ways to watch live football online on your computer, laptop, or phone. Choose the method that best suits your needs and circumstances. Remember these methods because they not only make watching football online easy but can also be used for other TV programs or sports.

Besides watching football on your computer using the methods above, if you want to learn more about high-quality online TV streaming software, you can refer to our guide below. The following high-quality online TV streaming software will be indispensable choices for those who like to watch online.
