How to use Goophim online service

1. 1. Guide to watching online movies on Goophim
2. 2. Watch VTV channel online on Goophim
3. 3. Search for Link Fshare on Goophim
4. 4. Get Link Fshare on Goophim

1. Guide to watching online movies on Goophim

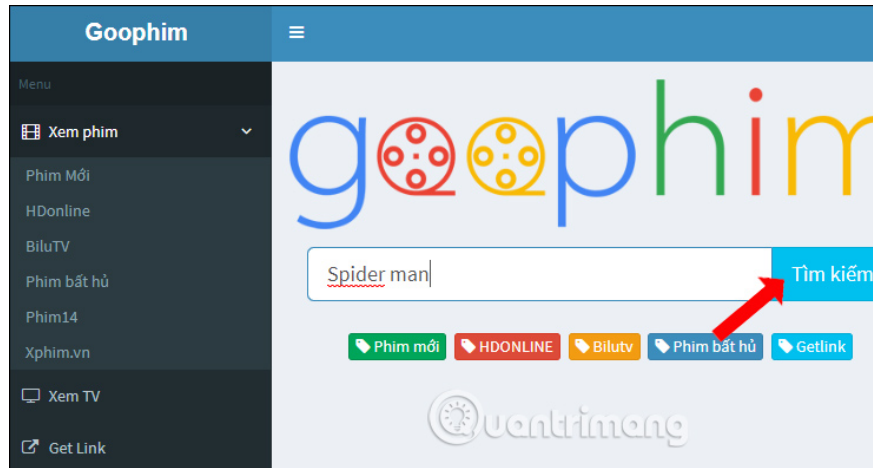

Users access the link below to open Goophim's homepage.

1. <http://goophim.com/>

Step 1:

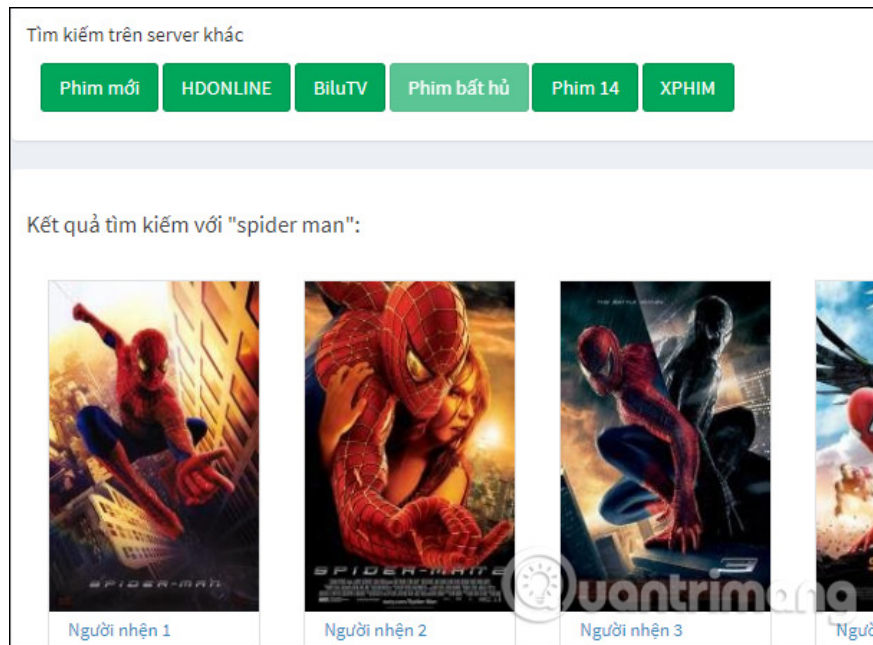

At the page interface you can see the movie name search box. Support services to find and watch movies on Phimmoi, HDonline, BiluTV, Immortal Movies, Movies 14, Xphim.vn.

Enter **the movie name** in the frame and then press **the Search button** , or you can click directly on the movie title page and search.

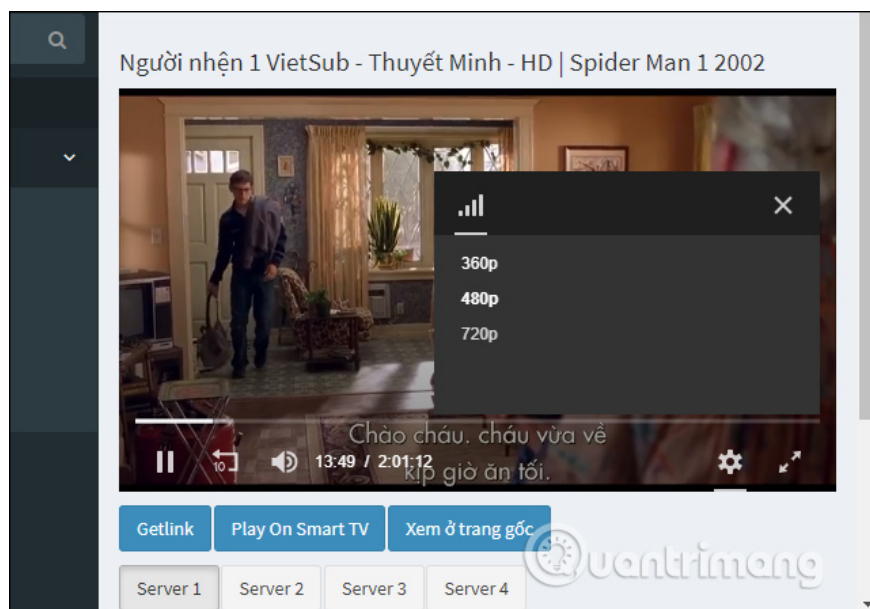

Step 2:

The results will show movies with different web movie name tags so users can change the movie search results.

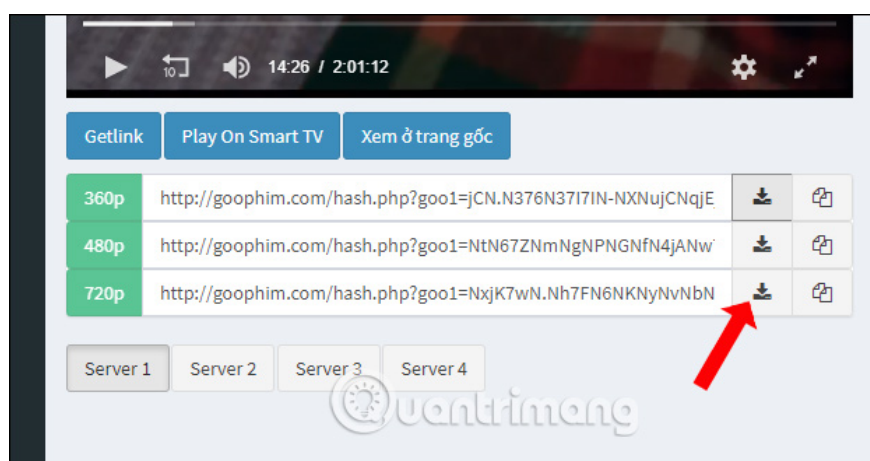

Step 3:

In the video playback interface you will not see the ad, the playback speed is fast. Video quality can be changed with **the gear icon** . Also below the video interface, there are other options.

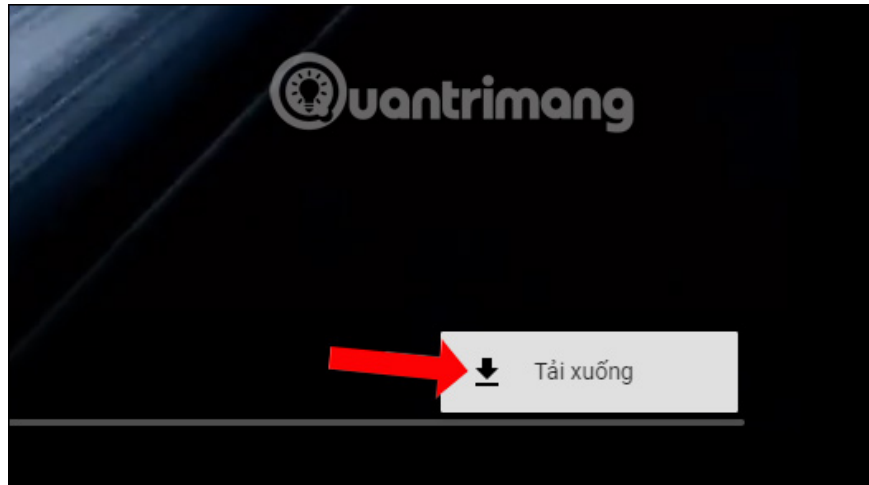

Step 4:

With **Get link** , viewers will be able to **choose the quality of the video** and then click **the download icon** to download the movie. Or you can copy the video link.

When you click the download icon, you will be redirected to the new video playback interface. Click on **the 3 dots vertical button** then select **Download** .

In addition, Play on SmartTV section will transfer movies to SmartTV. Viewing the original page will go to the original page of the movie being played.

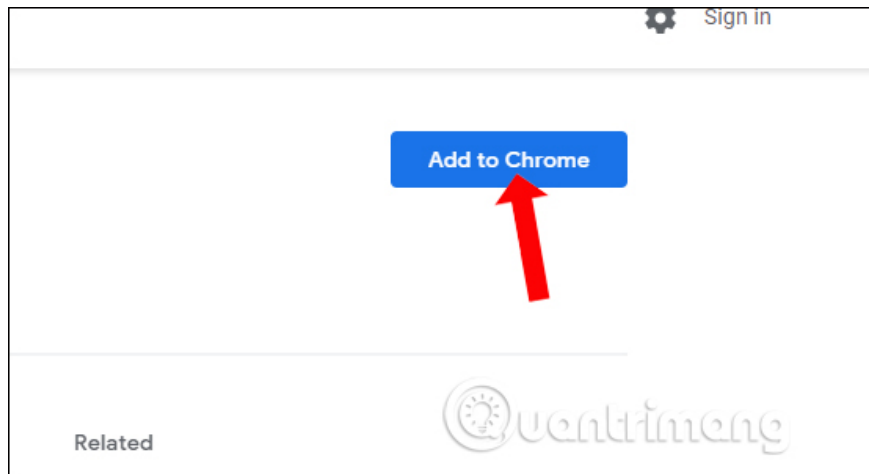

2. Watch VTV channel online on Goophim

The Goophim service also provides Vietnamese TV stations' movies for you to watch TV shows directly. To watch movies, install the utility.

Step 1:

Click on the link below to install the utility on your browser.

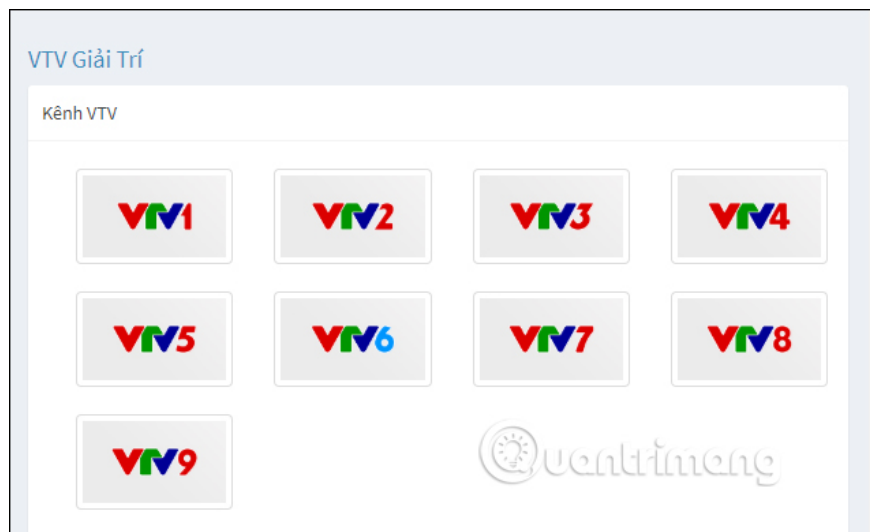

1. Download Allow-Control-Allow-Origin Chrome utility
2. Download CORS Everywhere Firefox utility

Step 2:

To watch a movie, click **the Watch movies** in the left menu. Looking to the right, you will see a list of movie channels from VTV1 to VTV9 to watch online.

Note to users , the feature of watching VTV online on Goophim is not stable, so you can not always watch online on all channels.

Below will provide the channel URL for viewing on VLC, or save as a file.
