

How to Watch UFC on Kodi

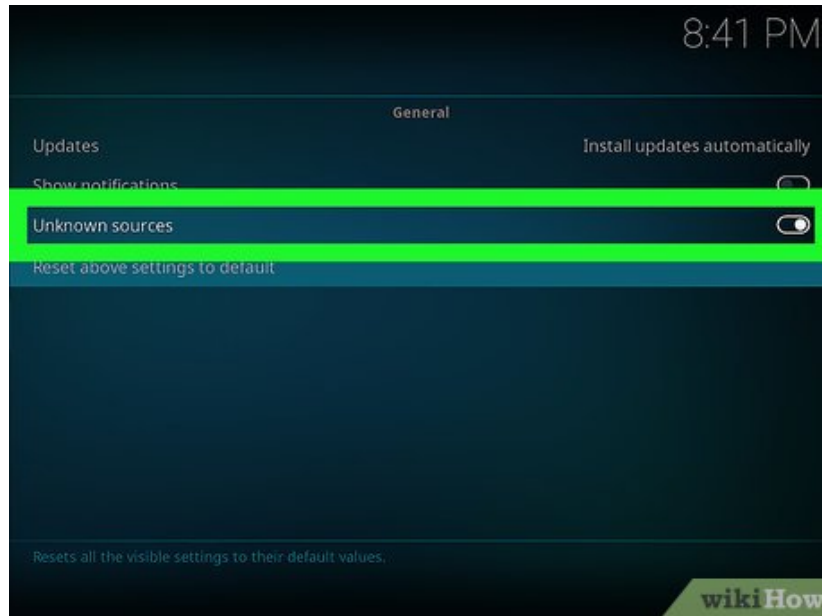

This wikiHow teaches you how to watch UFC videos using the Planet MMA video add-on for Kodi. Open Kodi on your computer. You'll find it in the All Apps area of the Start menu in Windows, and the Applications folder in macOS.

Part 1 of 2:

Adding the Repository

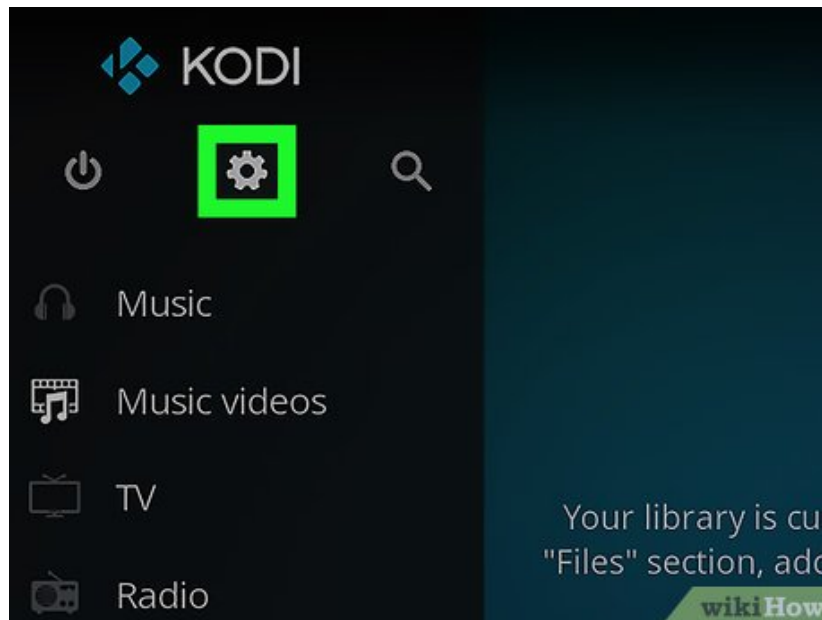

Open Kodi on your computer. You'll find it in the **All Apps** area of the Start menu in Windows, and the **Applications** folder in macOS.

2.

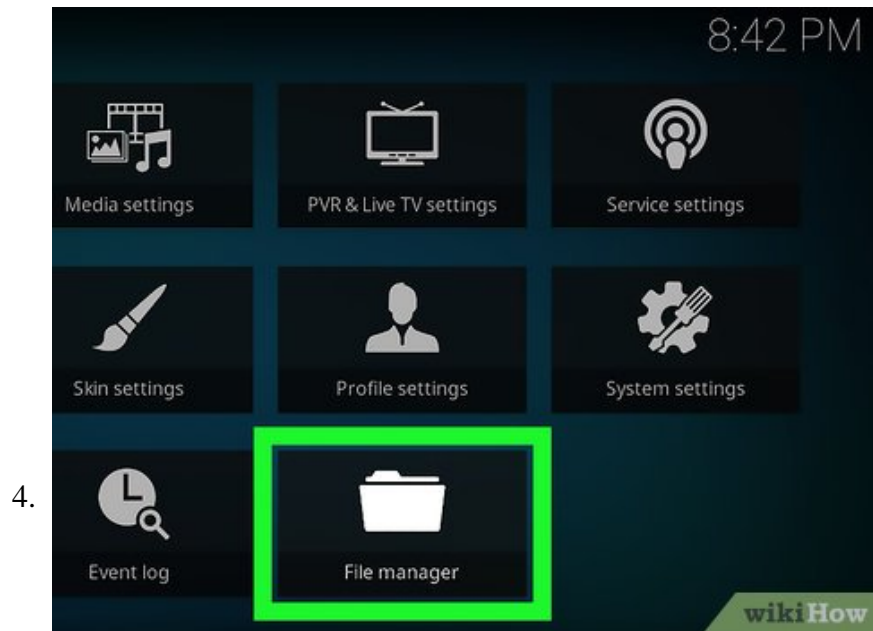

Enable installations from unknown sources. If you haven't already done so, here's how:

1. Click the gear icon at the top of the left column.
2. Click the **System** settings icon.
3. Click **Add-ons** in the left column.
4. Slide the 'Unknown sources?' switch to the On position.
5. Click **Yes** to confirm.

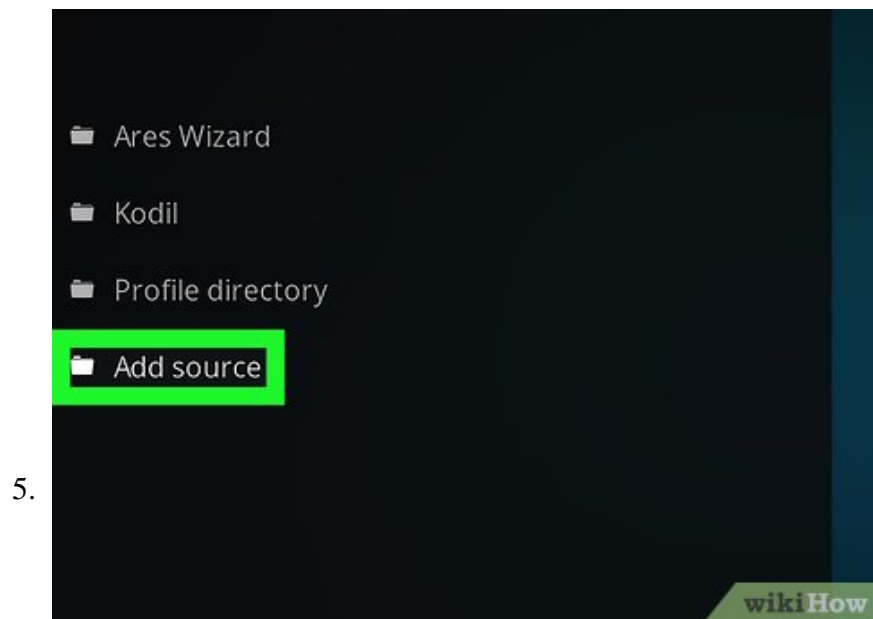

3.

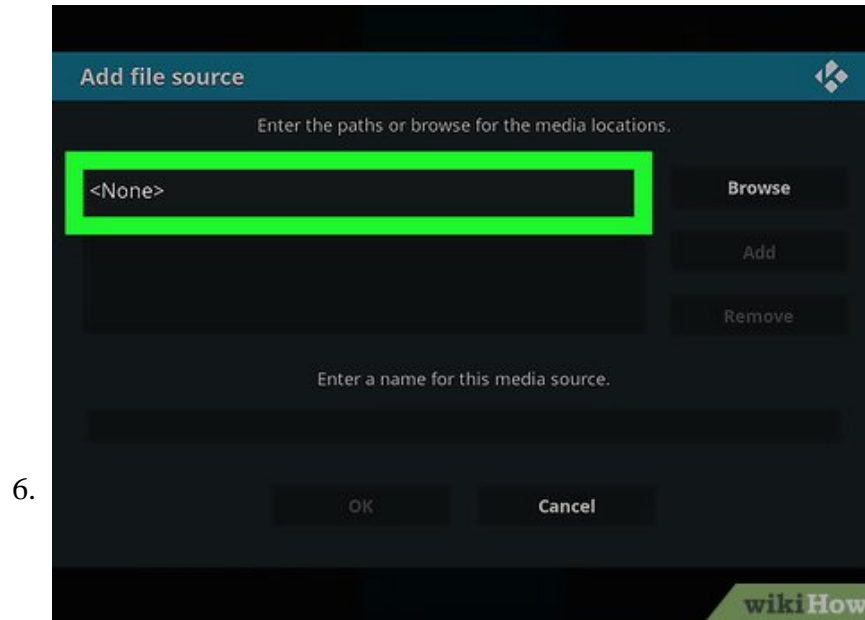

Click the gear icon. It's at the top of the left column.

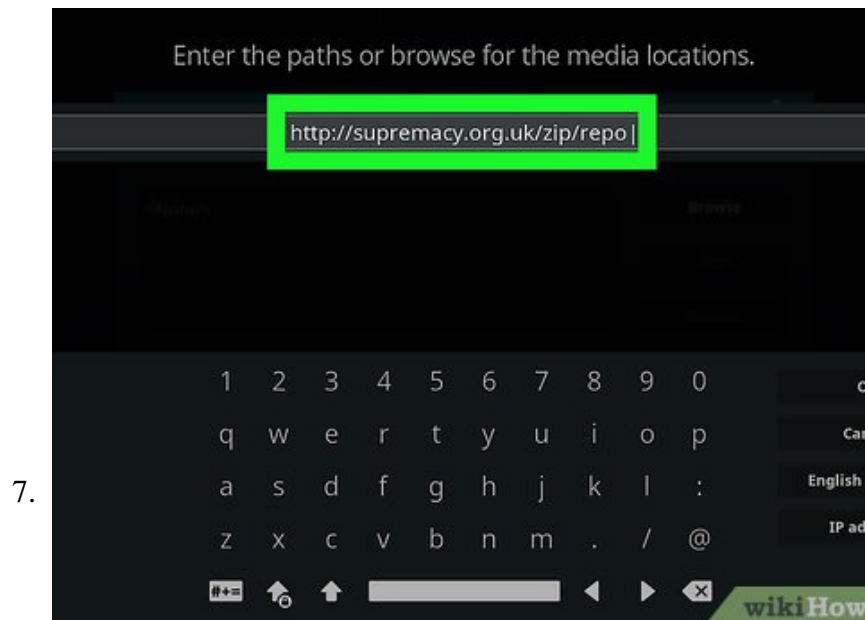

Click **File manager**.

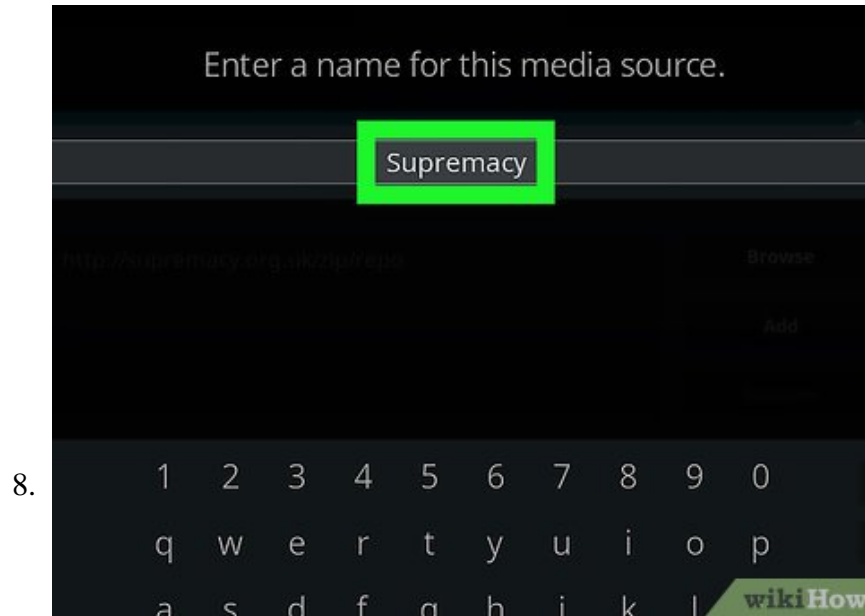

Double-click **Add source**. It's in the left column.

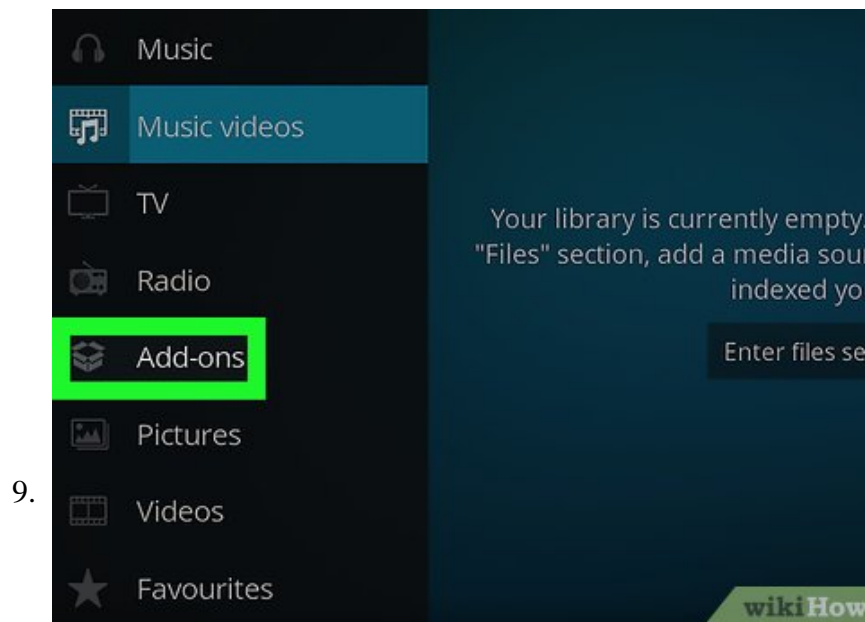

Double-click **Add source**. It's on the left side of the screen.

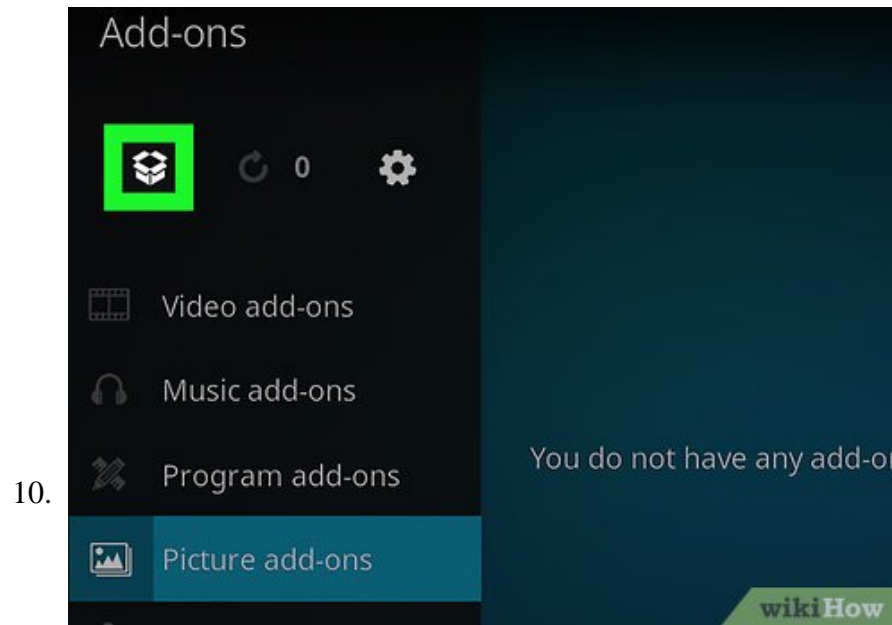

Type the repository URL into the box and click **OK**. The URL is `http://supremacy.org.uk/zip/repo`.

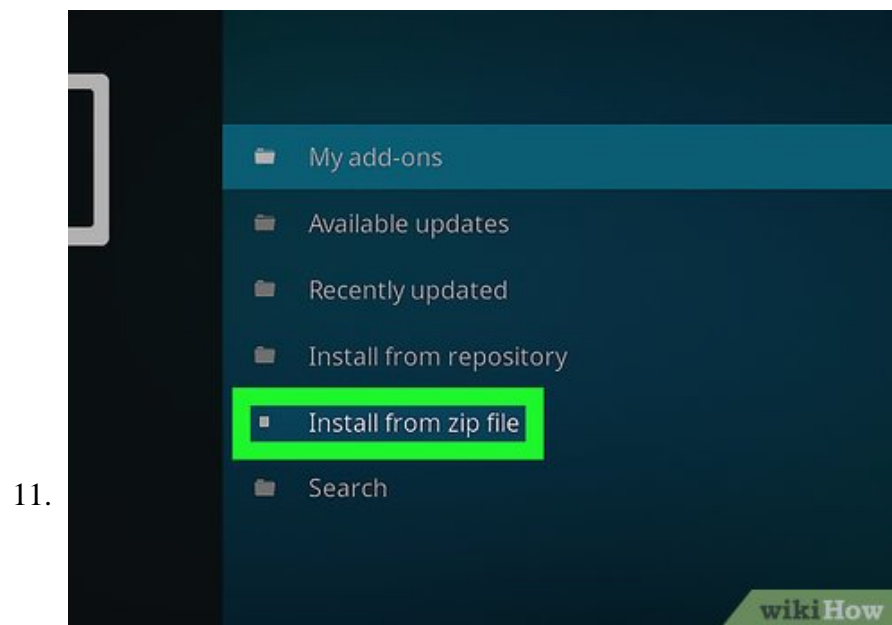

Name the file source `Supremacy` and click `OK`. To do this, type "Supremacy" into the "Enter a name for this media source" field.

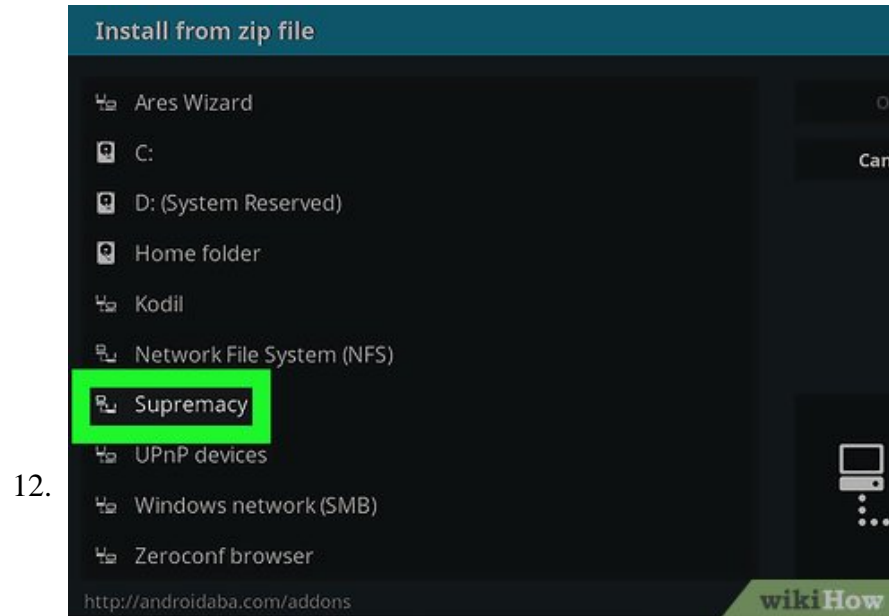

Return to the home screen and click `Add-ons`. It's in the left column.

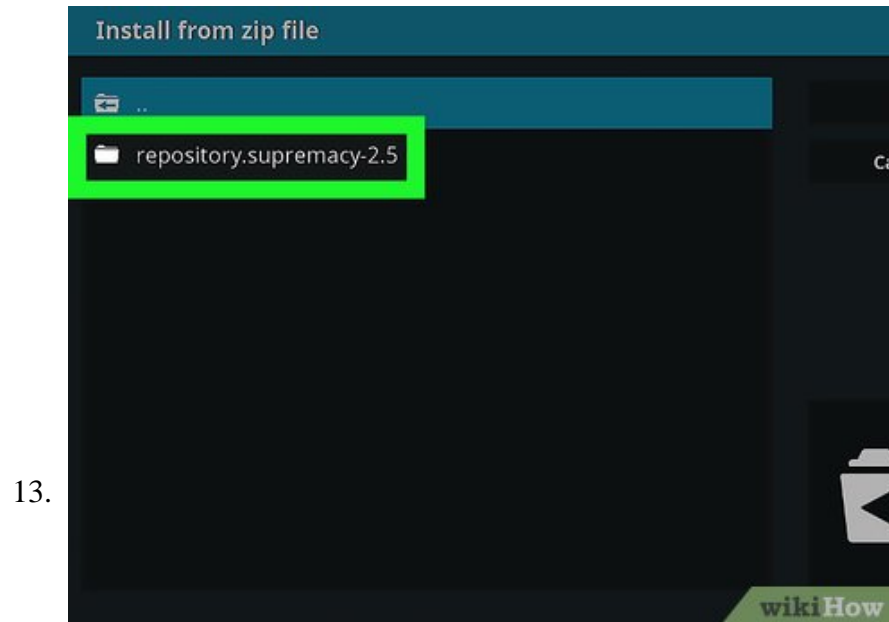

Click the open box icon. It's at the top of the left column.

Select **Install from zip file**. It's the next-to-last option.

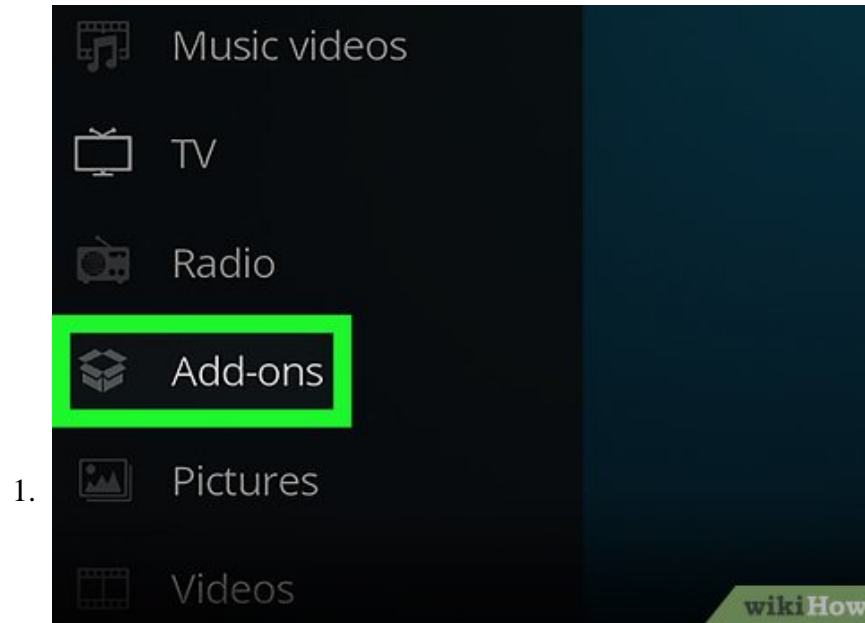

Double-click **Supremacy**.

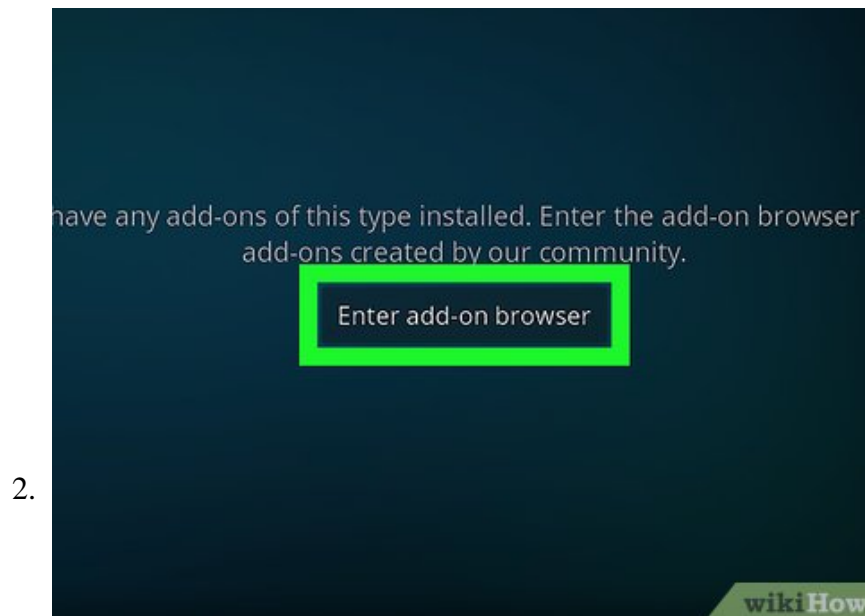

Select **Repository.supremacy-2.3.zip** and click **OK**. Kodi will now install the repository.

Part 2 of 2:

Installing Planet MMA

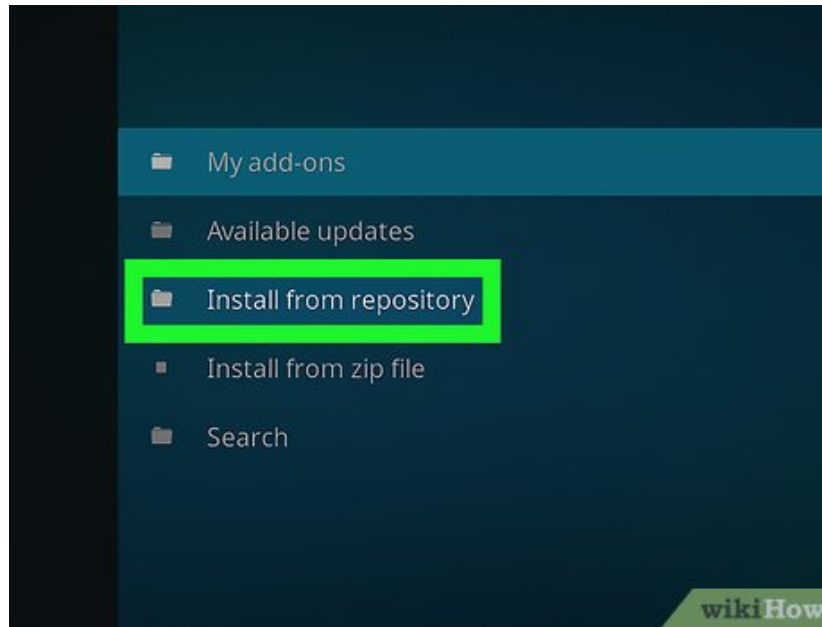

Return to the home screen and select **Add-ons**.

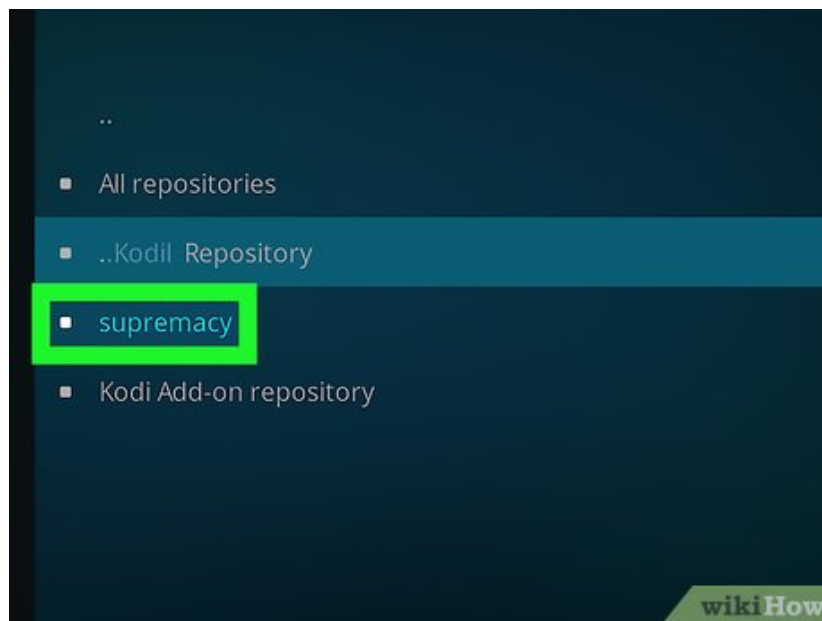

Click **Enter Add-on Browser**. It's in the right panel.

3.

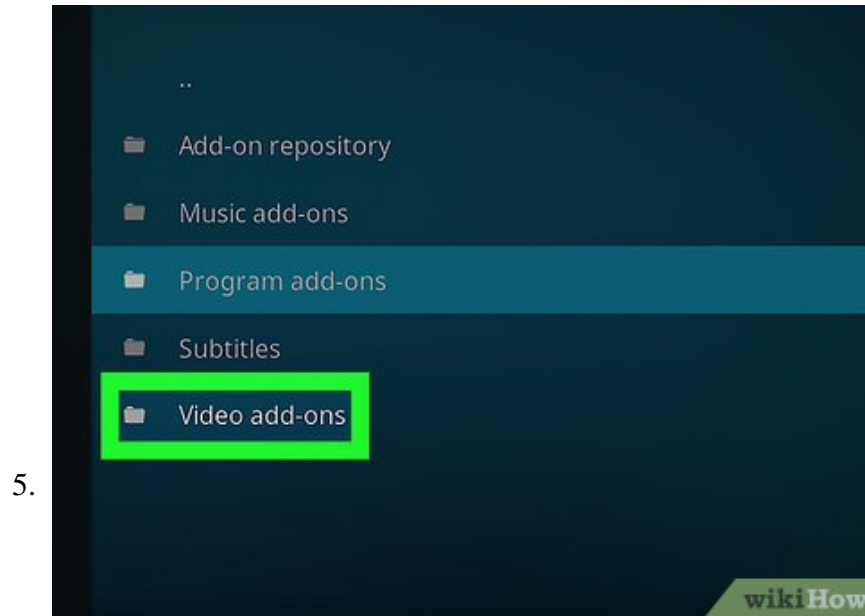

Click **Install from Repository**.

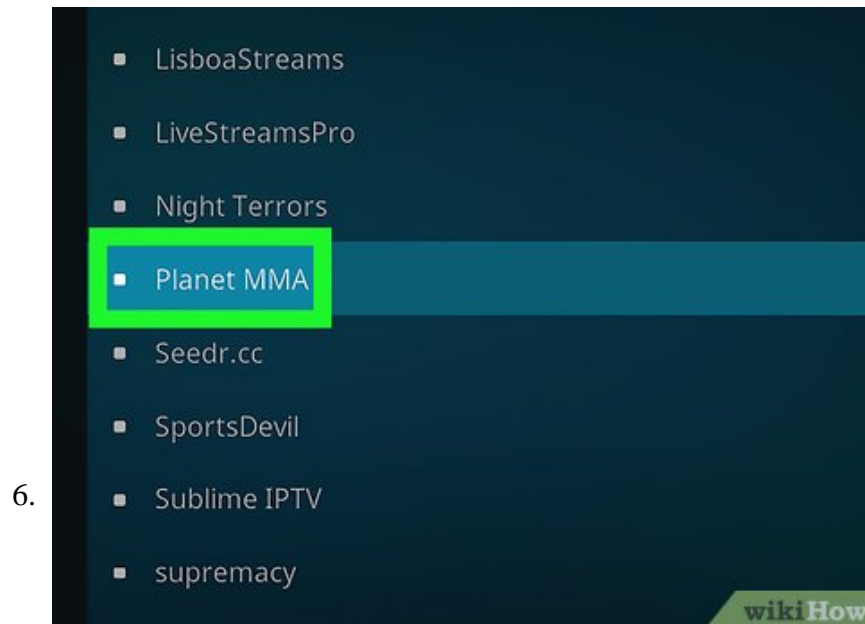

4.

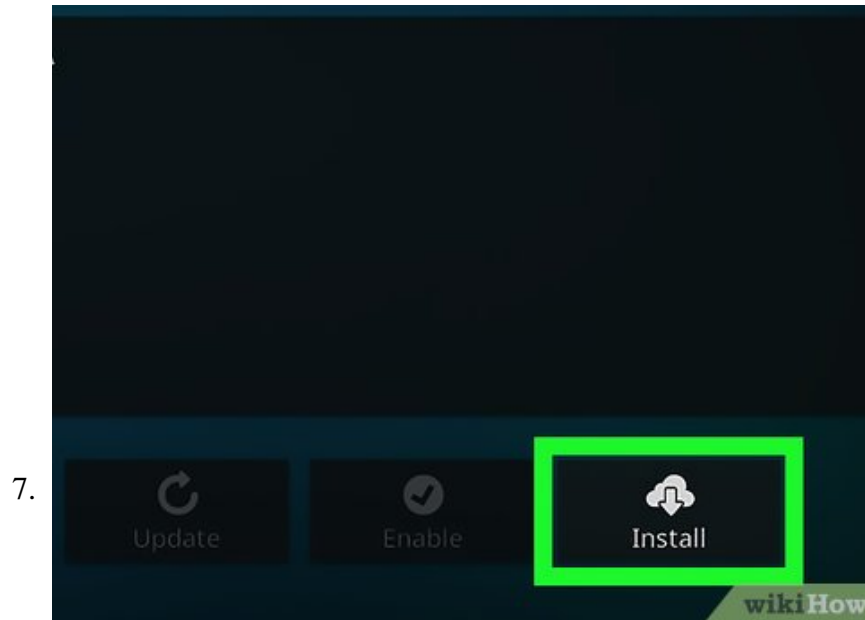

Click **Supremacy**.

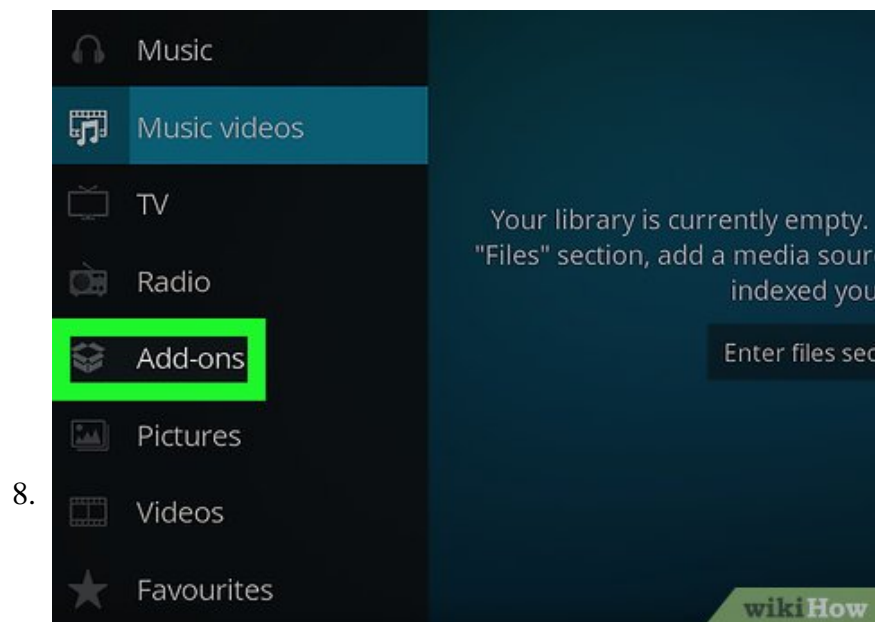

Click **Video Add-ons**. A list of add-ons will appear.

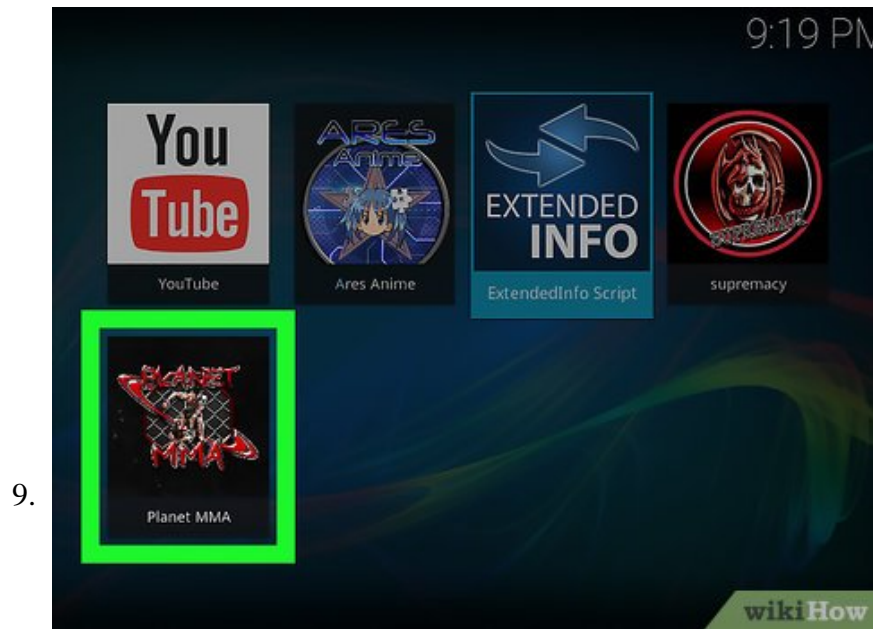

Scroll down and click **Planet MMA**. Details about this add-on will appear.

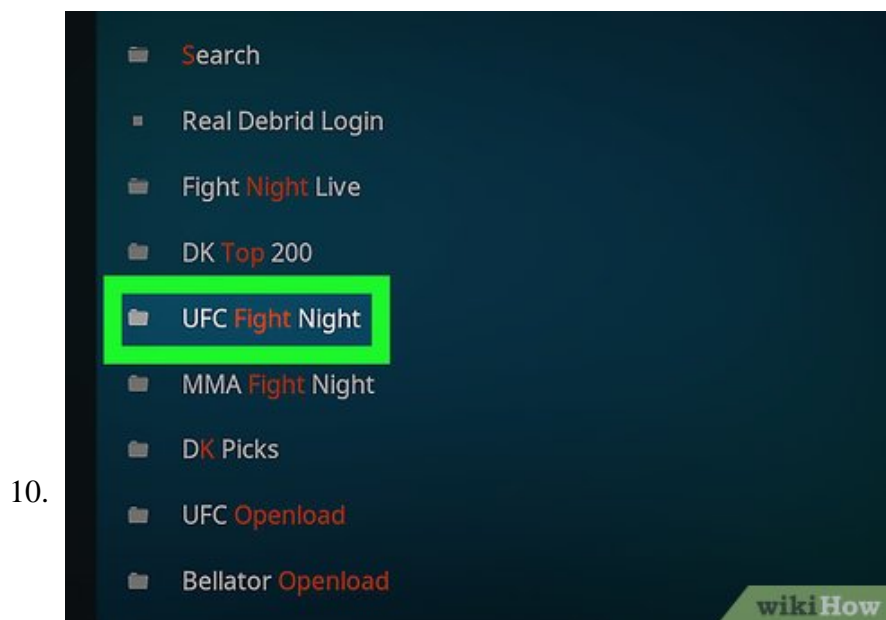

Click **Install**. It's at the bottom-right corner of the window. Once the Planet MMA add-on is installed, you can watch UFC video content in Kodi by accessing it from the Add-ons menu.

Return to the home screen and select **Add-ons**.

Click **Planet MMA**. A list of things to watch will appear.

Click **UFC Fight Night** to start watching. You can watch different types of UFC videos at this location.
