

HP printers offer the best quality at affordable prices today.

Like many modern technological devices today, choosing the right printer to suit the printing needs of your home, office, or school, even with a limited budget, can be a real headache. To help you, TipsMake has compiled a list of the best quality, affordable HP printers currently available. Read on for more tips and advice on choosing the right printer!

Printers are indispensable tools in offices, workplaces, and businesses. Besides well-known printer brands like Canon, Epson, Brother, and Panasonic, HP printers are also a popular choice due to their compact and attractive design.

This article compiles the **best affordable, high-quality HP printers** currently available. If you're unsure which printer best suits your needs, take a look at this list.

Which HP printer should you buy? A compilation of HP duplex printers, color printers, and black and white printers at the best prices and most popular among buyers.

Table of Contents:

1. HP LaserJet M211d Printer.
2. HP LaserJet Pro MFP M135w Printer.
3. HP 107w WiFi Printer.
4. HP Ink Tank 415 WiFi Color Printer.

1. HP LaserJet M211d printer

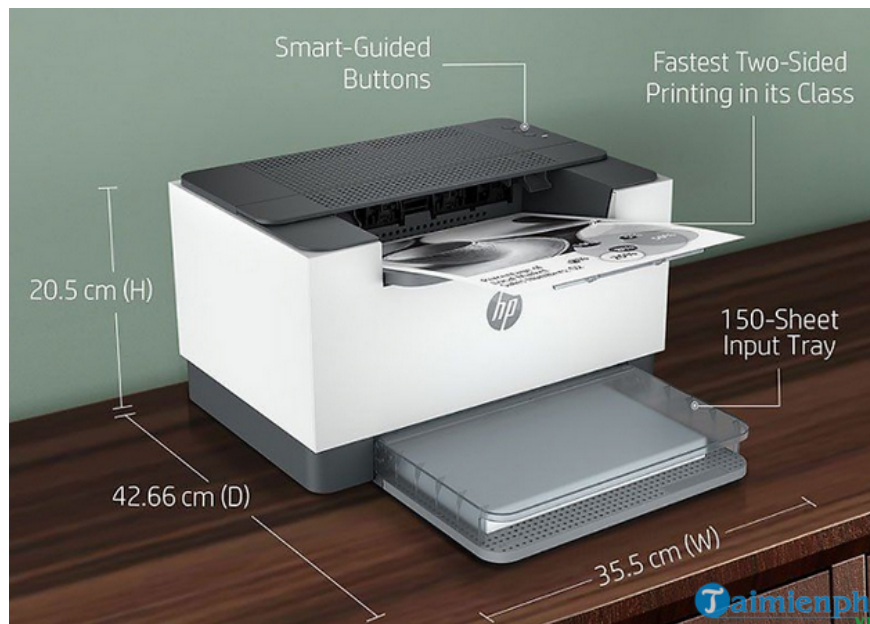

The HP LaserJet M211d duplex printer impresses with its fast printing speed of up to 29 pages per minute and 20,000 pages per month, suitable for basic printing needs in small offices/businesses and home-based businesses. The USB 2.0 port works well with MacOS, Windows 7, 8, 8.1, and 10 operating systems, making it easy to connect and use.

Equipped with automatic duplex printing technology, the HP printer minimizes smudging and blurring of details in your prints. You can easily print on various paper sizes, from B5 to A4, A5, or A6.

When using an HP printer, it's recommended to use genuine HP ink cartridges to protect the printer's lifespan and optimize print quality.

Specifications:

- Included ink cartridge: Approximately 700 pages (5% coverage)
- Print quality: 600 x 600 DPI
- Print speed: 29 pages/minute
- Ink type: HP 136 - W1360A
- Paper sizes: A4, A5, A6, B5
- Recommended print volume: 200-2000 pages/month
- Reference price: 4,090,000 VND

Similar to HP, Canon is also a long-standing printer brand, chosen by many families and offices when they need to buy a printer. To easily compare the prices and functionality of printers from these two brands, this article, "4 Best Canon Printers to Buy Today," will provide you with a lot of useful information.

2. HP LaserJet Pro MFP M135w Printer

The HP LaserJet Pro MFP M135w multifunction printer can print, scan, and photocopy documents in high quality, effectively serving your printing and document creation needs.

The printer boasts a printing speed of 20 pages per minute and a maximum monthly print volume of 10,000 pages, ensuring flexible and smooth printing. An impressive feature is its wireless connectivity, allowing for easy document sharing, remote printing, and scanning.

Specifications:

- Included ink cartridge: Approximately 500 A4 pages (5% coverage)
- Print quality: 1200 x 1200 DPI
- Print speed: 20 pages/minute
- Ink type: 107A Black Cartridge
- Paper sizes: A4, A5, B5, Envelopes
- Recommended print volume: 200-2000 pages/month
- Reference price: 3,740,000 VND

3. HP 107w WiFi Printer

The HP WiFi 107w printer, with its WiFi printing capability, allows you to print documents remotely. When busy with work, you can easily connect online and prepare prints quickly, meeting your maximum printing needs. With a printing speed of 20 pages per minute and a monthly capacity of 10,000 pages, it ensures efficient operation in high-performance printing environments.

Included with the printer is a complimentary 107A Black Cartridge, which can print 500 A4 pages. This is a common ink cartridge, easily available at authorized dealers for around 400,000 VND.

Specifications:

- Included ink cartridge: Approximately 500 pages
- Print quality: 1200 x 1200 DPI
- Print speed: 20 pages/minute
- Ink type: 107A Black Cartridge
- Paper sizes: A4, A5, B5, Envelopes
- Recommended print volume: 100-1500 pages/month
- Reference price: 2,740,000 VND

4. HP Ink Tank 415 WiFi Color Printer

The HP Ink Tank 415 WiFi color printer is a multifunction printer capable of single-sided printing, WiFi printing, copying, scanning, and manual double-sided printing. It delivers high-resolution printing at 1200 x 4800 DPI, producing highly detailed documents, and making color documents requiring sharpness, such as advertisements, flyers, and photos, more appealing.

HP's line of color printers is already very attractive due to its compact, space-saving design. Despite this, the print quality and speed are excellent, reaching up to 8 pages per minute for black and white printing and 5 pages per minute for color printing. You can print up to 8000 pages per month.

In addition to traditional printing via USB 2.0, this HP Wi-Fi double-sided printer also integrates many of the most advanced printing technologies available today, such as Wi-Fi Direct, ePrint, and AirPrint.

Specifications:

- Included ink cartridges: Approximately 4000 A4 pages (5% coverage)
- Print quality: 1200 x 4800 DPI

- Print speed: 8 pages/minute (Black and white), 5 pages/minute (Color)
- Ink type: HPGT51 black, HPGT52 (magenta, cyan, yellow)
- Paper sizes: A4, A6, A5, 4 x 6 (inch), 5 x 7 (inch)
- Recommended print volume: 100-1000 pages/month
- Reference price: 3,570,000 VND
