

Humorous mistakes in famous cartoons

Here are some funny errors in popular animated movies discovered by audiences. The film team didn't seem to be very careful about checking it one last time before it was released.

Here are some funny errors in popular animated movies discovered by audiences. The film team didn't seem to be very careful about checking it one last time before it was released.

The cartoon Ratatouille - chef mouse: The greasy pot on the wall of the pot and the sauce in the dark colored pot became clean and the sauce had a transparent color when Remy started to add the seasoning. Perhaps the artists made a mistake because they were too sleepy while working?

Ice Age: Collision Course - Manny's tusks have a constantly changing distance from the beginning to the end of the film.

Despicable Me 2: The tiny house in the garden has been mysteriously missing.

Despicable Me 2: Initially, the cart had juice boxes but they were replaced by coffee thermos in the back.

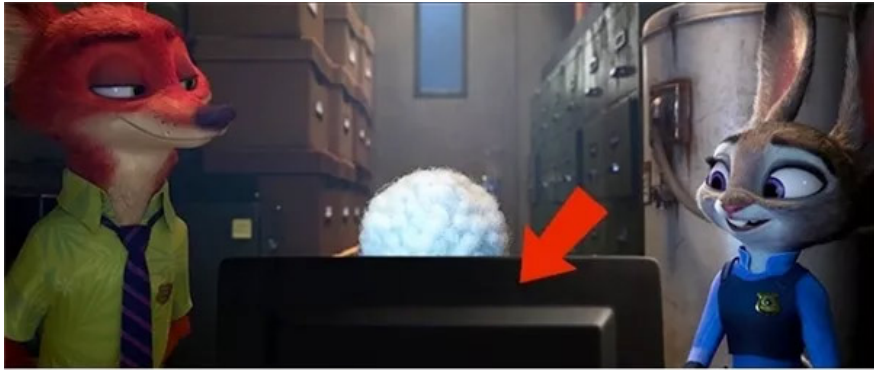

The Secret Life of Pets: A vent appears suddenly with Norman in it, even though the wall is completely empty.

The Secret Life of Pets: The card with Max's name was originally hung to the right of the rope, but in the next scene, it suddenly jumped to the left.

Zootopia: The big screen in front of Bellwether disappeared on the table with only the keyboard.

Zootopia: Judy still finds a way to turn 90 degrees to the left despite being stuck in cement.

Zootopia: Is the cup in this movie able to change colors?

Frozen: Olaf with Elsa suddenly mysteriously disappears.

Moana: Little Moana drops the leaf as she heads to the sea to pick up seashells. But in an instant, both her footprints and the leaf disappeared.

Shrek Forever After: The costume of the woman behind the boy has changed in the blink of an eye.

Home: Price list on cabinet doors has been changed in a snap.

Trolls: An unknown device appears at the side of Branch's leg.

Monsters University: The house has a lot of wide windows when viewed from the outside but when inside, they disappear.
