Christmas is a great holiday for Christians. On this occasion, besides Christmas gifts, Christmas tree and Santa's Christmas cards are indispensable symbols in the Christmas season, on this day every family prepares to decorate their homes to welcome one Healthy Christmas season and pine tree are an indispensable symbol every Christmas. If you do not have any ideas to **decorate Christmas tree** , please refer to the following article to have unique ideas to decorate the tree offline.

### Decorate a classic pine tree

The most classic decoration of a Christmas tree is to hang sparkling spheres and flatten them, spreading bright beads or lights into each hammock. Under the pine tree is the fruit box, on the top of the pine is a shining star. Through the display near the fireplace (or the image of the fireplace), Santa's gift socks are hanging nearby. Some other symbols are also combined such as flower candle holders, laurel wreaths, red or white flower vases, .

Or more simply, you just need to hang red balls and a sparkling red thread wrapped around the tree canopy, gift boxes that tie a red bow under the pine root, a poinsettia flower bow (can be added small bells) mounted on the top of the pine. It would be great if there was a small wooden fence around.

## **Decorate Christmas trees in a natural style**

One of the simplest, easiest and most popular ways to decorate Christmas trees is to create a natural snow cover for it. You can use cotton, white paper fibers, small foam particles or white snow effect accessories to decorate the top of pine foliage. A bit more elaborate can decorate the beautiful small bungalows with roofs and snowy stacks, hanging alternately on the canopy, looking as far as a small village in the pine forest!

## Decorate Christmas tree according to feng shui

The decoration of feng shui furniture colors is very popular. You choose the **same color ornaments with your home feng shui to decorate the pine tree** . Basically, the gift boxes, bows and main ornament are the same color. However, if you are not careful, pine trees will scare the color, so you need to interleave a color tone that harmonizes or highlights the main color. For example, blue with white curtains as the background, with carpet and a bit of decorative accessories are also white. The green color will be more sparkling thanks to the bright yellow decorations.

## Decorate yellow pine, silver pine

It is not simply a decoration of a yellow *pine tree* , " *golden pine* " here is understood as a golden pine tree. Of course those are just gilded decorations, but it makes us not to admire the elegance and richness of a pine tree like gold inlaid!

Don't think that " *silver pine* " is not as precious as " *golden pine* ". The cultural values ??in Christmas trees can be said to be invaluable, especially when it is associated with very touching stories and rich human love. The story tells that in the past, a poor widow had nothing to decorate the Christmas tree, she had to hang the available fruits and the grains of indoor cereal she had. At night, the spiders attacked the pine tree, they ate everything and caused it to fall apart. When the old Santa came to deliver the gifts, witnessing the pitiful situation, he decided to turn all the decorations on the pine tree into sparkling silver. Since then there is a style of pine tree decoration with something that matches silver and sparkling, sparkling, . reminiscent of a change full of love and happiness!

## Decorate funny Christmas tree

With cotton effigies such as Santa Claus, snowman, clown, . and other lovely symbols of Noel, you can decorate pine trees to be fun, funny, jubilant atmosphere. fun of this great holiday.

## **Decorate the Christmas tree of childhood**

Perhaps this is also one of the most popular pine decorations. Because Christmas or Tet holidays always attract the most children. You hang on the tree through innocent and familiar images in child awareness. You can also hang cute little toys like lego, stuffed animals, toy cars, dolls, etc. all over the canopy instead of hanging the familiar sparkling spheres.

## **Decorate "pine" pine trees, "sea" pine trees, .**

With icons of the region such as starfish, fish, crabs, snails, in the sea or wild animals in the forest, . you will bring pine trees the air of pure wild nature of a scene. the homeland that you love!

## **Decorate pine trees with Origami**

It's not that you fold paper into pine trees, but rather fold Origami style to decorate your pine tree. Paper is a common material and paper folding is a game that children are also fluent and preferred. An oriental pine tree always decorated paper cranes, paper fans or pretty small paper lanterns. Western culture often decorated angels and stars. Depending on your preferences, you can choose your favorite Origami images to decorate. [6 ways to fold origami paper Christmas trees to decorate and make gifts]
