Answer

1. The chair in the photo does not have a bar to hold the backrest.
2. **Gondola** is a traditional, flat-bottomed rowboat in Venice, similar to a canoe but narrow and longer so there is no sail.
3. The pedal of the car is not placed correctly: one side of the pedal must be higher to be correct.
4. Look at the scissors at the top left corner - the handle section is there but the blade part does not.
5. All three girls lack " navel ".
6. The two folds of the chessboard have different thicknesses.
7. One side of the shoe has 6 piercing holes, the other side has 7 holes.
8. There is an extra hand on the back of the blue-clothed girl.
9. The shadow of men and girls is interchangeable.
10. The heel of the shoe on the right leg is larger than the heel on the left leg.
