

InkHunter Tattoo Tutorial

INKHUNTER is becoming a trend with the 4.0 fake tattoo method that many people love. With the detailed instructions below, you can create tattoos anywhere on the body such as arms, legs, and especially create vivid, realistic tattoos.

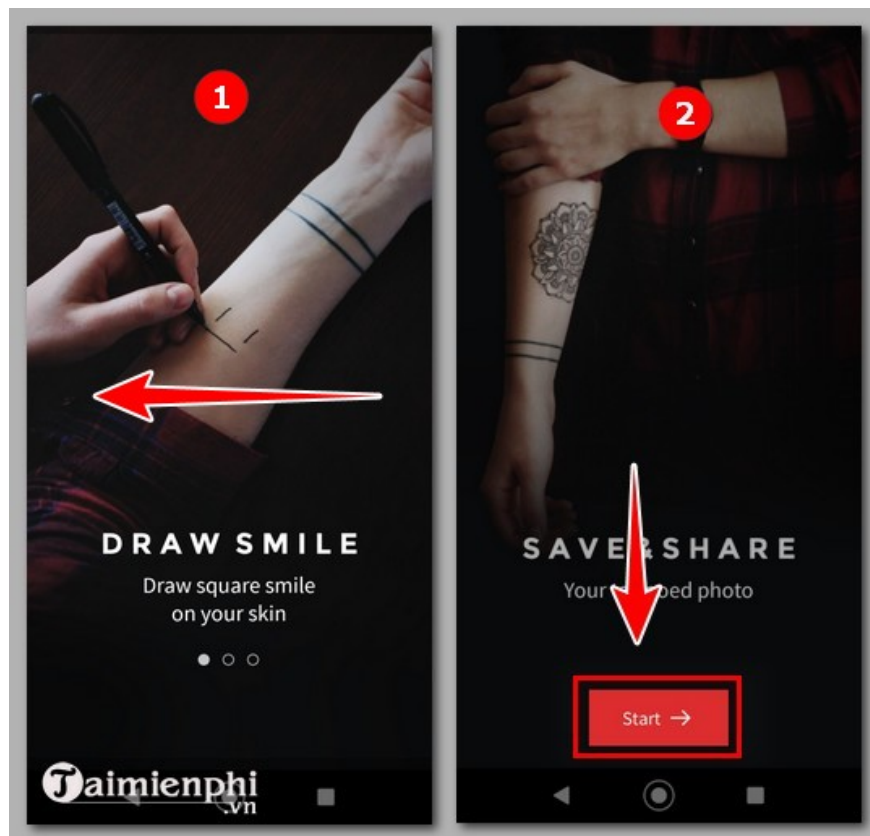

Back in the day, the fake tattoo movement was all the rage, but the apps didn't have many features back then, but now you can use InkHunter to create beautiful fake tattoos.

InkHunter Tattoo Tutorial

Step 1 : Download and install the application to your phone:

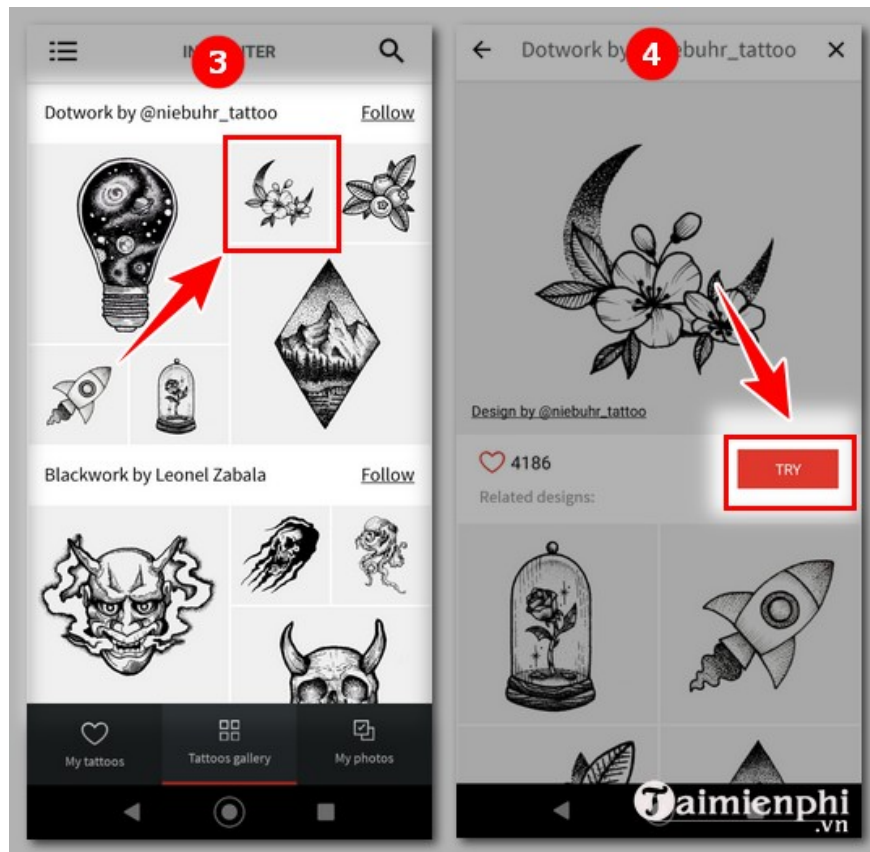

- For Android devices: **InkHunter for Android**
- For iOS devices: **InkHunter for iPhone**

Step 2 : Open InkHunter, **slide the screen to the left** (Image 1) until image 2 appears, then click "**Start**".

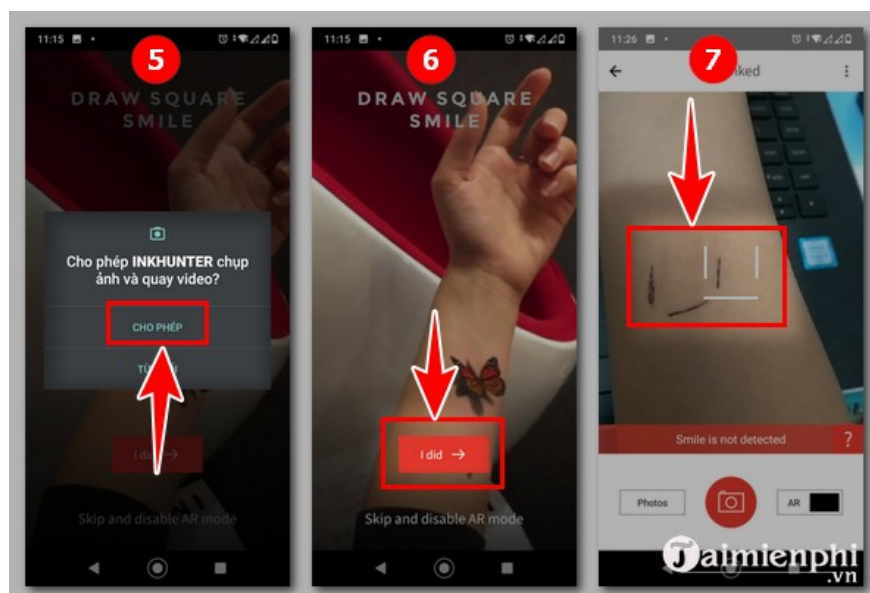

Step 3: Choose a suitable **fake tattoo** (Image 3). Next, click "**Try**" (Image 4).

Note : If the tattoo says " **unlock** " and not " **Try** ", you cannot use it.

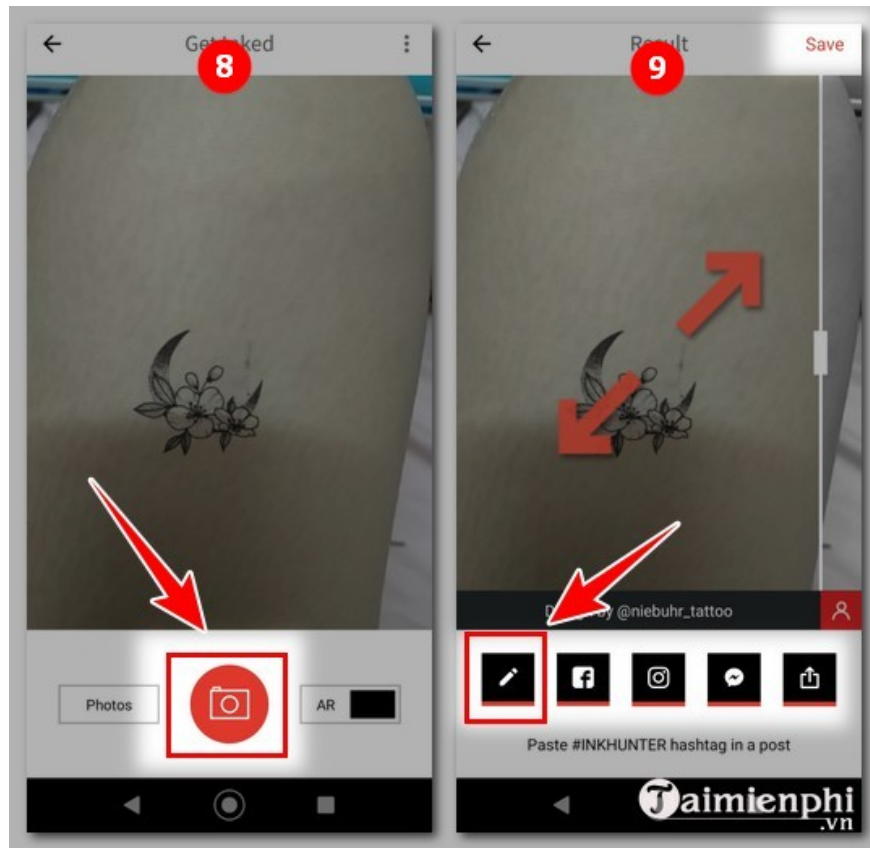

Step 4 : At this time, the screen will display " **Allow INKHUNTER to take photos and record videos** ", You click " **Allow** " (Image 5), then you click " **I did** " (Image 6) => **Draw a smiley face** like in the picture. Next, move **the smiley face on your phone** to the drawn location on your body. The tattoo will appear (Figure 6).

Step 5: Click on **the camera icon** to take a photo. (Image 8).

If you **want to change the tattoo** , click **the edit icon** (Image 9).

Note : Otherwise, click "**Save**" in the upper right corner.

Step 6: Click on the appropriate tattoo and then click "**Save**" in the upper right corner to save (Image 10).

If you want to share the tattoo, you can select the **Facebook, Instagram** icon . (Image 11) to share.

In addition to catching trends, following the tattoo tutorial with InkHunter also helps you know which design suits you as well as where to get the tattoo. If you love tattoos, don't miss this tutorial.

You can also get tattoos on your body with Photoshop. Not only does it help you get beautiful tattoos, like the stars, but this tattoo method also helps you choose the most suitable tattoo for yourself.
