LoL has a faster game beat with a new revised 5-on-5 map based on the Arena of Justice. The new platforms are specifically designed with a high-sensitivity two-lever control system to ensure that the players' strokes are as sharp as they are on the PC.

5-on-5 gameplay is full of strategy and competition in matches lasting 15-20 minutes.

In the beta, there will be 40 champions. Familiar names like Annie, Lux, Nasus, Yasou, Garen . will appear first, the remaining generals will be added gradually.

Interestingly, all champions can be received for free and you can play or increase strength without spending money.
