

Instructions for adding personal information on TalkTV

Adding personal information on TalkTV is the action you will take after creating a successful TalkTV account. In addition to representative images, we can add some other necessary information.

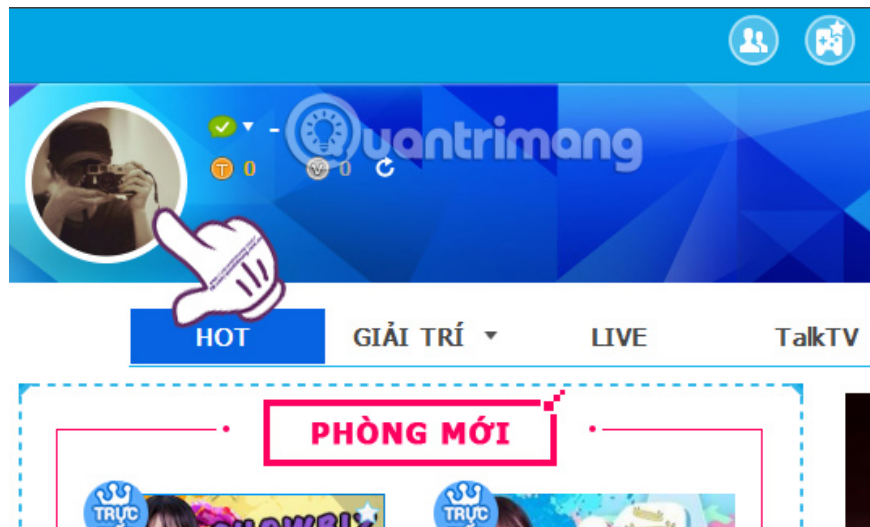

Updating personal information is a basic operation on most chat, messaging, or social networking software like TalkTV. After successfully creating a TalkTV account, users can proceed to change all their personal information, adding necessary information to the account.

However, changing personal information on TalkTV can only be done on the computer version. You cannot change information on TalkTV for mobile.

1. Download TalkTV for free for Windows
2. Download TalkTV for Android
3. Download TalkTV for iOS

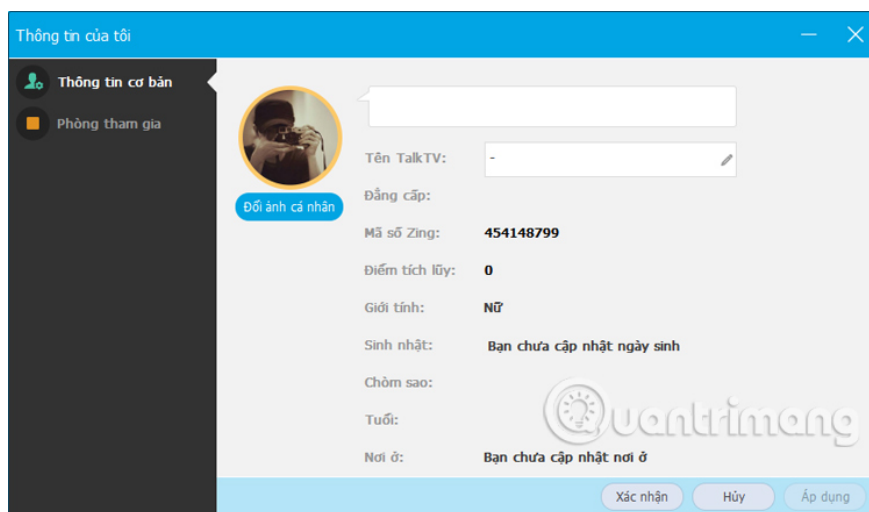

Step 1:

First of all, we will log in to TalkTV personal account on the computer. At TalkTV interface, users will click on **the avatar image** in the top left corner of the screen.

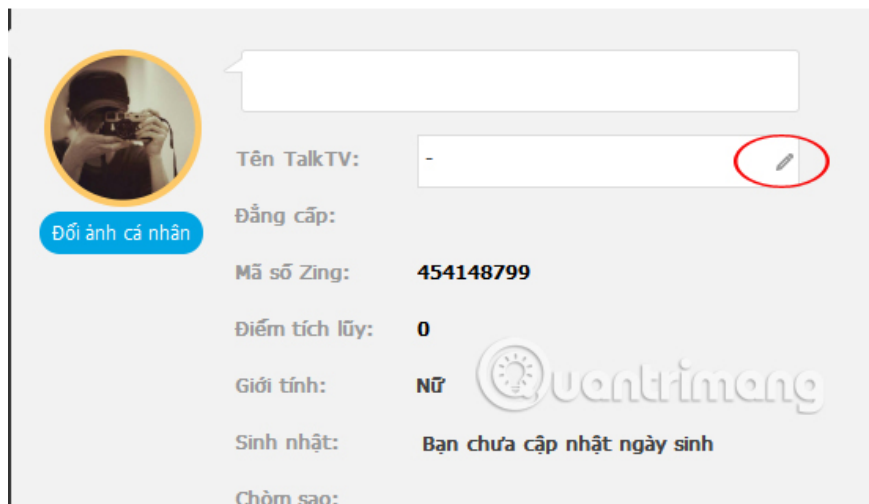

Step 2:

Appearance interface Basic information. In this frame you will see information for your personal account including Name TalkTV, Birthday, Constellation, .

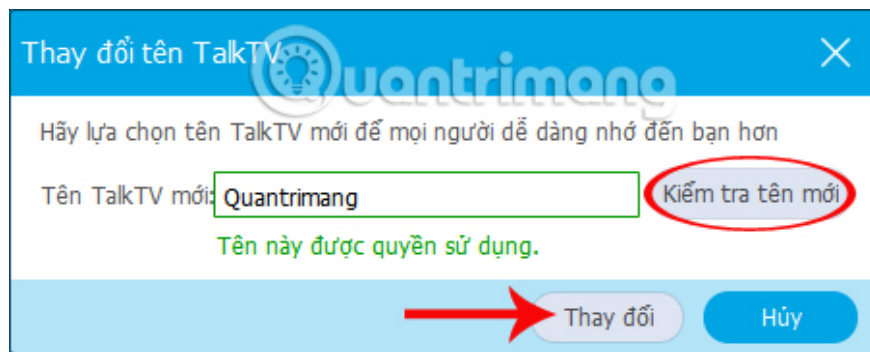

Step 3:

First of all we will change the display name for the TalkTV account. Click **the pen icon** to change the display name on TalkTV.

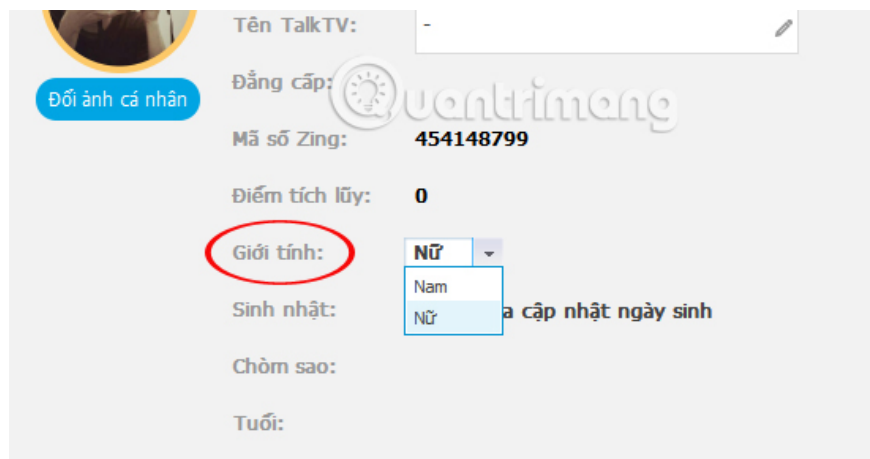

We enter a new name for the account and then click **Check for a new name** . If you are notified This name is authorized to use, then click **Change** to create a new name for the TalkTV account.

Step 4:

Next, the user will select gender in the **Gender field** select Male or Female.

Step 5:

Next, enter information for the **Birthday** section below.

As soon as you enter information for the Birthday, TalkTV will automatically calculate the age for you and enter the Constellation for the user.
