## How to use the FastGo car call application

**Note:** This guide is implemented on Android phones, you can do the same on other devices to be able to call cars with FastGo.

### Step 1: Download and install FastGo

First of all, you must install the FastGo application for your phone, now FastGo is available on both Android and iOS operating systems, you can click on the link below to download quickly.

1. Download FastGo for iOS
2. Download FastGo for Android

### Step 2: Register for a FastGo account

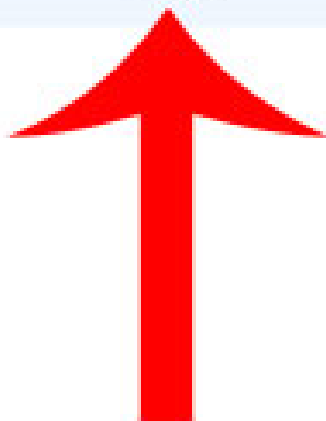

Complete the above step, start the FastGo application to proceed to create an account for yourself. Please **enter the phone number you** are using and click **Next** .

## Nhập số di động

VN +84

Nhấn vào Tiếp để xác minh tài khoản của bạn với Account Kit do Facebook cung cấp. Bạn không cần tài khoản Facebook để sử dụng Account Kit. Chúng tôi có thể gửi SMS để xác minh số của bạn. Cuộc dữ liệu và tin nhắn có thể áp dụng. [Tìm hiểu cách Facebook sử dụng thông tin của bạn.](#)

Tiếp

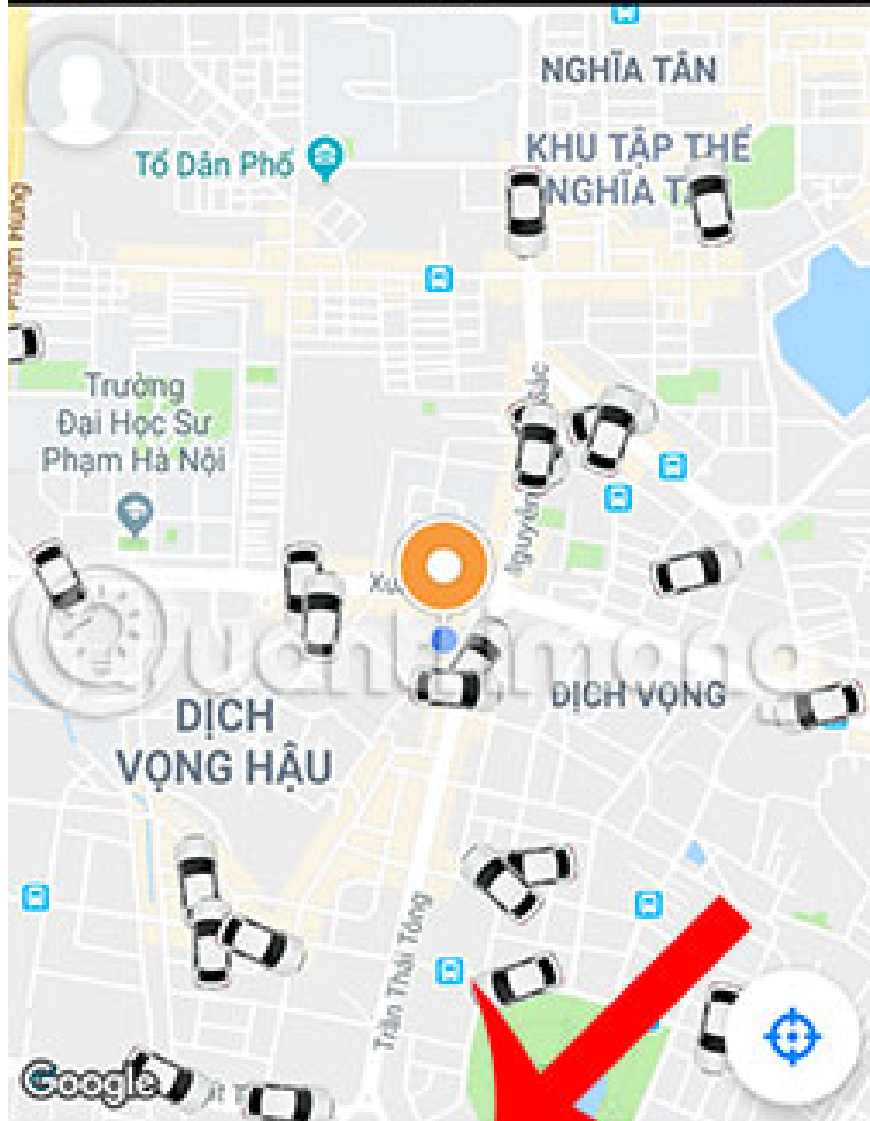

Immediately the system will send an OTP phone message, please enter this confirmation **code correctly** and click **Continue to** finish. You will then be redirected to the car call interface on the FastGo application.

### Step 3: Put the car on FastGo application

By default, the application will automatically identify your current location, you just need to enter the address needed. However, you can re-enter the address you are standing for the driver to find more easily.

ĐIỂM ĐÓN:  
28 Trần Thái Tông, Cầu Giấy, Hà Nội

Bạn đang muốn đến đâu?

## Chọn địa điểm

ĐIỂM ĐƠN:  
28 Trần Thái Tông, Cầu Giấy, Hà Nội

276 Đường Láng

276 Đường Láng  
Thịnh Quang, Đống Đa, Hà Nội, Việt Nam

276 Đường Làng Chuông  
Thanh Oai, Hà Nội, Việt Nam

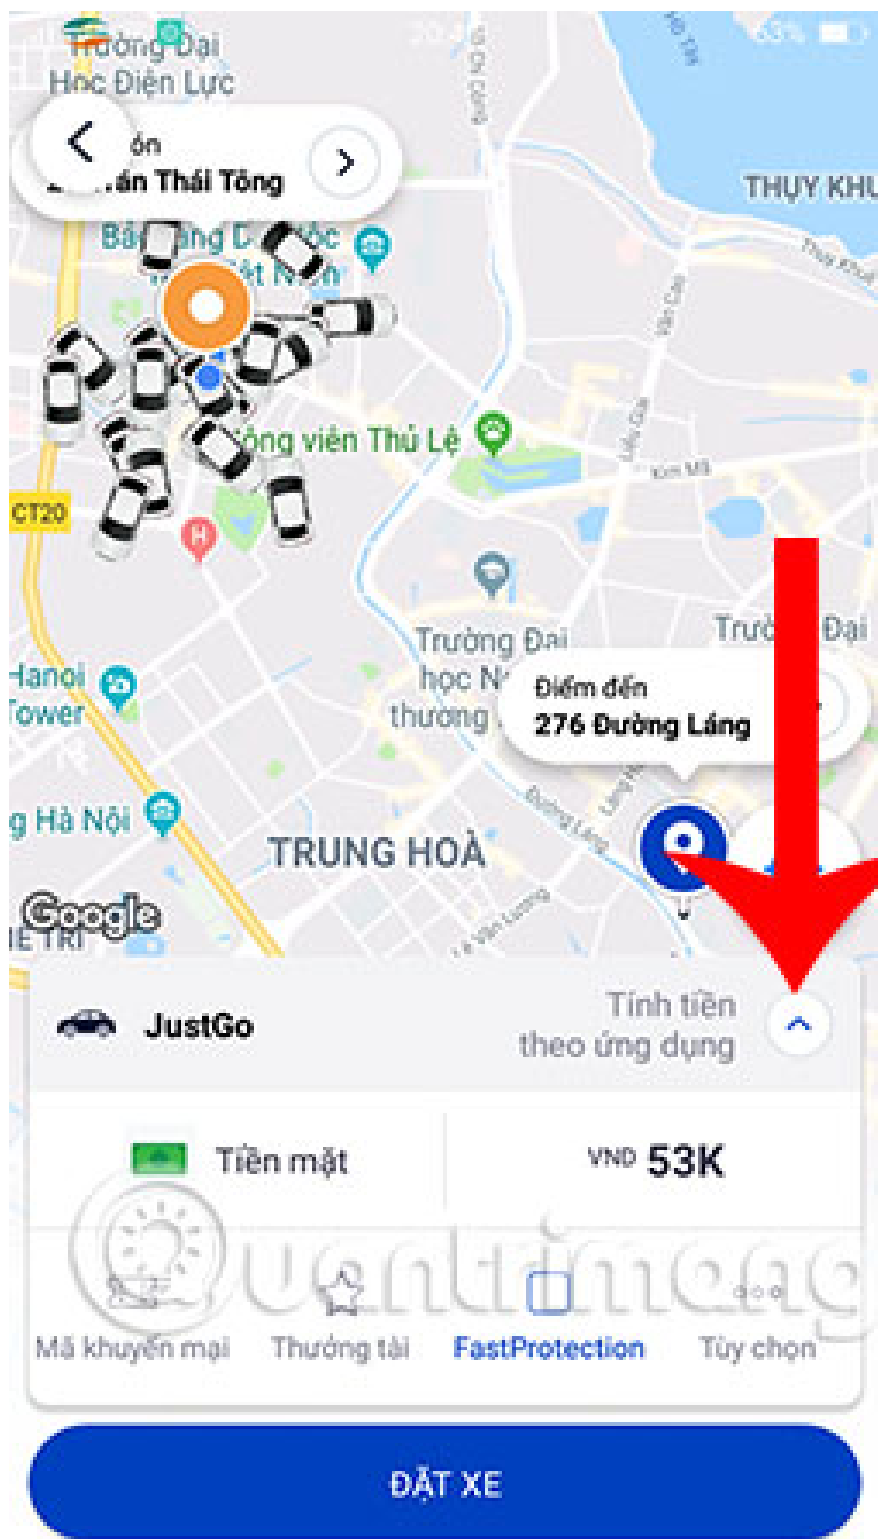

276 đường làng  
Phù Xuyên, Hà Nội, Việt Nam

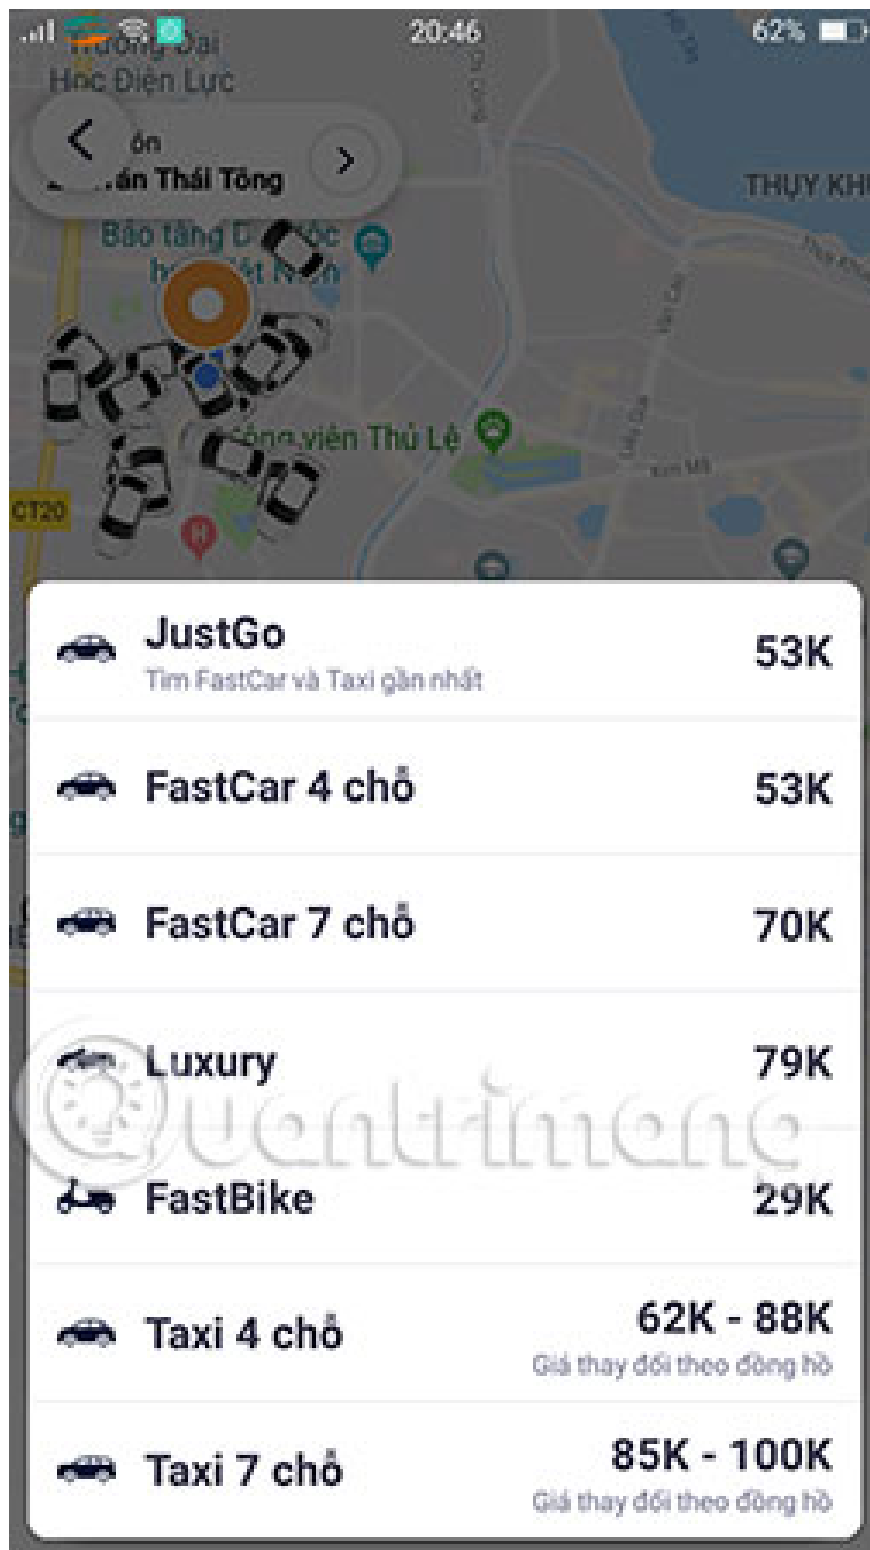

276 Đường Cao Tốc 08  
Tứ Liêm, Hà Nội, Việt Nam

276 Đường làng  
Thanh Trì, Hà Nội, Việt Nam

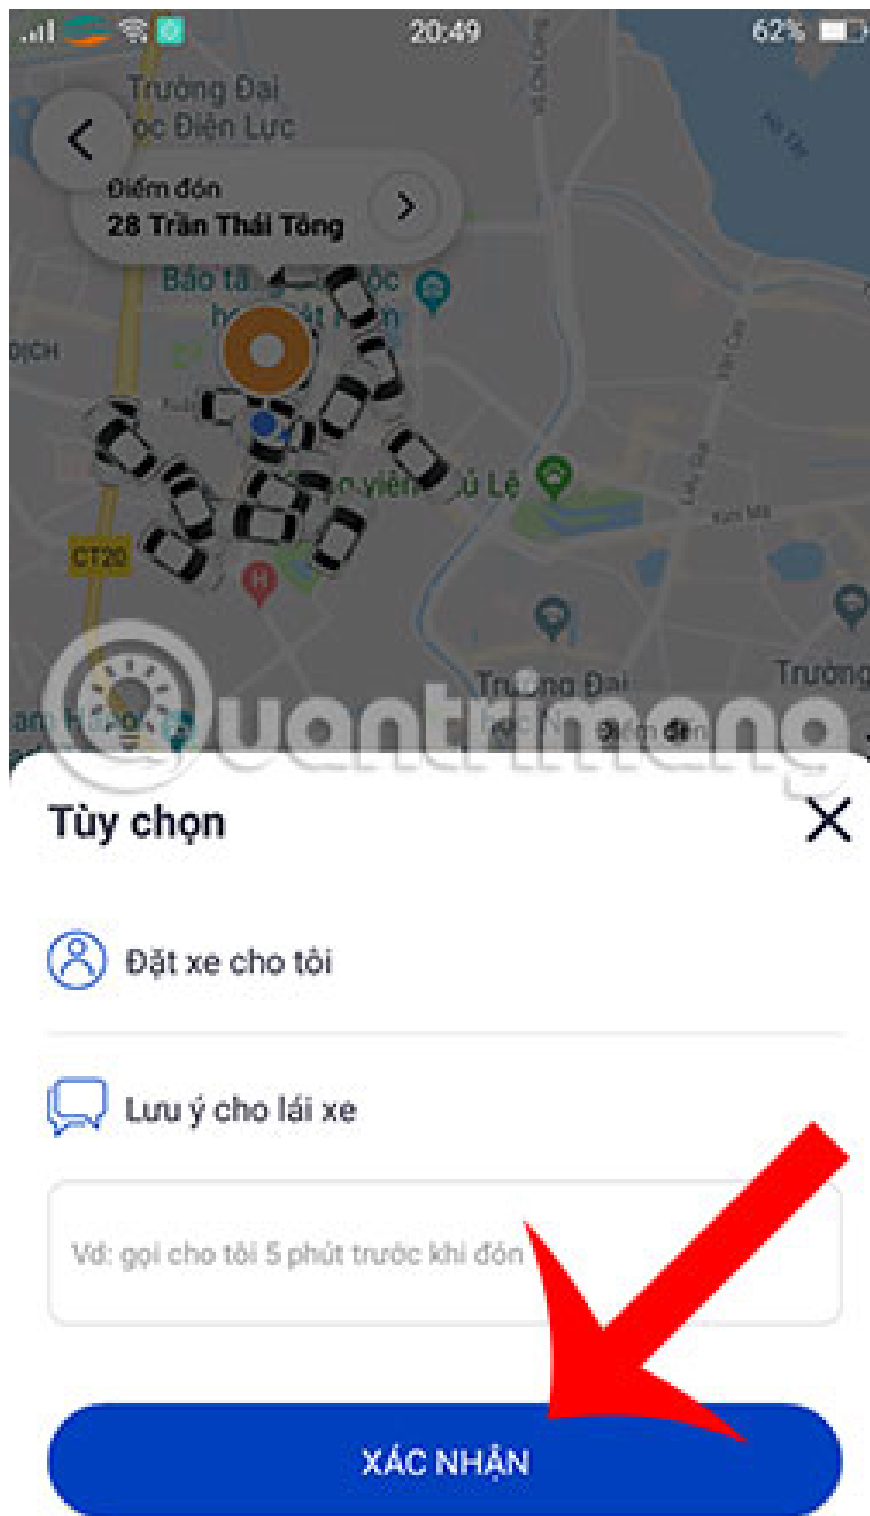

Once the location is selected, the application will display the amount corresponding to that distance. Here, you click on the **Calculation** item **according to the application** to see more different types of vehicles such as 4 seats, 7 seats or motorbike, each service has different price, so please refer and choose a type of vehicle suitable for your travel needs.

Next, you can choose to **enter the promotional code** if you have the code or **leave a message for the driver** in the **Options** section. Finally, click on **Confirm** to FastGo to find your car is complete, wait a moment will have FastGo driver contact you.

Above is how to call a car with FastGo application, you can choose to replace the car call service, previous car booking makes you feel uncomfortable and inappropriate. Hopefully, booking online via this phone will be a solution to help you move more conveniently and economically.
