Don't have a Microsoft account? [Sign up now](#)

Step 2: Here you need to fill out the information in the section **Create an account** .

Name: Your first name (First: first, Last: last).

User name: *The* name of the hotmail you want to create.

Create password: Create a password (at least 8 characters are case-sensitive).

Reenter password: *Re-* enter the password.

Country / region: *The* name of the country you live in.

Zip code: *Postal code* .

Birthdate: Date of birth.

Gender: Choose your gender.

The image shows a Microsoft account creation form. At the top left is the Microsoft logo. The main heading is "Create an account". Below this is a paragraph of text explaining that any email address can be used as the user name, and that existing accounts from Windows, Xbox Live, Outlook, or OneDrive can be used to sign in. The form fields are: "Name" with two input boxes containing "thuthuat" and "thuthuatphanmem.vn"; "User name" with an input box containing "thuthuatphanmem" and a dropdown menu for "hotmail.com"; "Create password" with an input box containing "*****" and a note "8-character minimum; case sensitive"; "Reenter password" with an input box containing "*****"; "Country/region" with a dropdown menu set to "Vietnam"; "Postal Code" with an input box containing "12345"; "Birthdate" with three dropdown menus for "September", "30", and "1991"; and "Gender" with a dropdown menu set to "Female". In the bottom right corner of the form area, there is a logo for "ThuThuatPhanMem.vn".

Step 3: Enter information to protect your account.

Country code: You select the area code of the country you are living in.

Phone number: *Your phone number* .

Alternate email address: *Alternate email address* , enter another email address, if you forget your password, Microsoft will send password reset information to this address.

In the white box you enter the image verification code above.

After entering all the above information, select **Create account** .
