

Instructions for creating a LinkedIn account

Creating a LinkedIn account will help jobseekers connect with employers who need to recruit people.

LinkedIn is a job-seeking social network, targeted at businesses, companies and employees, or for those in need of jobs and students . This social network will connect professionally between recruitment agencies and job seekers.

And like Facebook to be able to connect with each other, we also need to create a personal LinkedIn account, build the most basic information about ourselves such as qualifications, skills, work experience, etc. As So, employers can know about your basic information. LinkedIn is like an online CV to access attractive job opportunities. The network administrator will guide you how to create a LinkedIn account in the article below.

1. 5 tips to help you use LinkedIn better
2. 3 steps to attract employers on LinkedIn

Step 1:

First click on the link below to access the LinkedIn homepage.

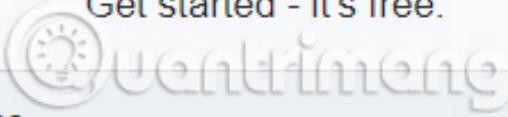

1. <https://www.linkedin.com/>

Step 2:

At the first name interface we will **enter LinkedIn account information** including: First Name (Name), Last Name (Last Name), Email, Password (Password) at least 6 characters. Then **click Join Now** to submit the registration information.

Be great at what you do

Get started - it's free.

First name

Last name

Email

Password (6 or more characters)

By clicking Join now, you agree to the LinkedIn User Agreement, Privacy Policy, and Cookie Policy.

Step 3:

Next to the **Security verification** interface, click on **Text my phone** , then convert **Vietnam code to 84** then enter your personal **phone number** in the **Enter your phone number box below** and click **Send code** to send the activation **code** to the homepage. Go to the phone for you, as a text message.

We wait for LinkedIn to send the confirmation code to the phone and then enter the code in the **Verification code** box and click **Verify code** to confirm the phone number.

Step 4:

Switch to the new interface as shown below, enter the country of **Vietnam** and enter **Hanoi post code is 10000** . If in another city you refer to the article Postal / Zip Code Postal List in Vietnam to know the postal code for the city you live in.

Click **Next** to switch to the next interface.

Let's start with your profile
This will make LinkedIn more powerful for you

Country *
Vietnam

Postal code (optional)

Next * Required information 

Step 5:

Next, enter your work name and company. In the case of a student, fill in the name of the school and the course. Click **Next** next below.

Let's start with your profile
This will make LinkedIn more powerful for you

Are you a student? * Yes No

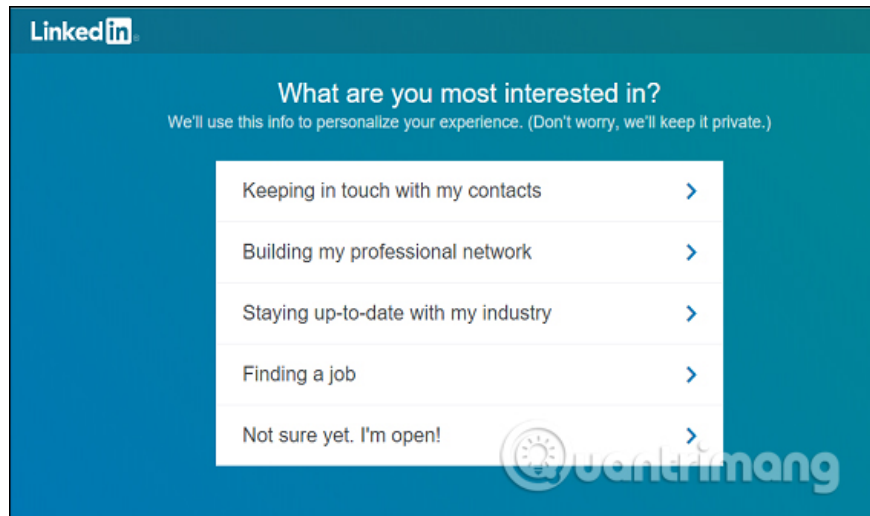

Job title *

Company *

Next * Required information 

Step 6:

Then choose **the purpose of registering your LinkedIn account** .

Step 7:

To the new interface, LinkedIn requires you to **enter the verification code sent in the email** . You enter the serial number sent in the email to the LinkedIn interface, then **click the green verification button** below.

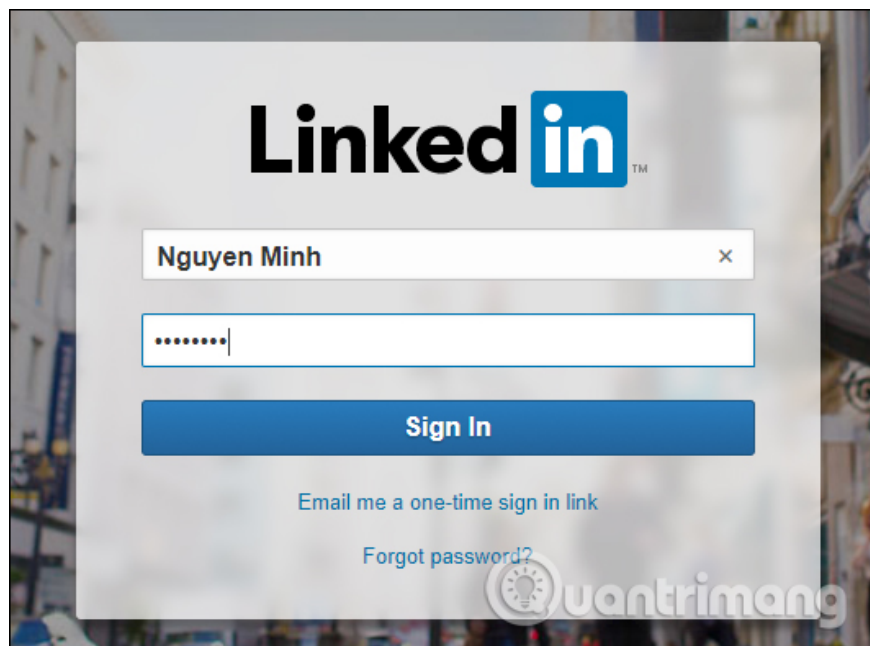

Next, in **the email content** that LinkedIn sends, click on **the email address verification button to register for a LinkedIn account** .

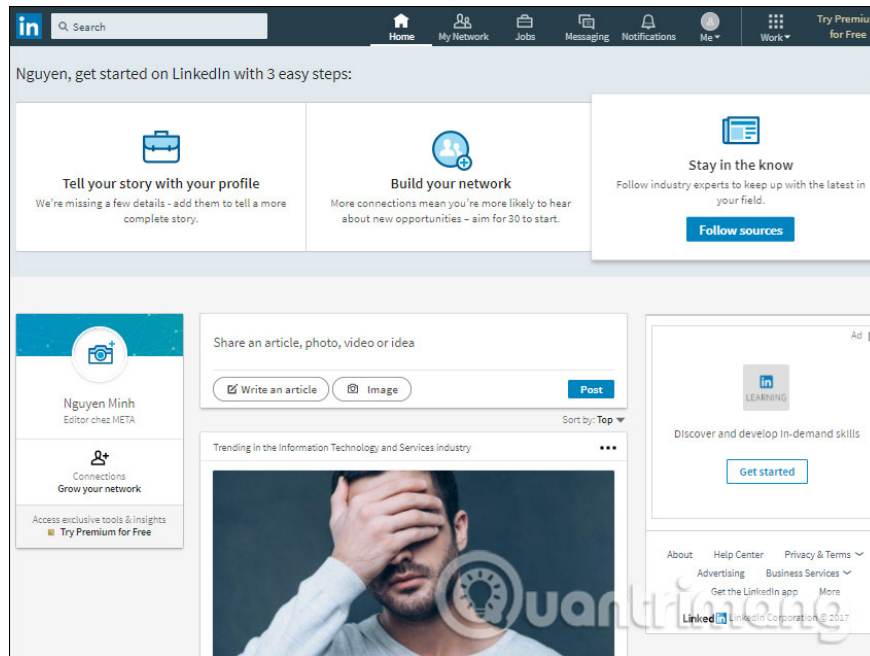

Step 8:

You will immediately be redirected to the **LinkedIn account login** interface. So we have completed the LinkedIn account.

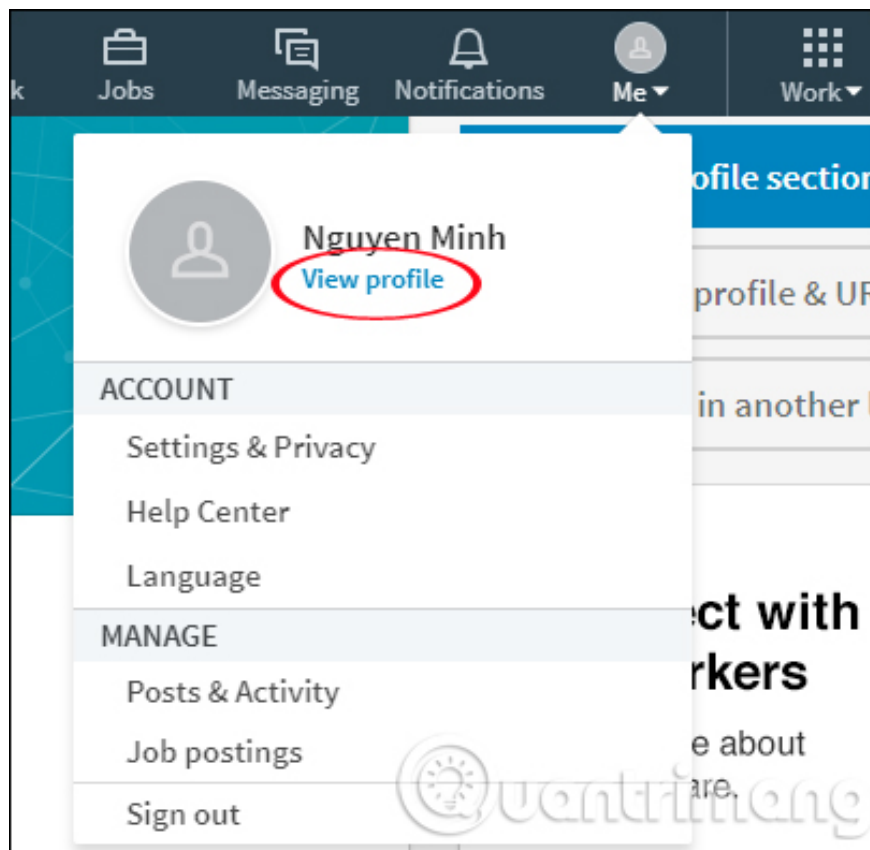

This is the first interface when you successfully login to your personal LinkedIn account. We can post articles like on Facebook.

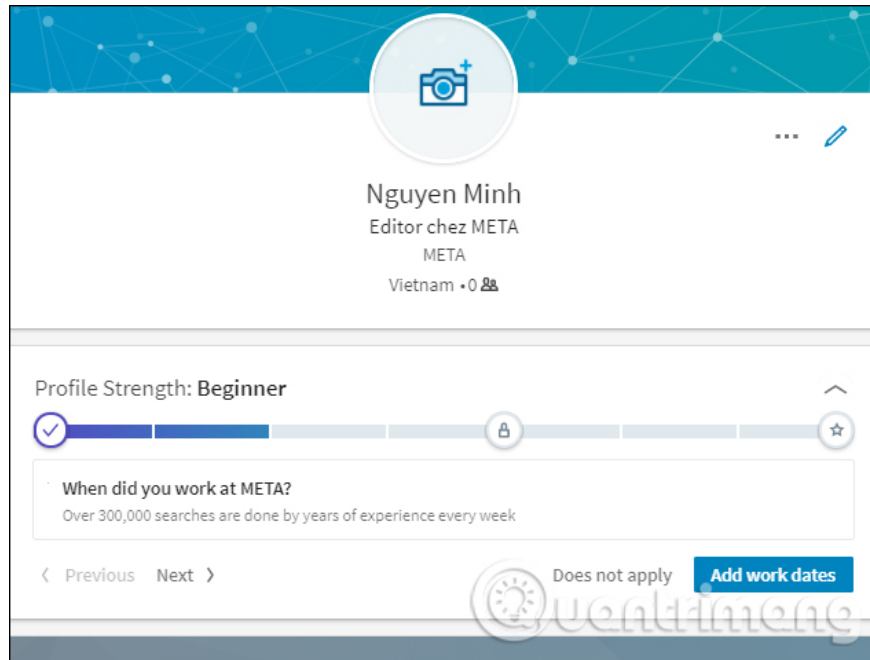

Step 9:

To change personal information for your LinkedIn account, click **the Me icon** above and then select **View Profile** .

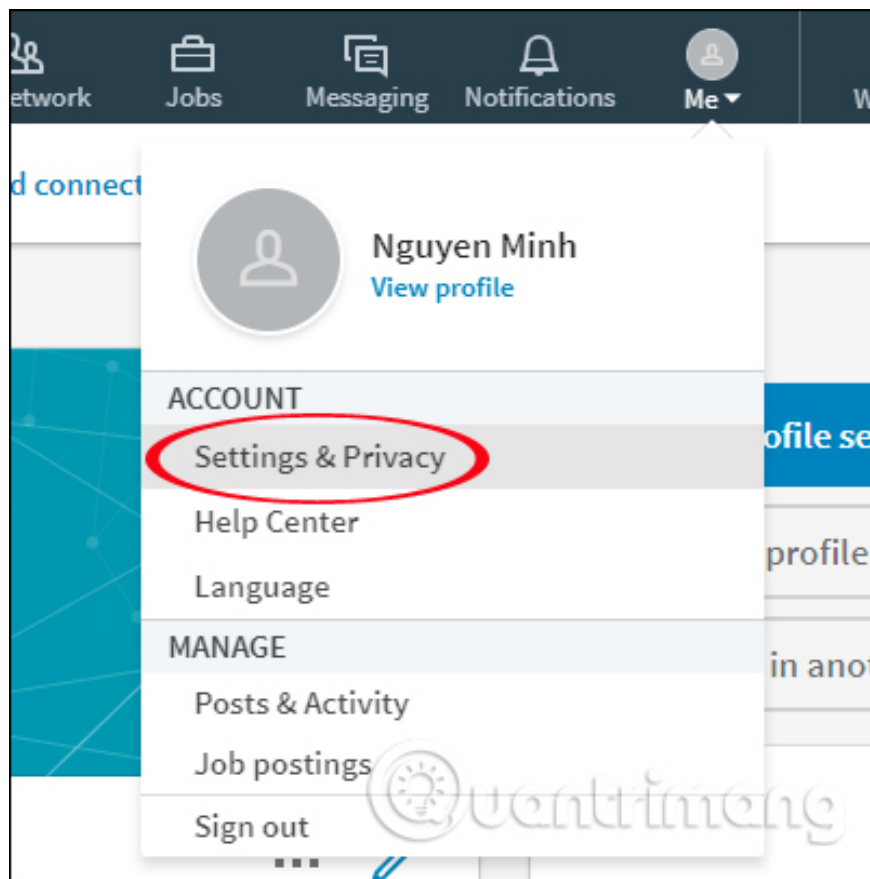

You can then edit your personal information in this interface.

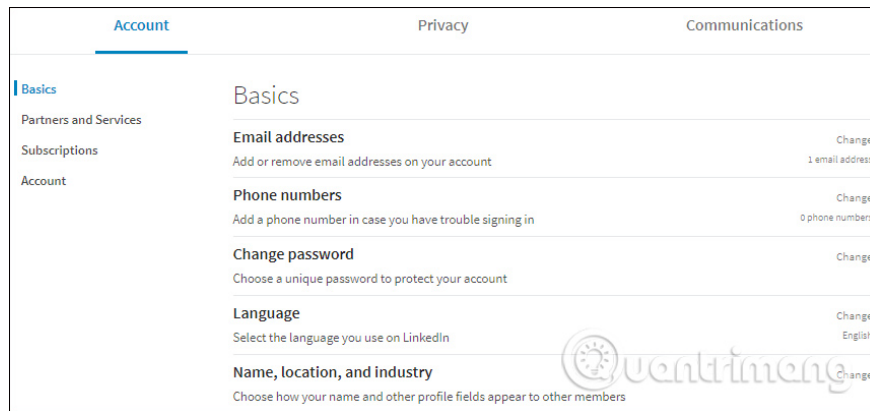

Step 10:

To edit settings and security for LinkedIn accounts, users also click on **the Me icon** and select **Settings & Privacy** .

Here you can edit account information such as changing email address, phone number, password, interface language in Account section, adjusting personal information display at Pavity, .

The above is a guide to creating a LinkedIn account, a job search account and a job introduction, a link between businesses and job seekers. With this account, users can more easily find jobs, or connect with LinkedIn members with the same area of work or issues that interest you.

I wish you all success!
