

Instructions for creating Origin account

With Origin account, you can buy and receive free titles from EA

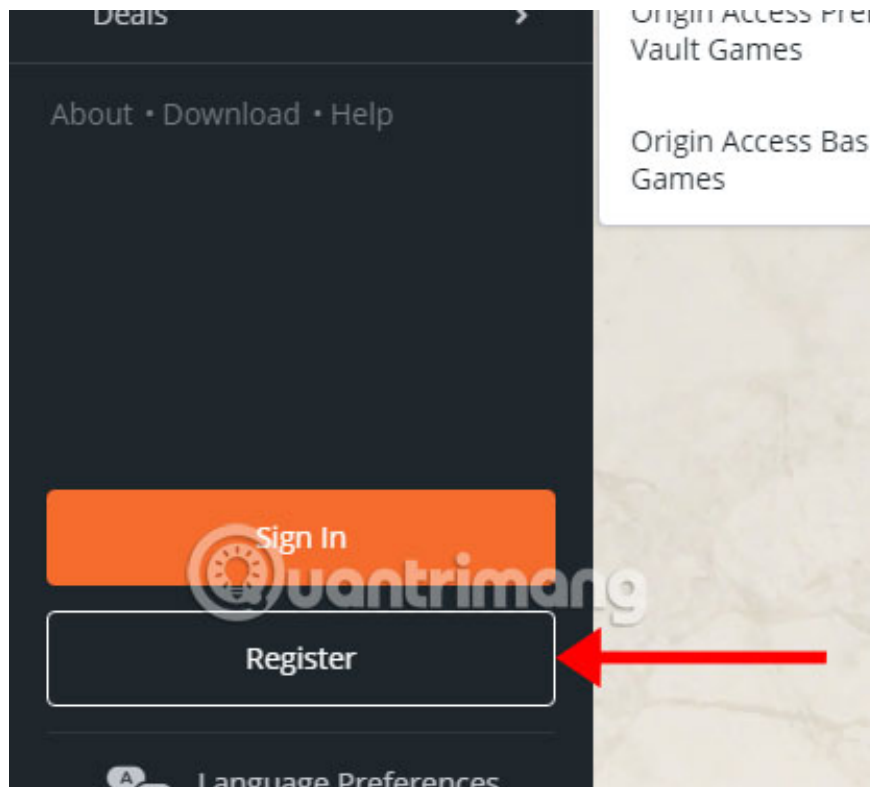

Like Steam, Origin is the distributor of Electronic Arts game products to players. Although Origin games are not as rich as Steam's, but Origin's game system is not so "lacking". The above games, though only distributed by EA, are still full of genres from action, adventure to sports .

Steam needs an account so you can download the game, and Origin also, you can see how to create the Origin account below this article.
