

You can enter a long paragraph, the application will turn into reverse text in real time. Once you stop typing, you can copy the reverse paragraph to use and share in the chat application. Quite fast and convenient.

2. Reverse the word with Lunicode

Step 1: Access the website Lunicode

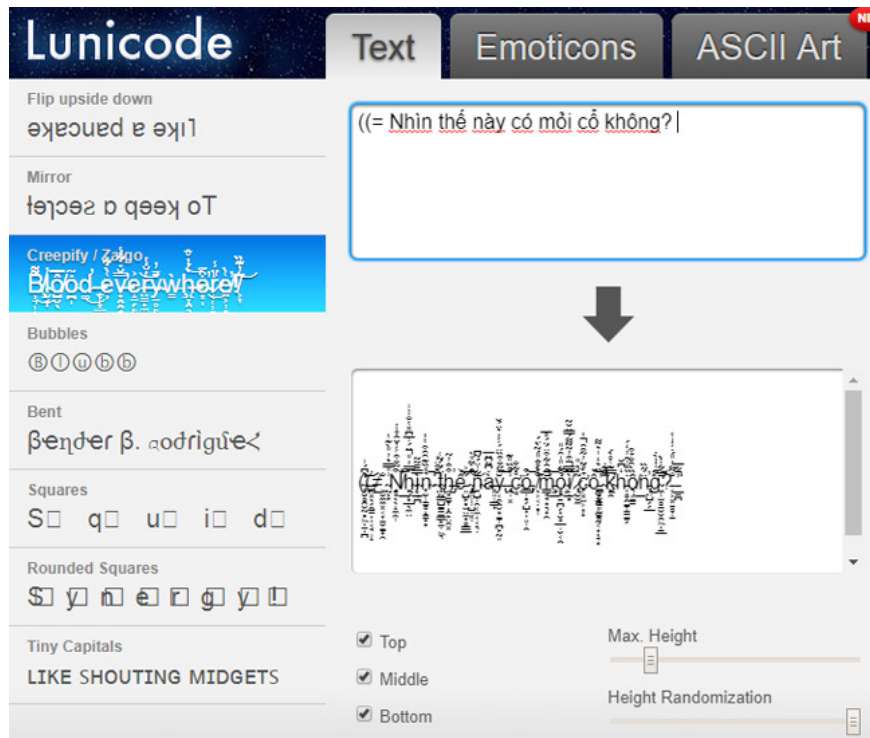

1. <https://lunicode.com/>

Step 2: Select Text, enter the text to be reversed

Picture 2 of Instructions for creating reverse text

Step 3: Copy the text that has been reversed and share it with friends

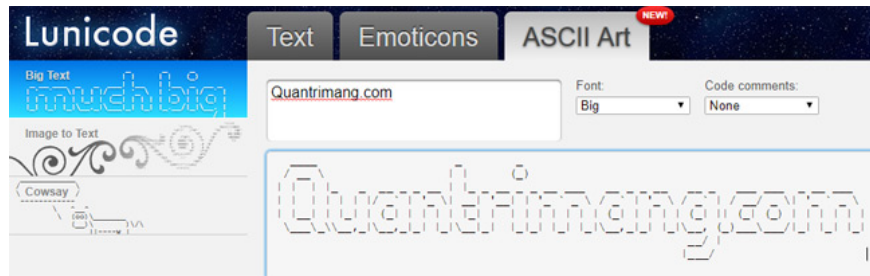

In addition, this website has many interesting options such as special letters, special Facebook characters:

Choose a unique font you want to write
