

Instructions for creating a connected heart signature background

The heart-shaped signature wallpaper will help you have beautiful computer or phone wallpapers, Facebook cover photos, expressing your love for your partner.

The heart-shaped signature wallpaper will help you have a beautiful computer wallpaper, phone wallpaper, or Facebook cover photo, expressing your love for the other person. You just need to enter the names of 2 people and add your love confessions to the other person to give them to have a beautiful wallpaper. Below are instructions for creating an online heart-shaped signature wallpaper.

How to create heart signature wallpaper online

Step 1:

First, you access the link below to go to the page to create a heart-connected signature wallpaper.

<https://taoanhdep.com/tao-hinh-nen-chu-ky-trai-tim-noi/>

Step 2:

At the website interface, the user needs **to enter 2 names to display** in the background image to create.

The screenshot shows a web form with two input fields. The first field is labeled "Nhập tên 1*" and contains the text "Nhập tên 1". The second field is labeled "Nhập tên 2*" and contains the text "Nhập tên 2". A watermark logo for "Uantimang" is visible in the background of the form.

Step 3:

Then you **enter a caption that will appear** in the background image with a quote, or whatever you want to send to the other person. The website has an additional **Caption template option** for you to choose from.

Finally, we **click on the Create Image button** below to do it.
