1. If you register an account, or upgrade to a Pro account, you will be able to choose better music and video quality.

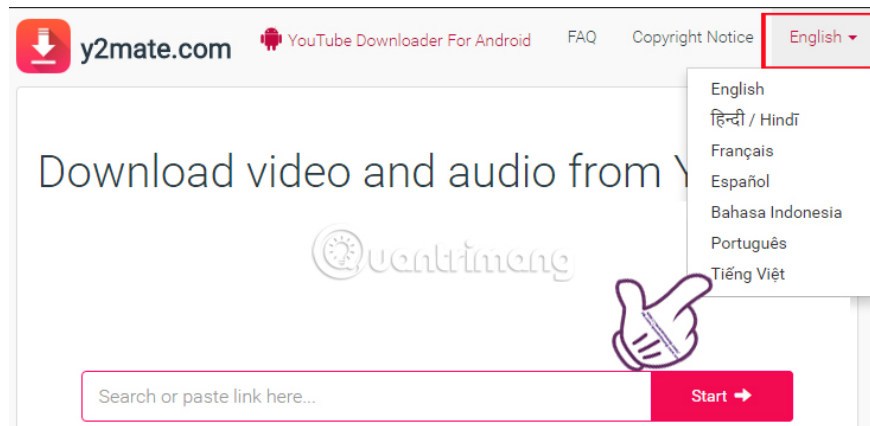

## 2. Tools y2mate online download videos, mp3 Youtube:

First of all to be able to download videos or mp3s on Youtube, you need to visit the y2mate website on the link below:

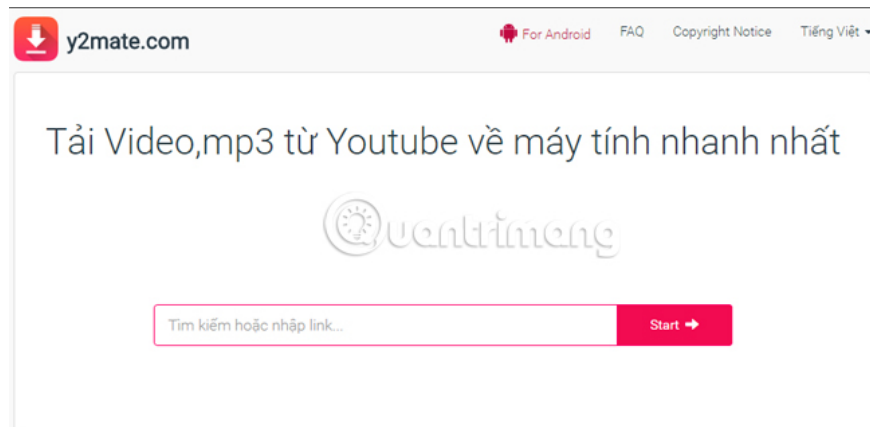

## 1. Download Youtube videos with y2mate online

### Step 1:

After clicking on the link above, y2mate has the interface as below. By default, y2mate will be in the English interface. We can change to Vietnamese interface for easier use. Click on **English** and then select **Vietnamese** language.

Soon, the y2mate interface will be converted to Vietnamese as below.

### Step 2:

We will scroll down, in the horizontal frame, you will **paste the URL of the Youtube video you want to download** there.

### Step 3:

You wait for a few seconds to y2mate analyze the video. Soon, below **the MP4 section**, we will see **a list of the video's resolution** attached to the video size of each type of resolution. We can download videos with the highest quality up to 720 m-HD. Select one of the resolutions then press the **Download** button to download the Youtube video to the device. For example, I chose 720 m-HD quality.

Finally, you just need to wait for the video to download. Use video playback programs like KMPlayer, Windows Media Player, . to watch videos as usual.

mp4	Audio	webm	other
Resolution	FileSize	Download	
720p <span>m-HD</span>	<i>NaN</i>	  Tải về	
360p	10.6 MB	 Tải về	
240p	5.9 MB	 Tải về	
144p	1.9 MB	 Tải về	

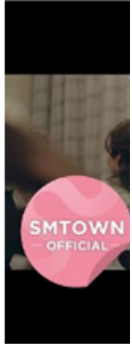

Depending on the size, the time and the video resolution you want to download, the time for y2mate to download Youtube videos is fast or slow. Overall, y2mate has fast video download speeds.

## Step 4:

To **download YouTube audio with y2mate** , we also copy the URL link of the Youtube video we want to download. At the bottom, we will click on the **Audio** item.

<https://www.youtube.com/watch?v=pa6ny7pbwjo>

mp4	Audio	webm	other
Resolution		FileSize	Download
720p <small>m-HD</small>		NaN	 Tải về
360p		11.5 MB	 Tải về
240p		6.4 MB	 Tải về
144p		2.3 MB	 Tải về
