

# Instructions for downloading One Plus 6 extreme wallpaper for phones

OnePlus 6 has an amazing new set of wallpapers. This phone model uses 2K and 4K resolution wallpapers. Extremely beautiful wallpaper and familiar slogan Never Settle.

OnePlus is the most popular and sought-after phone line after Android because of its beautiful design, outstanding features and perfect hardware. The specs of this phone can make other Android phones shame. And recently, they released the OnePlus 6 in many parts of the world. You can find out more about the OnePlus 6 phone on its homepage.

And as always, the OnePlus 6 has an amazing new set of wallpapers. This phone model uses 4K and 2K wallpaper sets. Extremely beautiful wallpaper and a familiar slogan "Never Settle". According to news published on XDA forums, the wallpaper is specially designed to highlight the beauty of the borderless screen and does not affect the icons.

If you do not want to wait for these wallpapers to be available online, you can download them from dropbox and enjoy them on your old OnePlus phone or (basically) on any device. However, these wallpapers have a very high resolution, so low-end smartphones won't be able to handle them properly or the device will be slow.

Download the OnePlus 6 wallpaper here. Downloaded files are wallpapers in JPEG format at different resolutions. You must choose the resolution that is appropriate for your phone. OnePlus 6 wallpapers are available at 2K and 4K screen resolutions and you can easily use them on any device, including iPhone, Samsung Galaxy.
