Want to download videos on facebook to your computer, you can choose the manual download method, but that will take a long time. You can use the support website to help download videos on the facbook to your computer quickly.

The article introduces 3 websites to help you download videos on facebook quickly.

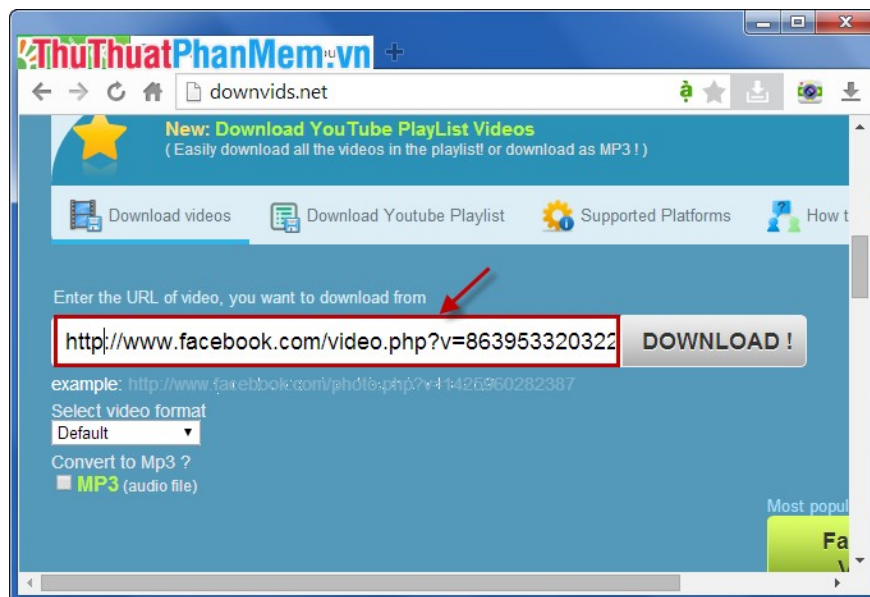

First you need to copy (copy) the video link on facebook.

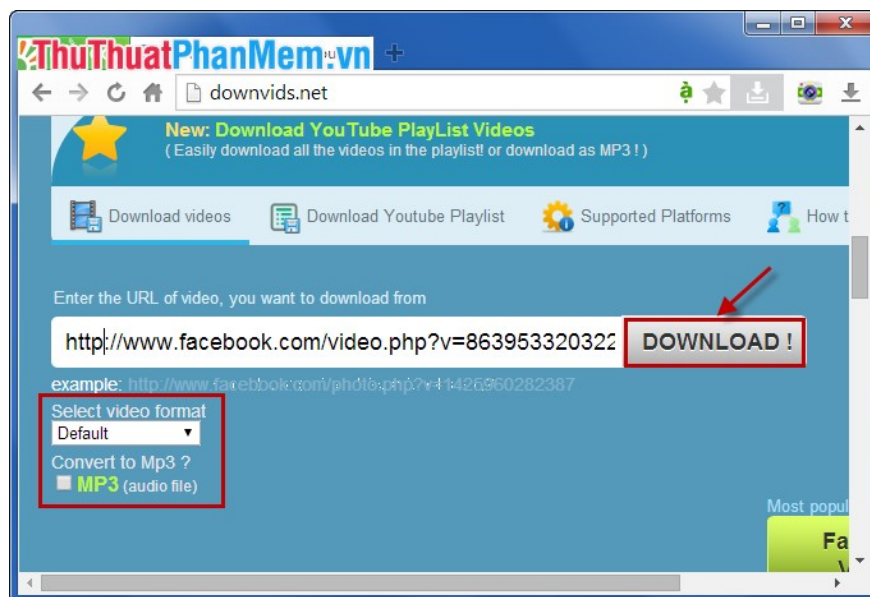

1. Use the website <http://downvids.net/>.

You access the website <http://downvids.net/>.

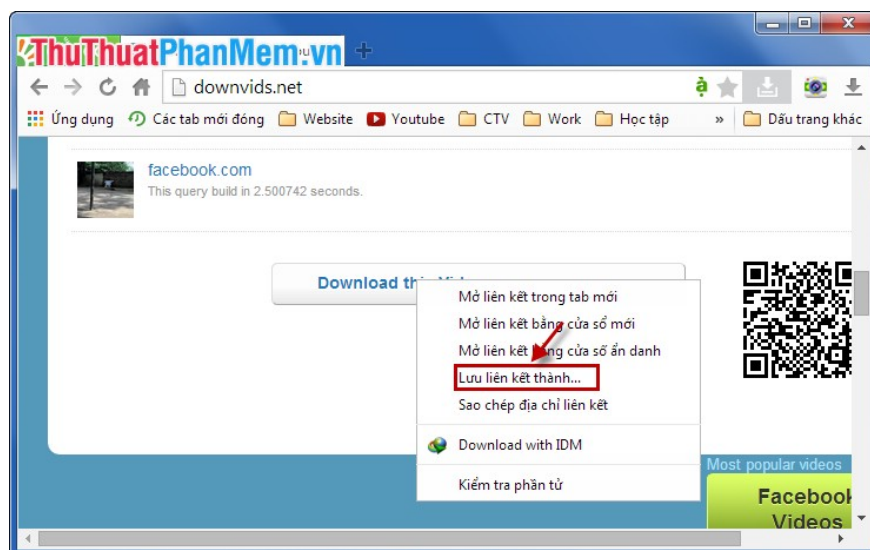

Paste (paste) the copied link into the text box next to the **Download** button , you fix *https* to *http* .

Next, you can choose the quality for the video after downloading in **Select video format** , if you want to convert the video into mp3, select the tick in the square of the **MP3 (audio file)** . Then click **Download!** .

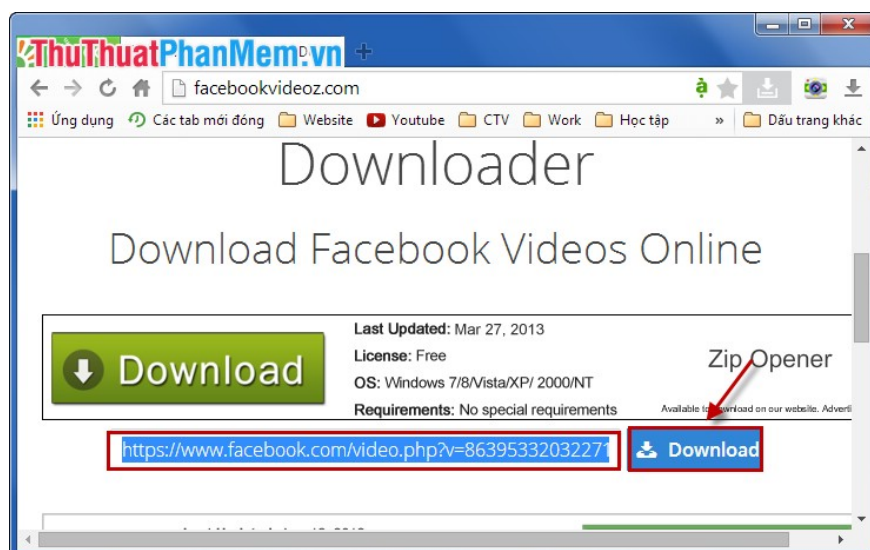

You right-click **Download this Video (Right Click and Save as)** and select **Save link as** . to download the video to your computer.

2. Use the website <http://facebookvideoz.com/>.

You access the website <http://facebookvideoz.com/> and paste the video link on facebook into the text box next to the **Download** button and then click **Download**.

You can then select the quality of the downloaded video: **Download Low Quality** (download with low quality), **Download High Quality** (download with high quality) by right-clicking on the download box you want and selecting *Save link link into* . and download it to your computer.

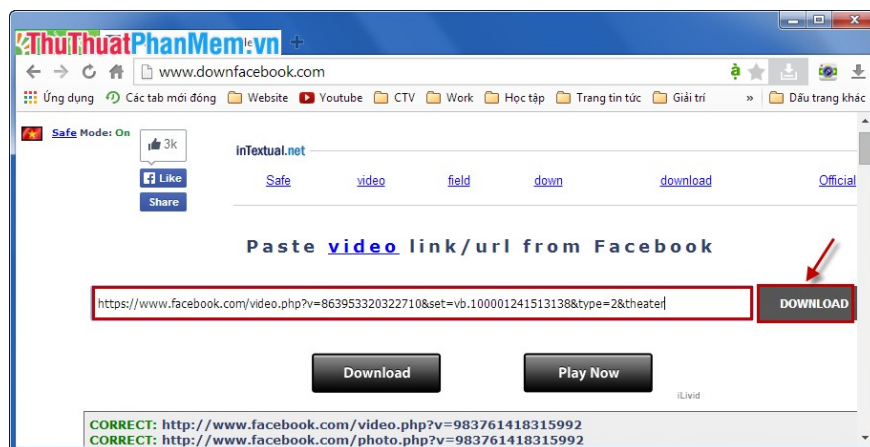

To quickly download you add *videoz* text before *facebook* in the video link on facebook.

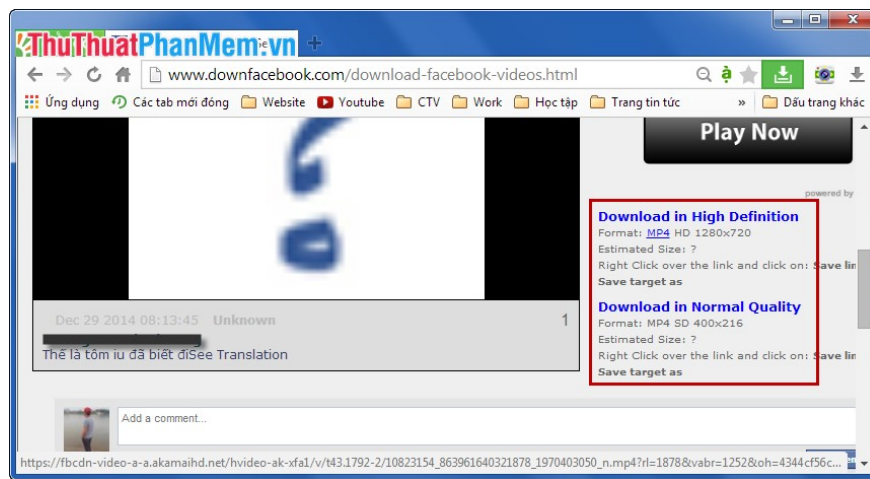

3. Use the website <http://www.downfacebook.com/>.

Visit website <http://www.downfacebook.com/>.

Next, you paste the link in the white text box next to the **Download** button , then click **Download** .

Next you choose the quality for the download video: **Download in High Definition** , **Download in Normal Quality** and download to your computer.

To load fast you add text *down* before word *facebook* in video on facebook path.

Very quickly you have downloaded videos on facebook to your computer, you can choose for yourself the best way that suits your needs and purposes. Good luck!
