To play Confetti in the most stable way, you should fully charge the battery, in a quiet place and have the most stable network speed. Avoid feelings of inhibition when you know the answer and experience lag when playing. If you want to avoid calls you can turn on airplane mode when playing.

Confetti tips are you ask someone else to sit at a computer with the fastest network speed possible, and have the fastest typing speed possible to type the question given by the MC, you only have 10 seconds to do so make it as fast as possible.
