Step 2: The first battle will be at Him Lam Hill, this is the opening battle in the Dien Bien Phu campaign.

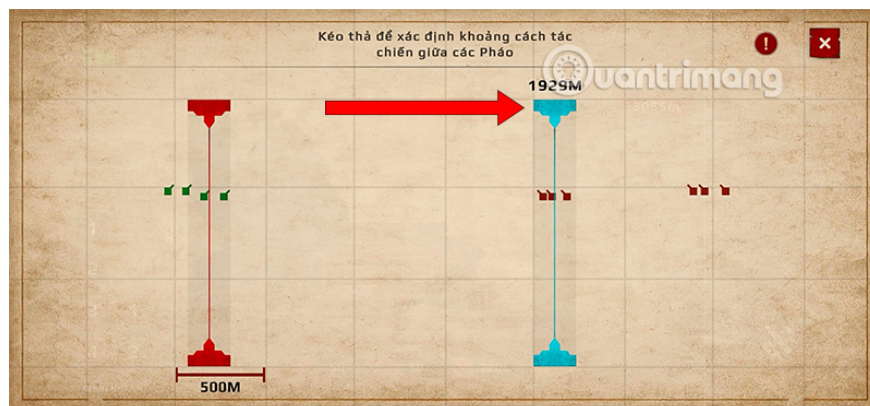

Step 3: Here are the parameters you need to pay attention to, which are the number of cannons (1) you have and the firing coordinates of the cannons (2). In the list of cannons you have, you should also pay attention to the decoy cannons, these are the types of cannons that attract enemy artillery so that ground cannons can attack the enemy cannons.

In the picture you see there are 4 ground cannons and 2 decoy cannons, click on each ground cannon and drag up and down the coordinates to change the coordinates of the cannon,

Step 4: Drag the blue coordinates onto enemy artillery shells to determine their coordinates.

Step 5: For each artillery strike, you should adjust the coordinates for each enemy artillery strike separately. 4 artillery strikes will be aimed at 4 enemy artillery strikes. If there is a lack of artillery strikes, you will have to use decoy artillery strikes, with the purpose of directing the enemy artillery strikes at these decoy artillery strikes. In order to avoid damaging the ground artillery that is attacking the enemy artillery strikes.

Of course, equipment will run out if you use it, so before each match, you will have to go to the Equipment section in the game to buy items, ammunition and necessary weapons to upgrade your army.

Meaning of the game Dien Bien Phu 56 Days and Nights

The Dien Bien Phu Campaign took place from March 13, 1954 to May 7, 1954, after 56 days and nights of resilient and intelligent fighting by the Vietnamese army and people under the leadership of the Party and Uncle Ho. The campaign ended with a resounding victory of the Vietnam People's Army with the famous saying - "famous in five continents, shaking the earth", destroying the strongest stronghold of the French army, contributing significantly to the end of the resistance war against the French colonialists.

The game is not only a form of entertainment but also has many important meanings in recreating and honoring the Dien Bien Phu Campaign:

1. **Re-enacting history:** The game gives players, especially the younger generation, the opportunity to "relive" one of the nation's greatest victories. Instead of just reading books, they can directly participate in an interactive way, making the acquisition of historical knowledge more interesting and profound.
2. **Understanding tactics:** By putting players in the position of commander, the game highlights the importance of strategy, determination and solidarity of the Vietnam People's Army during 56 arduous days to achieve a victory that "resounded throughout the five continents and shook the earth".
3. **Honoring the national spirit:** The game is a product that shows pride in history, contributing to spreading the values of courage, intelligence and resilience of the Vietnamese army and people.
