

# Instructions for pre-registration for the survival game Eclipse Isle

NetEase is about to launch Eclipse Isle, a new Battle Royale game with RPG elements, creating a difference from other games of the same genre. Currently, players can pre-register on Android and iOS to be ready to experience the game when it is officially released.

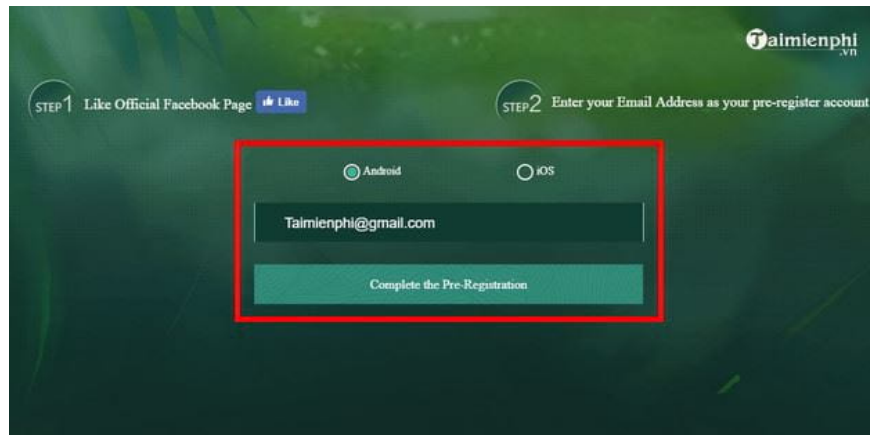

Eclipse Isle is NetEase Games' first Hero Battle Royale title for mobile. The game combines hack and slash action, role-playing, and survival tactics, providing a tense, dramatic experience.

## *Instructions for pre-registration for the survival game Eclipse Isle*

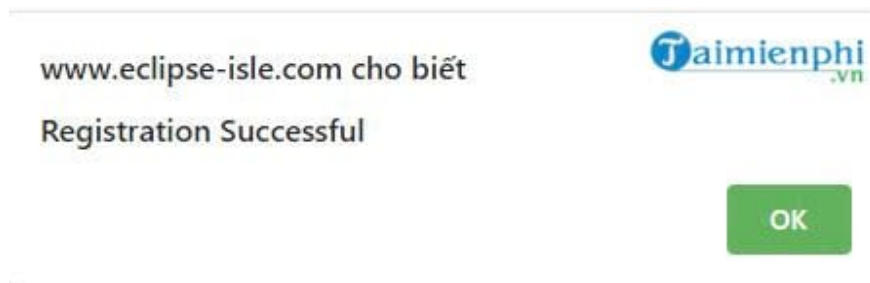

**Step 1:** Access the game homepage via the link **Here** , then click **Pre-Register** on the main interface.

**Step 2:** Select **Android** or **iOS** operating system, enter **Email** , then click **Complete The Pre-Registration**.

When the message **Registration Successful** appears , it means you have successfully registered.

Pre-registration rewards will be distributed within 30 days of the game's launch. Players need to link their accounts to receive rewards.

Eclipse Isle is a mix of Battle Royale and MOBA, where 60 players compete to be the last one standing. You land on a large island, scavenge for items, and hunt down opponents.

The game offers a variety of unique skills, from tracking enemies, summoning boxes, to camouflaging yourself as a tree. With eye-catching graphics and innovative gameplay, Eclipse Isle is an engaging survival experience. If you're interested, pre-register now to be ready to explore when the game launches!

**Call of Duty Mobile** is an attractive first-person shooter game since its launch. Players can move freely, use a diverse arsenal and experience a rich character system. The game has impressive 3D graphics, realistic fire and smoke effects, bringing an experience not inferior to the PC version. If you love tactical shooting games, Call of Duty Mobile is definitely worth a try!
