

Instructions for reviewing WhatsApp group participants

To secure the WhatsApp group and the content in the WhatsApp chat group, the Admin should control who joins the group. At that time, those who want to join the WhatsApp group must submit a request and Admin review to be able to access the group.

WhatsApp chat groups can still be viewed by others when they are accessed by strangers. And to secure the WhatsApp group and the content in the WhatsApp chat group, the Admin should control who joins the group. At that time, those who want to join the WhatsApp group must submit a request and Admin review to be able to access the group. The following article will guide you to review WhatsApp group participants.

How to review WhatsApp group participants

Step 1:

First, the user accesses the WhatsApp application and then clicks on the WhatsApp group that you are managing and want to control who joins the group. Next, **click on the** WhatsApp group name displayed above the interface.

Displaying the setting options for the WhatsApp group, users look below and then click on **Group Settings** below.
