

# Instructions for sharing WhatsApp stickers

The WhatsApp sticker store has many interesting sticker templates, including stickers created on WhatsApp from your images. And we can share WhatsApp stickers with others so they can quickly download that sticker pack to their account without having to search in the WhatsApp sticker store themselves.

The article below will guide you on sharing WhatsApp stickers.

## How to share stickers on WhatsApp

Step 1:

At the interface on the WhatsApp application, click on the account you want to share the WhatsApp sticker. Next, click on the sticker icon as shown. Display the options below, click on the sticker icon.
