Purchasing in Amazon you can order any product online and pay via card. However, if you are a person who has not purchased goods on **Amazon** before or you do not know how to purchase on **Amazon** , you can refer to the steps on **Amazon** purchase below of Network Administrator.

What is Amazon?

Amazon Is a multinational e-commerce company based in the United States. Headquartered in Seattle, Washington, this is the largest online retailer in the United States, with internet sales nearly three times higher than its second-ranked sales in the same field, Staples. Inc at January 2010.

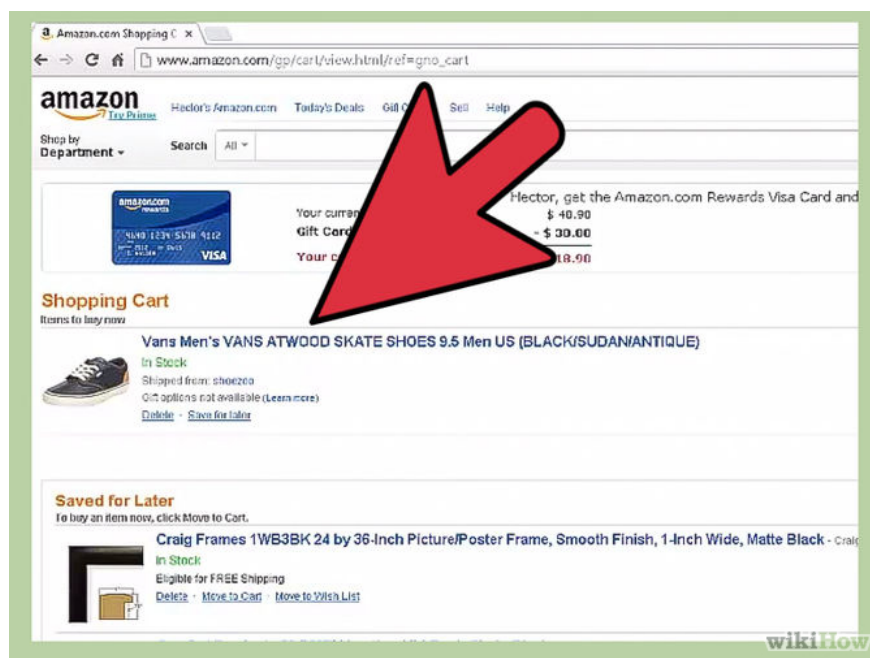

In addition to providing self-produced quality products, Amazon is also a consignment center focusing on many reputable stores and sellers in the US. Therefore, Amazon is known as the world's largest online hypermarket with a wide variety of goods from popular brands. To attract shopping, Amazon regularly discounts products 60-80%. This is a shopping paradise for customers in the US and around the world. Amazon is known to be one of the most reputable sales websites in the world with consumer protection policies, quality assurance, shipping time to the address in the US only 2-4 days.
