

# Instructions on how to create a chat group on Zalo

Creating a chat group on Zalo will help users more easily in the exchange process, especially using many attractive features for chat groups such as implementing Live stream for the chat group on Zalo.

Today, the use of chat, texting and voice calls to become a means of communication has become familiar. We can text for free, make voice calls or even make video calls to friends when there is a stable connection. And in the process of contacting friends, if there is a need for the same purpose to exchange with some people, we should create a chat group like on Zalo, for example, to be more convenient when texting.

In particular, when users make a successful chat group on Zalo, they will receive a lot of attractive features, especially playing video directly on the Zalo chat group. If you are new to Zalo and do not know how to create Zalo chat group, please follow the article below of Network Administrator offline.

1. Download Zalo software for free
2. Download Zalo for Android for free
3. Download the Zalo app for free

## Video tutorial creating Zalo chat group

### Step 1:

First, you need to **log in to the Zalo application account** on the device. At the main interface, click on **the humanoid icon** . In the **Groups** section, we will click on **Start** to proceed to create the group.

### Step 2:

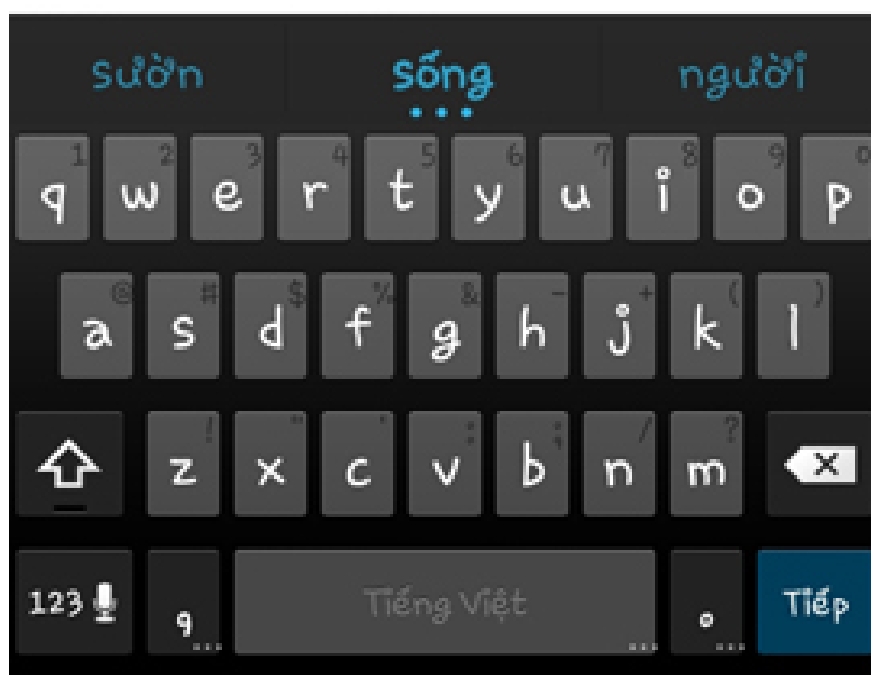

Next, users will be transferred to the **list of friends on Zalo** . Enter a friend's name above to search faster, if your Zalo list is large. To select participants in the chat group on Zalo, we just need **to check the box next to the name of the friend account** .

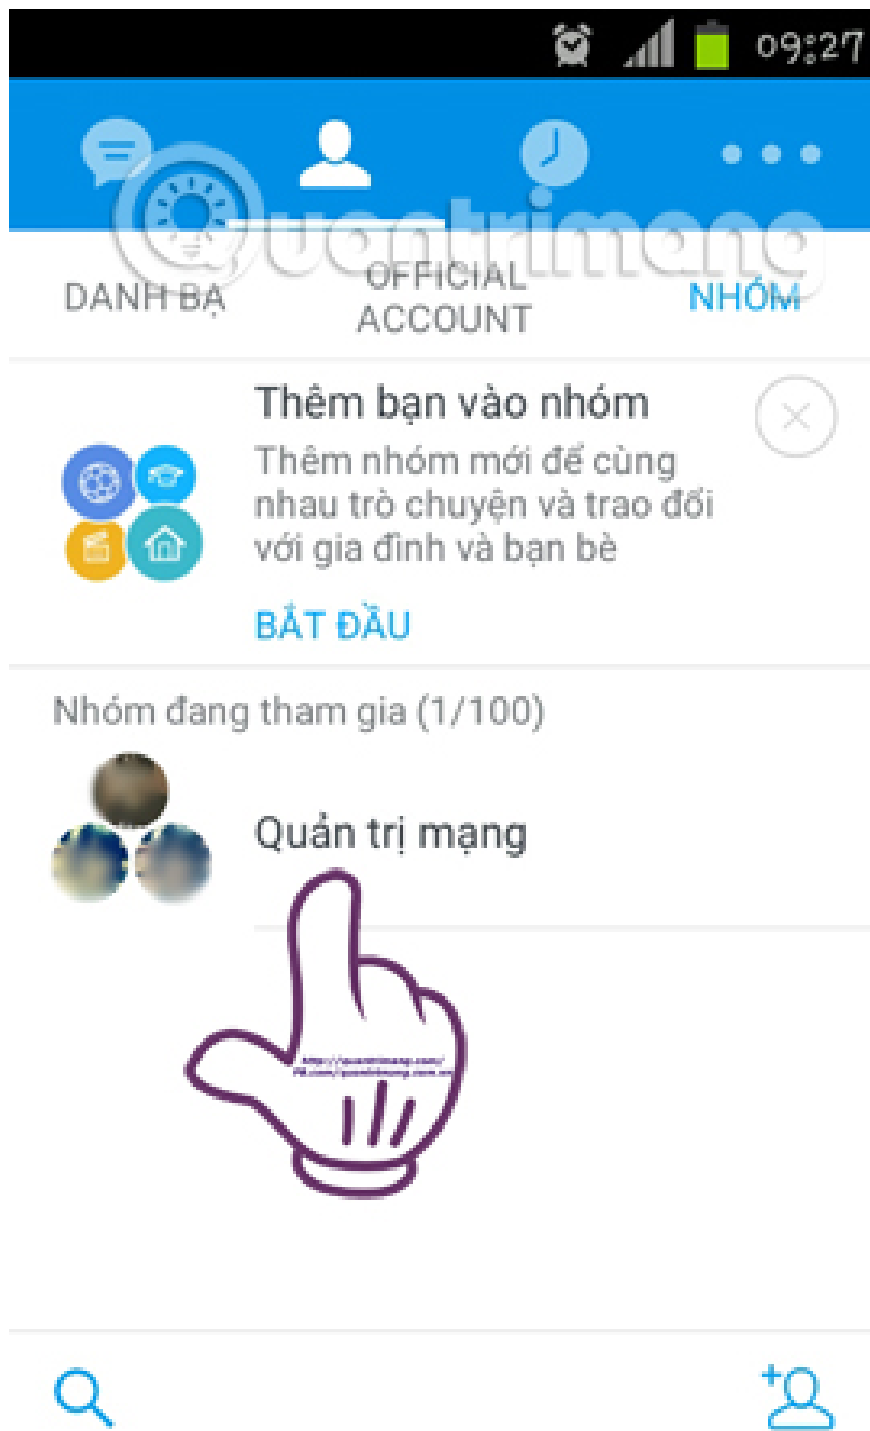

The number of members in the chat group on Zalo reached nearly 100 people. Then, click the **Next** word on the top right of the screen. Switch to the **Group Information** interface, give a name to the chat group on Zalo, select the avatar for the group when clicking on the camera icon. Finally click the **Save** icon on the top right of the

screen.

Thus, when returning to the Group view on Zalo, we will see the newly created group. You are allowed to create 100 groups on Zalo.

### Step 3:

Once you've created the group and access the group, click on **the 3 dashes** on the top right. There are options for the group chat with your group manager. To leave the group, click the **Leave group** option. The application will ask if you are sure you want to leave the group, click **Yes** to leave the chat group on Zalo.
