Thăng Điên

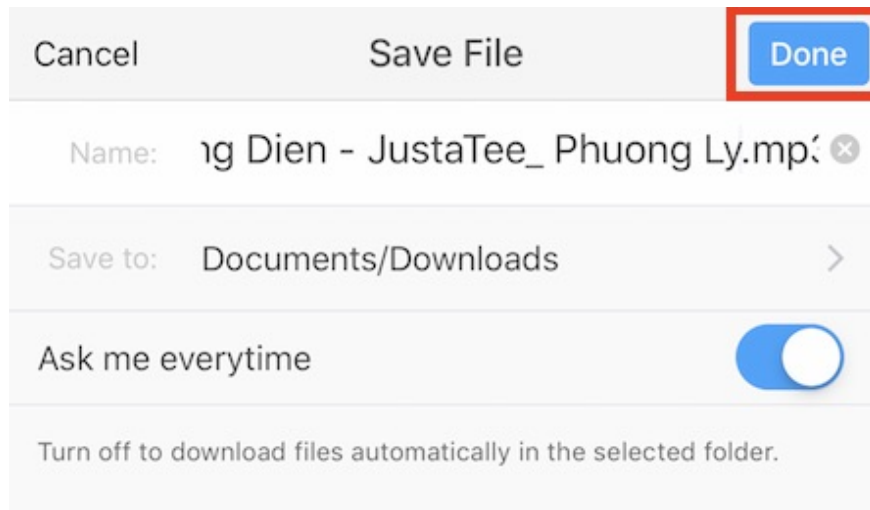

Step 5 : Choose *the format for the song* you want to download.

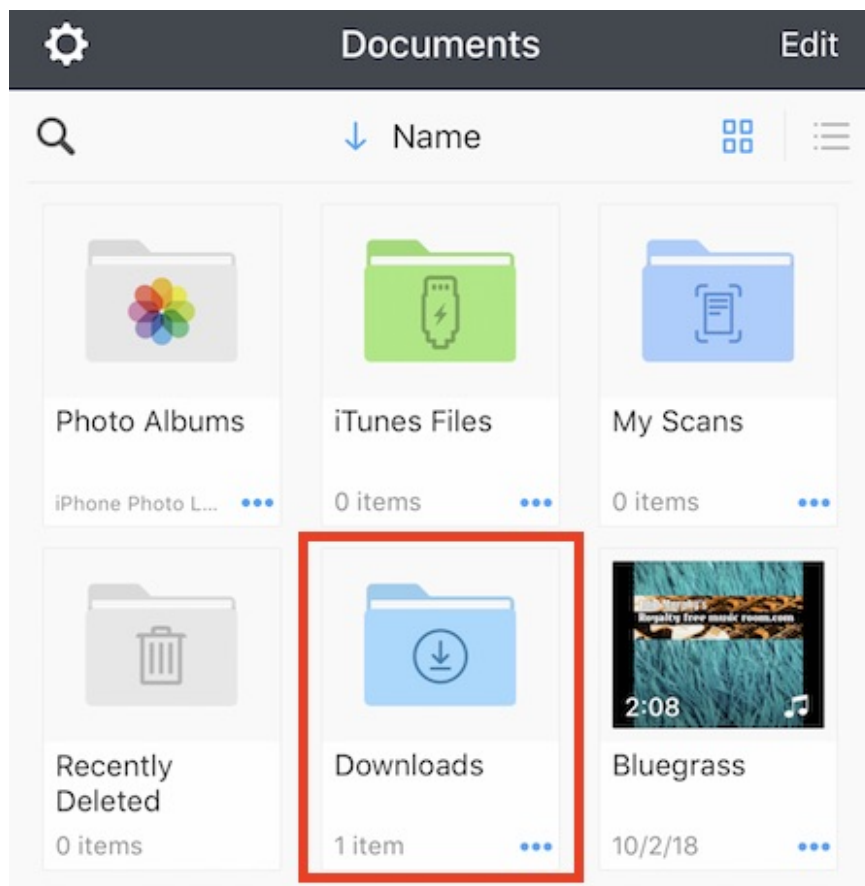

The screenshot shows a mobile application interface for a music website. At the top, there is a navigation bar with a menu icon, the logo 'CSN chiasenhac.com', and a search icon. Below the navigation bar are tabs for 'Thông tin', 'Downloads', 'Playlist', 'Cùng ca sĩ', and 'Liên quan'. The current page is 'Trang chính > Việt Nam > Pop, rock... > Nhạc trẻ > Thăng Điện'. The main content area displays a message: 'Cám ơn bạn đã chọn tải bài hát: **Thăng Điện**. Vui lòng click chọn một trong các liên kết ở bên dưới để tải bài nhạc về máy:'. Below this message is a '100% LOSSLESS' badge and the text 'Được kiểm tra bởi: banquantri'. A list of download links is provided, with the first link, 'Link tải nhạc MP3 128kbps 3.67 MB', highlighted with a red box. The other links are: 'Link tải nhạc MP3 320kbps 9.06 MB', 'Link tải nhạc M4A 500kbps 11.2 MB', 'Link tải nhạc FLAC Lossless 25.82 MB', and 'Link tải nhạc M4A 32kbps 1.11 MB'.

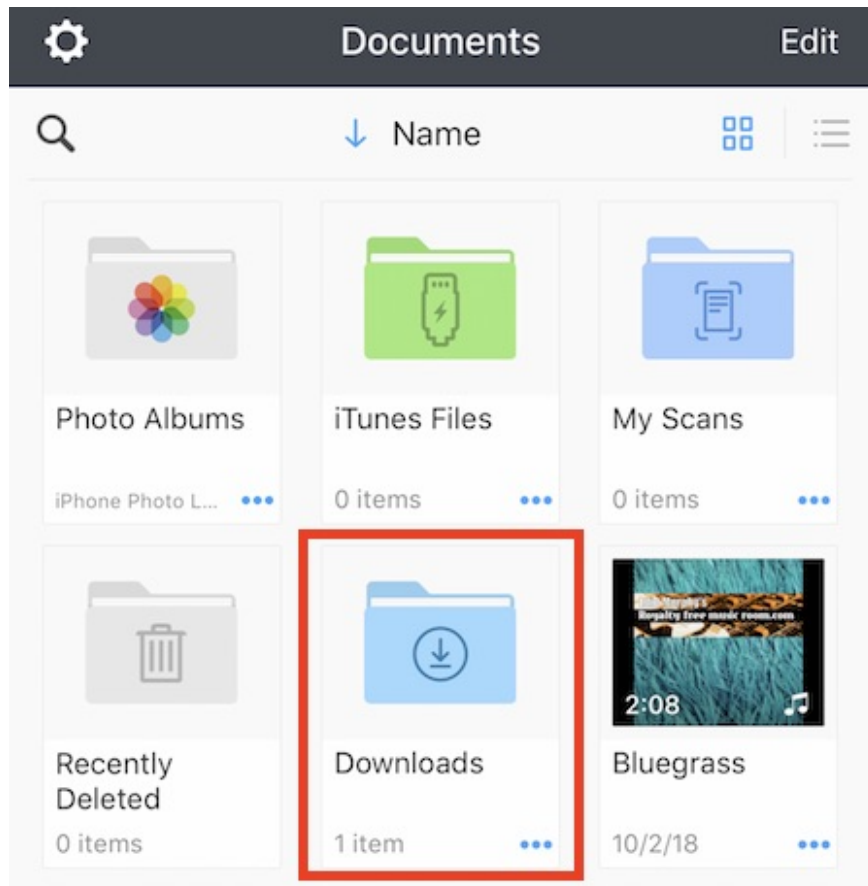

Step 6 : You can rename the file you want to download (it's okay to leave it unchanged). After completing all operations, click ' **Done** '.

The screenshot shows a file download dialog box. At the top, there are three buttons: 'Cancel', 'Save File', and 'Done', with the 'Done' button highlighted by a red box. Below the buttons, the 'Name' field contains the text 'ng Dien - JustaTee_ Phuong Ly.mp3' with a close icon. The 'Save to' field shows the path 'Documents/Downloads' with a right arrow. Below this is a toggle switch for 'Ask me everytime', which is currently turned on. At the bottom, there is a note: 'Turn off to download files automatically in the selected folder.'

After successfully downloading music, you just need to go to **the Download section** to listen to the songs you downloaded again. Your phone will still turn off the screen when playing music as usual.
