

Instructions on how to find and make friends on Zalo

Zalo is now one of the popular chat and messaging applications that are popular with many people. Users can freely make friends with people to create an interesting exchange space on Zalo.

Today's messaging and voice calling applications have become so popular with everyone. In it, Zalo is considered one of the most popular chat applications. Coming to Zalo, users can freely chat with friends, make friends with people, expand the exchange space on Zalo. So you know how to search and make friends on Zalo yet? In the article below, Network Administrator will guide you how to search and make friends on Zalo.

Search and make friends on Android and iOS Zalo

1. Download the Zalo app for iOS
2. Tai Zalo for Android for free

Method 1:

Step 1:

First of all, please log in to your personal Zalo account on the device. Next, in the main interface, please **click on the humanoid icon** , then click on **the plus sign icon on the bottom** right of the interface.

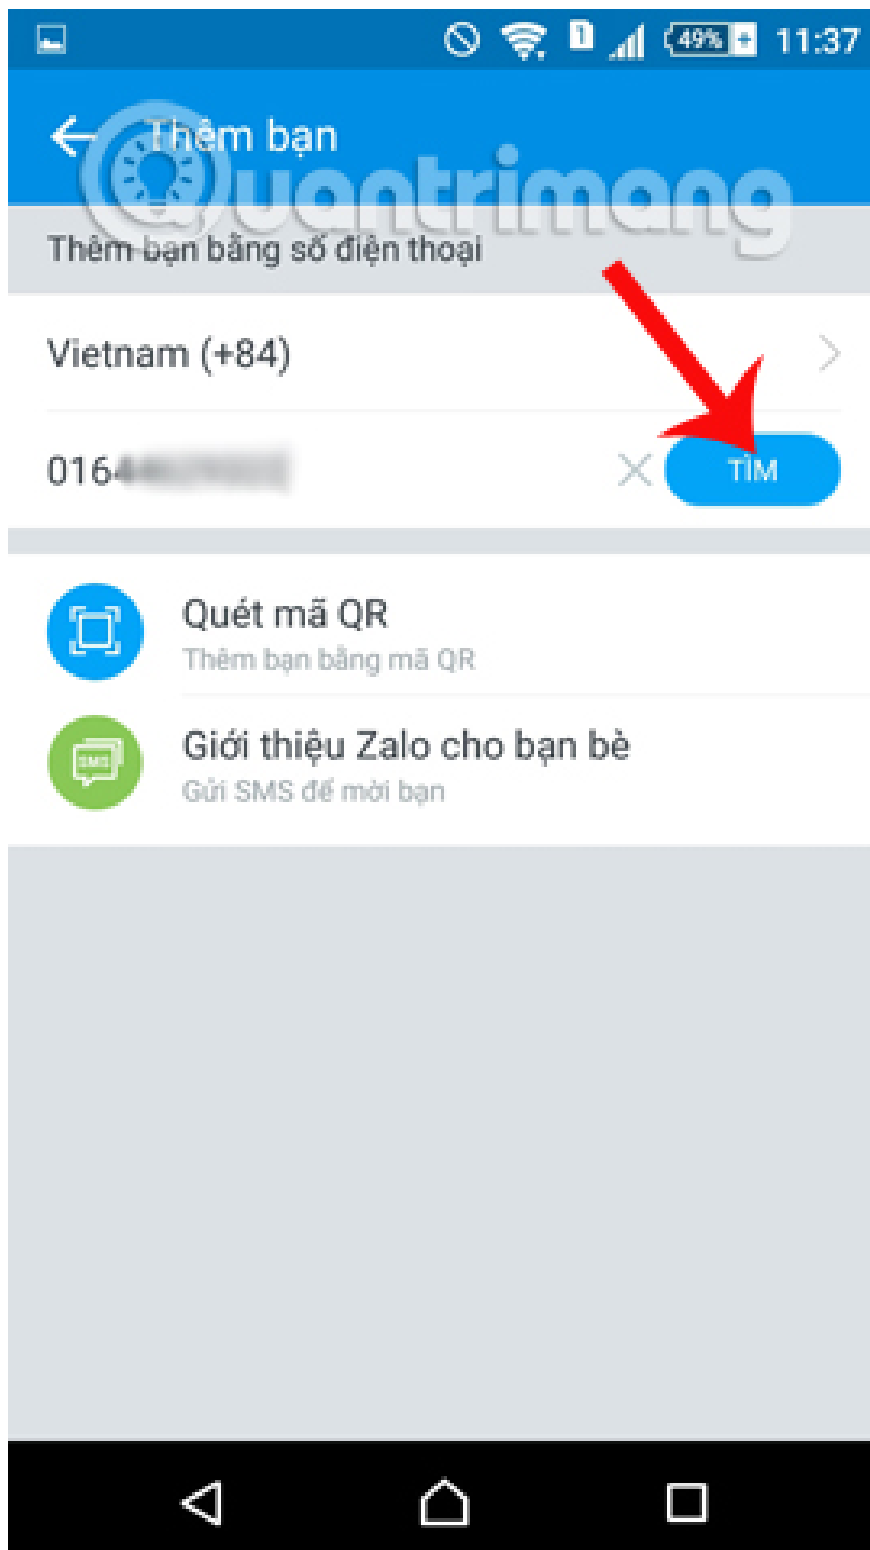

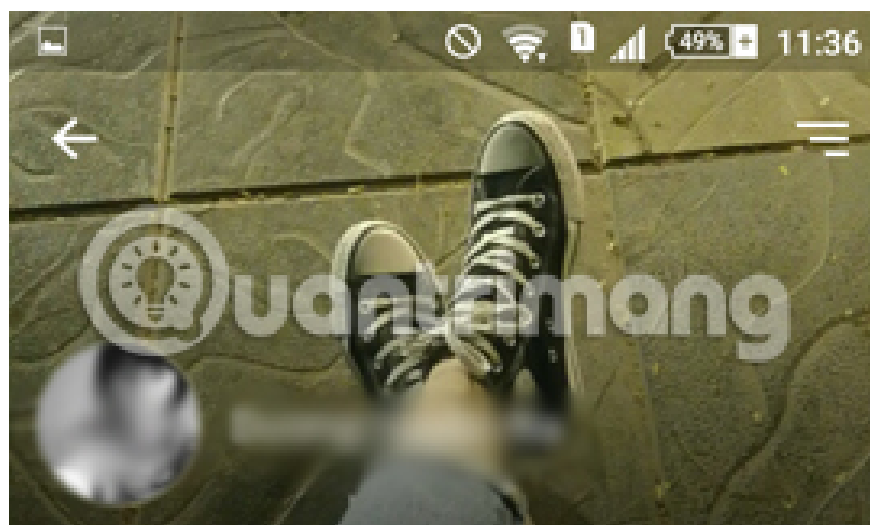

Step 2:

In the Add you interface, users will see Zalo provides 3 ways to search and make friends.

With the first option, **add you by phone number** : enter any friend's phone number to search. If that user also installs and uses Zalo, you can send a friend to them. Click **the Find button** to search for friends.
