## Instructions on how to redeem Arknights: Endfield VN Giftcodes

Activating the gift code in the game is very simple; just follow these steps to receive the item in your inventory:

1. **Access Settings:** On the game's main interface, tap the **Settings** icon (gear).
2. **Choose your account:** Go to the **Platform & Account** section .
3. **Enter the code:** Select the **Exchange Code** section , copy the codes from the table above, and paste them into the blank fields.
4. **Check your mail:** After confirming, the gift will be sent directly to your **Mail** system . Claim it immediately as the mail is only available for 30 days.

## Important notes when using the code.

1. **Accuracy:** Ensure correct uppercase and lowercase formatting and no extra spaces at the end of the code.
2. **Usage limit:** Each account can only use one code of the same event type once.
3. **Region:** Some gift codes may be server-restricted (Asia, EU, or NA).
4. **Deadline:** Always prioritize entering codes with early expiration dates (such as ALLFIELD and RETURNOFALL) before January 29, 2026.

## FAQ about Arknights Giftcodes: Endfield VN

To help make your experience on planet Talos-II smoother, here is a compilation of the most frequently asked questions from the Endministrator community:

**How can I get more Arknights: Endfield VN gift codes?**

1. You should regularly check the official website, join the community's Discord server, or check the LDCode section on the LDPlayer emulator. Additionally, the publisher's livestreams often release limited-time gift codes.

### **Why did the system report an error when I entered the code?**

1. There are three common causes:
  1. The code has **expired** .
  2. You have previously entered this code or another code of the same **event type** .
  3. Incorrect formatting (check for extra capitalization or spaces).

### **Do the rewards from gift codes remain permanently in the mailbox?**

1. **No.** After successfully entering the code, the item will be sent to your Mailbox and will only be available for **30 days** . If you do not claim it before this time, the gift will automatically disappear and cannot be recovered.

### **Can the code for the PC version be used on a phone?**

1. Some codes are specifically ENDFIELD4PCdesigned for the PC platform. However, the majority of global codes are cross-platform, allowing you to use them on Android, iOS, and computers.

### **Can I buy or sell Arknights: Endfield gift codes?**

1. The publisher advises **against** buying or selling gift codes. Most gift codes are completely free, and buying or selling them may lead to scams or account suspension if the terms of service are violated.
