

Instructions on how to remove less interactive friends on Facebook

This is a very nice feature of Facebook, making it easy for users to filter their friends list, those who interact or put in a separate list, while those with less chat will give 1 list. Other books, make messages displayed on the News Feed categorized more easily.

Facebook is now the most popular place to make friends and socialize compared to other social networking sites. Users can freely make friends with unlimited numbers, making it convenient to exchange jobs. However, with a large number of friends making friends on Facebook, in fact you only interact regularly with a number of people.

Therefore, Facebook has the feature to filter friends list. Those who have less interaction are transferred to a list of acquaintances (Acquaintances), friends who regularly exchange will appear at another list. This will make it easy to categorize the current news on the News Feed.

Update: This way is no longer available.

Step 1:

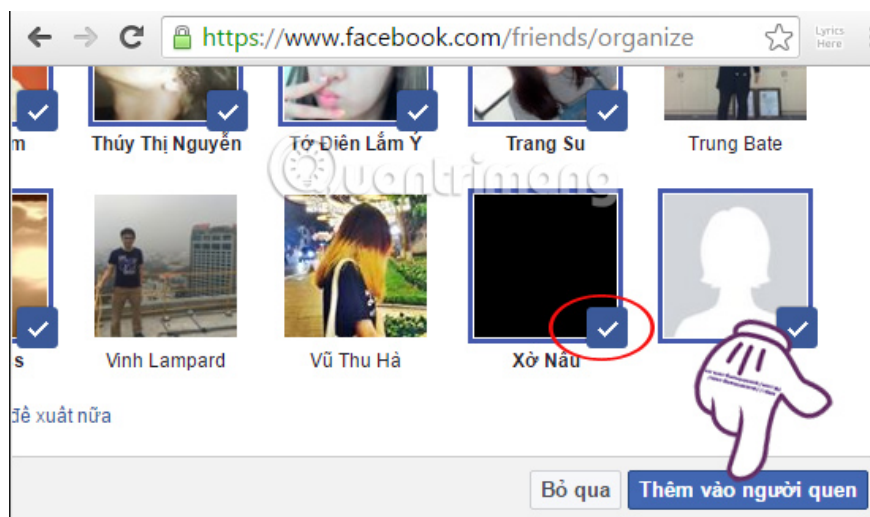

To remove less interactive friends on Facebook, you first need to **log in to your personal Facebook account** . Next, we will log in to the link below to find out who you have less interaction with, less talk.

1. <https://www.facebook.com/friends/organize>

Step 2:

Next, Facebook will suggest a **list of people who interact less** with you based on the same area, how often they chat, tag, share articles or photos, comment.

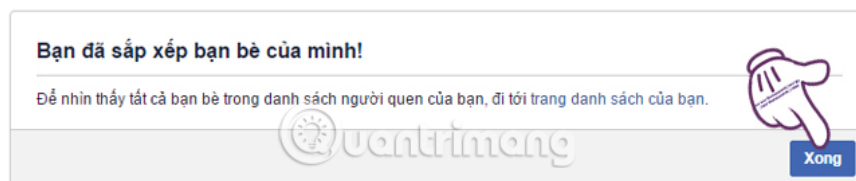

In this list, check carefully and select who is less talk. Then, **click on the people you rarely interact with** , who are still in constant contact, and then leave the area. Then click **Add to acquaintance** (Add to Acquaintances).

We continue to remove the above steps to add acquaintances with the remaining friends list.

Step 3:

Next, Facebook will appear to have completed the process of arranging friends on Facebook. Click the **Done** button (Done). People who are added to the list The acquaintance will have less information on your Facebook.

Step 4:

The friend cancellation process is done in the Acquaintances update table. We continue to access the link below to check again.

1. <https://www.facebook.com/bookmarks/lists>

In the Friends list will appear the **acquaintance** (Acquaintances).
