

Instructions to delete Viber account on phone and computer

Viber is one of the most popular messaging apps, but if you no longer want to use it, deleting your account will help protect your personal information. Let's find out how to do it on different devices with TipsMake.

Below are detailed instructions to help you delete your Viber account on Android devices, iPhones, and computers quickly and easily.

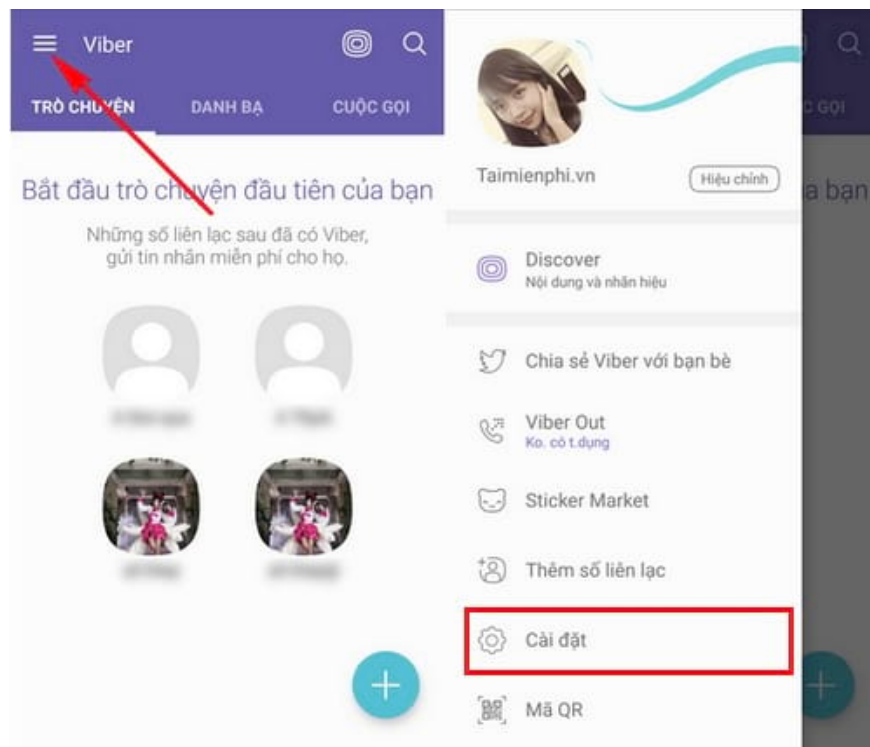

When should I delete my account?

- When you no longer use Viber and want to protect your privacy.
- When you change your phone number and don't need to keep your old account.
- When you encounter an error or security issue and want to create a new account.

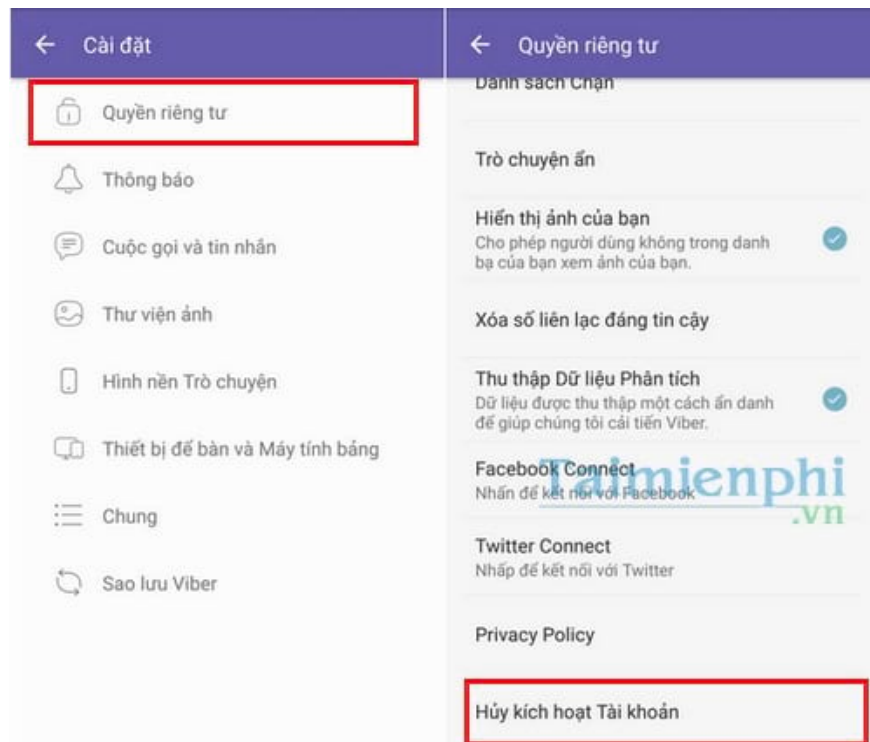

How to delete Viber account on phone

1. On Android phone

Step 1: Open Viber, click on the three dots icon in the upper left corner, select Settings.

Step 2: Go to Privacy => Deactivate Account.

Step 3: A warning screen appears, click Deactivate to confirm.

← Quyền riêng tư

Danh sách Chặn

Việc hủy kích hoạt tài khoản của bạn sẽ xóa toàn bộ dữ liệu và xóa Viber khỏi tất cả các thiết bị.

Số dư tín dụng Viber Out sẽ vẫn còn trong tài khoản nếu bạn chọn kích hoạt lại.

Nếu bạn đang thay đổi số điện thoại và cần chuyển tín dụng sang tài khoản mới, hãy liên lạc với bộ phận hỗ trợ của Viber.

Nếu bạn có các Tài khoản Công khai mà bạn là quản trị viên cuối cùng, chúng sẽ bị xóa.
