

Instructions to delete Yahoo account permanently

Yahoo Messenger is no longer a chat tool, the only exchange when Messenger, Zalo, or Viber is becoming more and more developed. And if you no longer use Yahoo, lock your account.

The development of today's chat services, such as Viber, Zalo and especially Messenger, makes Yahoo no longer the only method of communication you can search to text and chat with friends. Therefore, many people no longer use their Yahoo accounts and replace them with other applications.

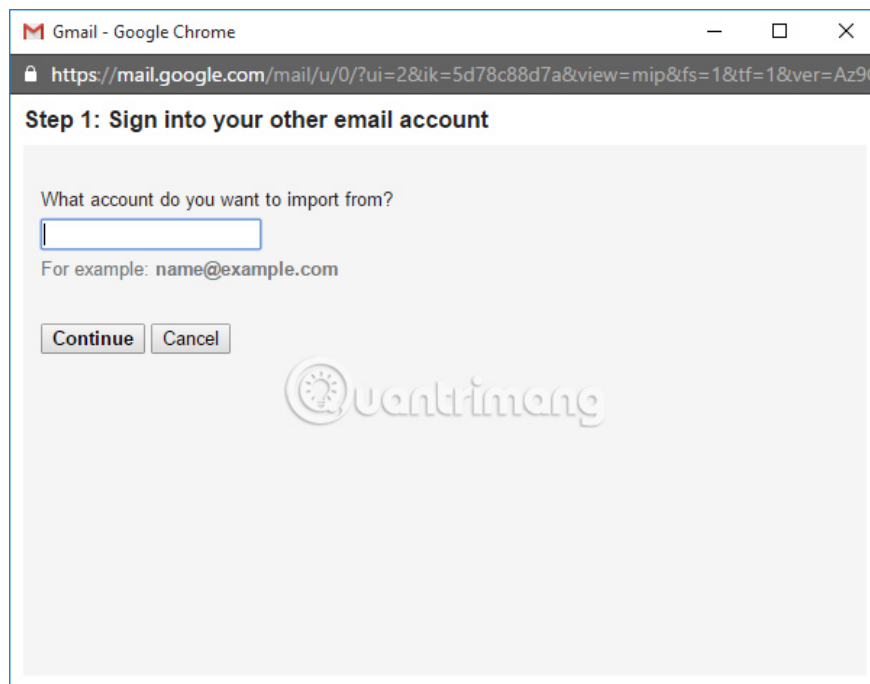

However, not using it does not mean that your account is not stolen, leaks lead to other unfortunate circumstances. If you own a Yahoo account but are no longer using it, it is best to permanently lock that account. In the article below, we will guide you how to delete your Yahoo account permanently if you wish.

How to permanently delete a Yahoo account

However, before deciding to lock your Yahoo account, double-check the entire message and save the important message. We can **transfer all mail from Yahoo Mail to Gmail** .

At the main interface of Gmail, click on **the gear icon> Settings> Accounts and Imports> Import mail and contacts** .

Appearance of small window interface. Here, we will enter the yahoo mail address and follow the instructions to transfer all emails from Yahoo to Gmail.

Step 1:

Next, if the user uses the account to log into Yahoo when accessing the address below:

1. https://edit.yahoo.com/config/delete_user

Or if a user **uses a phone number to log in to a Yahoo account**, the following link can be used:

1. Sign in to Yahoo with the phone number

Step 2:

We enter a Yahoo account. Next, Yahoo will ask users to confirm whether they want to delete the account. We enter the password for the Yahoo account, the recaptcha code and click **Terminate this Account** to delete the account.

**Chúng tôi rất tiếc là bạn ngừng sử dụng dịch vụ!
Bạn có chắc là muốn chấm dứt Trương Mục Yahoo! của bạn
không?**

nếu vậy, xin xác định danh tính với mật khẩu của bạn.
