## How to get the Green Undead Free Fire skin on Halloween

First of all, to receive the Free Fire Green Skin skin, go to the Events section, select the Log in section to receive medicine and get 2 poison and detox.

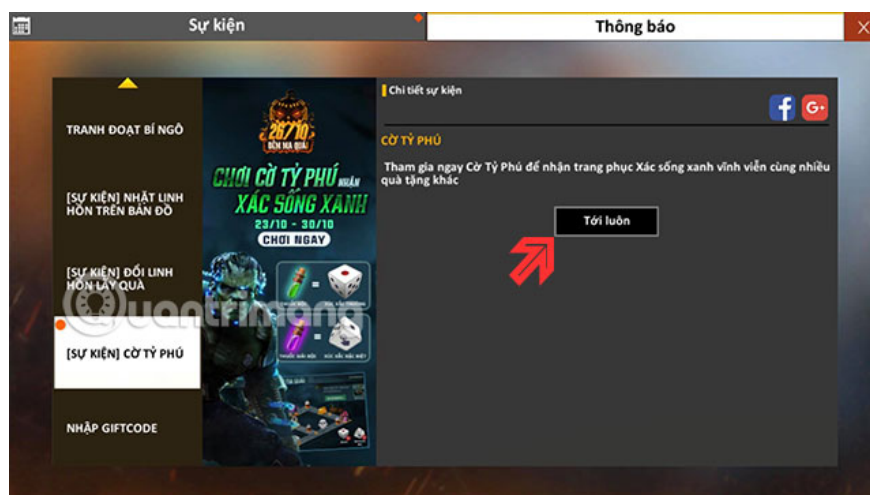

Then complete the game task, the number of matches you complete in Free Fire will correspond to the number of vials of poison received.

The vial of poison will correspond to the normal dice, you can shake to receive moves from 1 to 6. And with the antidote bottle you can choose as many steps as you want.

Once you've received the potion, go to the **Notifications** section > select **Billionaire Event** and click **Go** .

Next click on to join the event.

The dice will appear in two corners, and your character will stand at the starting point as shown in the picture. Choose the type of dice you want to dump, the dice usually get how many points, your character will get as many steps.

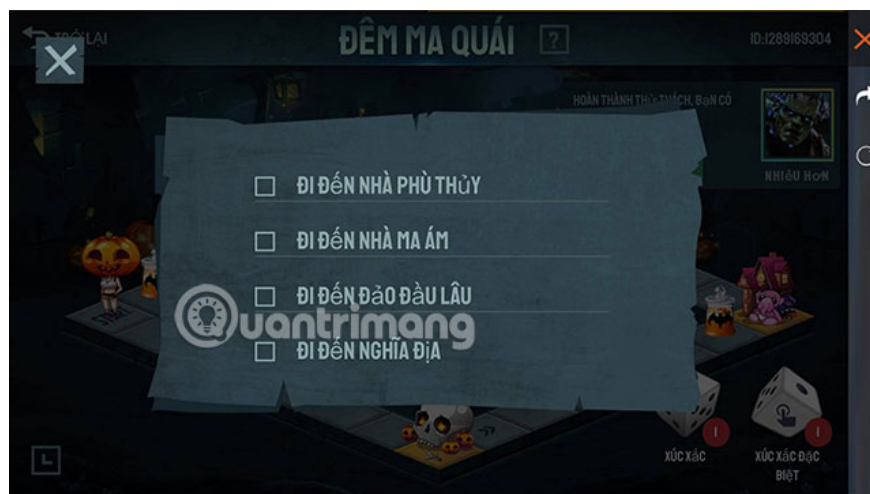

As for special dice, you can choose any points you like, which will be very beneficial if you are standing in front of a landmark.

To get the Green Zombie skin, you need to stand on 4 points that are Witches, Haunted Houses, Skull Islands and Graveyards. There are also a few small notes below that you need to know.

1. You can only enter the Graveyard if you stop at an intersection.
2. If you stop at Ghost Candy Box, you will get a lucky item.
3. If you stop at gold, you will receive a random amount of gold.
4. If you stop at Ghost, you will return to the starting point (smear).
5. If stopped at the arrow, you will go 3 steps towards the arrow direction.
