

Instructions to play Lotería and how to win

Here is a guide on how to play the Lotería card and how to win it.

Lotería, also known as Lotería Mexicana and also known as Loteria, is a popular gambling game in Mexico. Loteria is similar to bingo, but uses the image on a 54-card deck instead of spinning balls like a traditional lottery. Each Lotería card will have a different image

To play Lotería, each player will have a tabla sheet with different images with 16 cards arranged in 4x4. A person will shuffle the deck of cards 54, then pick a card and read its name. If this card is in a player's tabla sheet. They will mark them with a bean or a chip, a crown cork, depending on the region.

When marking enough rows or corners previously agreed as a horizontal, vertical, or 4 cards in a corner. Players need to call "Lotería" right after placing enough beans to win. To know how to play Lotería specifically, you can see the playing instructions below and how to win the fastest offline.
