Some ways to play Pantheon Arena of Truth

First, let's find out some information about this new "Pantheon" protector.

First will be money, the amount you have to spend Pantheon will be only 5 gold like some other senior generals. Of course, if you don't have money, you can buy Pantheon for your squad because he rarely appears.

However, if you see the guy in the general, then pick immediately do not hesitate. If you know how to use it, Pantheon will be a very strong team champion at the end of the game.

Pantheon has the skill of "Falling Sky", more commonly referred to as the Falling Sky. When activated, Pantheon will leap into the sky, then land on the farthest enemy. Those who are unfortunate enough to be hit by Pantheon will be stunned for 4/6/8 seconds, not to mention that champions in the flight path of Pantheon will have to deal a magic damage equal to 15/30/45% of dark health. multi of them.

And yet, those who are attacked by Pantheon will have 20% of their maximum health burned in standard damage within 10 seconds, and cause a deep damage effect.

Equipment for Pantheon

Through the above indicators, you can see that Pantheon is a champion with high tolerance. So the equipment for Pantheon will be the ones that make him as strong as possible.

The ability to deal large area of damage, the later in the game, the more Pantheon proves himself to be a major influence in wide combat. So now you need to give him something to support his dangerous skills. Specific equipment for Warmog will be:

1. **Devil Letter Morello:** Additional equipment for AOE skill and applies his Deep Wound effect.
2. **Tim Ice:** Anyone who gets in the way of the Pantheon will also get hit with reduced attack speed, this will be an ideal item for Pantheon.
3. **Warmog Blood Armor:** Provides basic health and armor stats, quite valuable to the Pantheon. The ability to recover also works quite well while he is flying.

Some other equipment can be up according to the situation:

1. **Trade Shojin:** Gives Pantheon a chance to unleash more with the mana of its vast amount of mana. However, in order to do so, he must be protected by a sturdy tanker to avoid "not going to the market and spending all his money". One thing you should know is that Thuong Shojin is only for champions with high mana, and the Ambassador is only for low mana.
2. **Angel Armor:** This equipment will help Pantheon definitely use the ability once. However, if determined on this equipment, your defense must be strong because Angel Armor is not a top-class equipment. Unless you don't have another major carry or are in surplus, wear it for Pantheon.
3. **Thorn Armor:** This is an item that can increase Pantheon's stamina if you have too much armor.
4. **Hextech Gun Sword:** Pantheon's skill can grant a certain amount of blood to him. Especially when this item also gives a certain amount of damage when Pantheon is placed in an appropriate position

The squad should build with Pantheon

In the Guards, Pantheon can be best used as a replacement to receive buffs from this System. In addition, your squad also benefits from the buff of the Dragon clan.

Before Pantheon appeared, the Dragon-Guardian squad was also popular with many gamers, so you only need to replace Pantheon for Braum or Leona.

Pantheon's position on the board

As a Guardian, while the direction of resistance is most reasonable, you should put Pantheon next to a main damage hero of the squad. At the same time, you should also look through the enemy formation to arrange the position. When Pantheon uses a skill, it can deal damage to as many enemies as possible.

A few tips of Pantheon

Pantheon cannot be assigned when he is using the skill, so the Warmog Armor will work quite well during this period. Upon landing, Pantheon will also regain a significant amount of health.

Pantheon's biggest quintessence is probably the Silent Knife, so keep Pantheon away from those who have this equipment so Pantheon still has a chance to unleash.

Just pay attention to the position and equip Pantheon a little. However, to have him, it depends on your dignity.
