The items the player has received from the Faded Wheel will be removed from the pool so it is guaranteed that the player will receive all the prizes after 8 spins. Spin costs will increase with each spin, starting at 9 Diamonds. The number of Diamonds needed for the spins are 9, 19, 39, 69.9, 149, 199 and 499 respectively.

Golden Roar Groza's weapon skin is a nice one but certainly not one of the best Groza skins in Free Fire. It gives weapons too much range bonus while Groza already has really good range. However, a small damage bonus will increase the damage of the weapon.

## About the Faded Wheel in Free Fire

Faded Wheel, Diamond Royale in Free Fire are all part of Luck Royale system. This is where Garena introduces their latest packages and skins after a certain period of time. Approximately every 20 days, Luck Royale will reset with new great prizes and unique items for players.

Free Fire gamers can spin Diamond Royale with diamonds. 60 Diamonds is equivalent to one spin, but if 600 diamonds are spent, the player can spin 11 times. People can also use Diamond Royale Voucher to spin Diamond Royale for free.

For each spin without the Grand Prize, the luck stat will increase by 1 and the next spin will be more likely to get a valuable reward.

As for the Faded Wheel, the player can get all the rewards after 8 spins. The number of Diamonds needed for the spins are 9, 19, 39, 69.99, 149, 199 and 499 respectively.
