

Instructions to turn on 'Rating comments' for posts on Facebook

Perhaps you don't know, Facebook allows ranking comments for all public posts from users on social networks, which makes it easy to follow the comments that are most relevant to our shared content. .

Recently, Facebook has updated a quite new and interesting feature for users that is rating comments for public posts on Facebook. This feature will help you easily follow comments related to that article. So how to use this feature, the article below Network Administrator would like to share with you how to enable comment ratings on both smartphones and computers.

1. How to turn on rating Comments for public posts on Facebook from smartphones

Step 1 : First you need to open the Facebook application on your smartphone device, then click on the custom menu icon (three dashes) on the right side of the application.

Step 2 : Scroll down to the bottom of the screen and click the **Settings and Privacy** button with the iPhone and iPad device. (on your Android device, select Settings and Security)

-  Thể thao
-  Thời tiết
-  Tìm Wi-Fi
-  Trò chơi
-  Ứng phó khẩn cấp
-  Ưu đãi

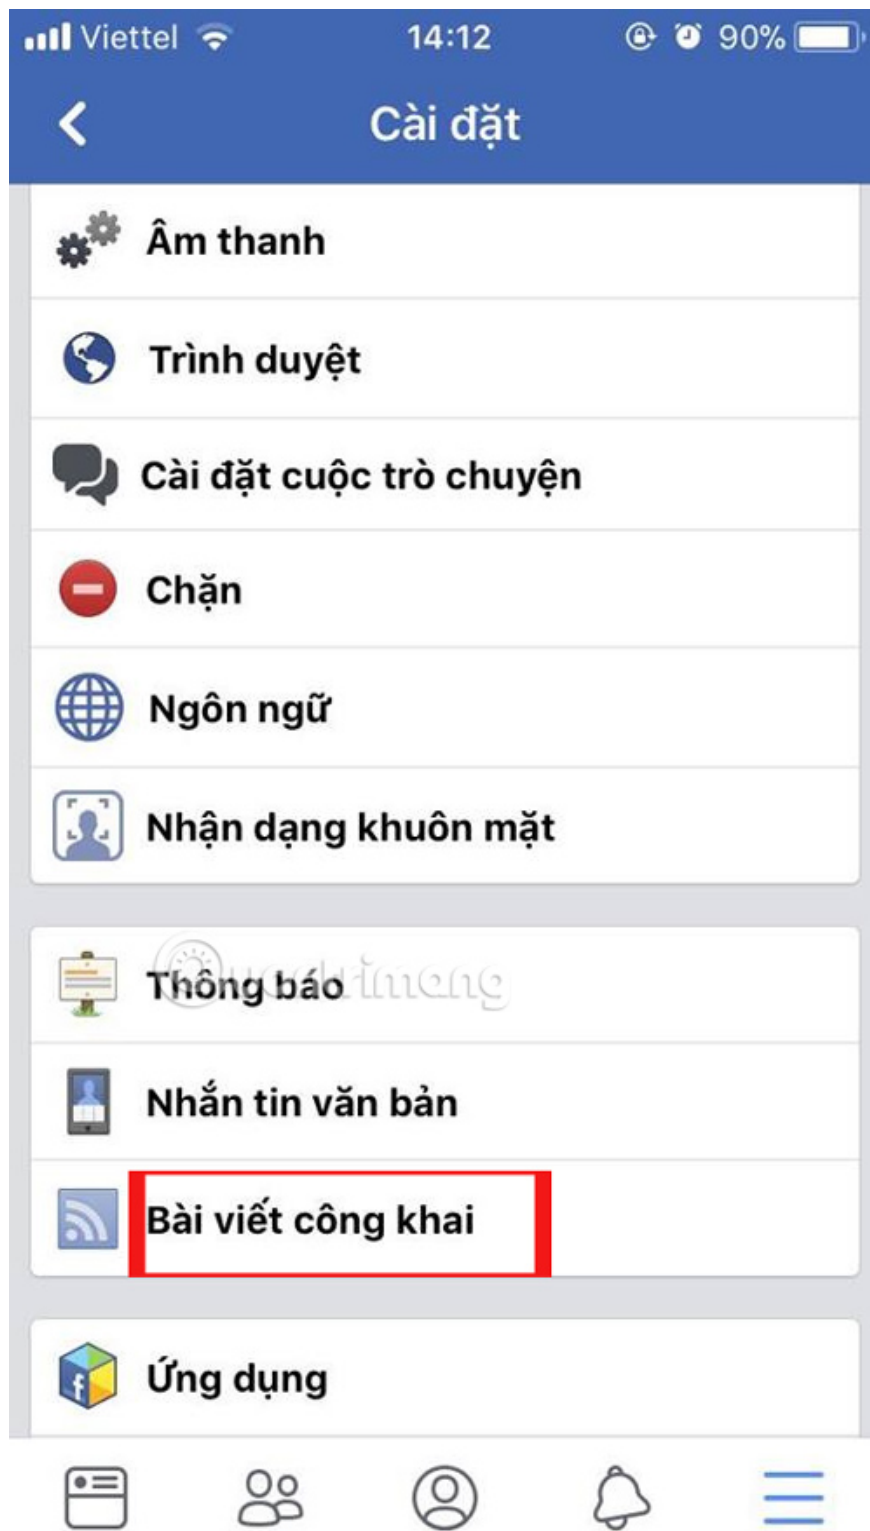

Quantimeng

-  Trợ giúp & hỗ trợ
-  Cài đặt & Quyền riêng tư
-  Đăng xuất

Step 3 : Here, select Account settings.

Step 4 : Next is the choice of Public Posts.

Step 5 : Finally go to the Rating comment section and select On to display the most public comment about your post.

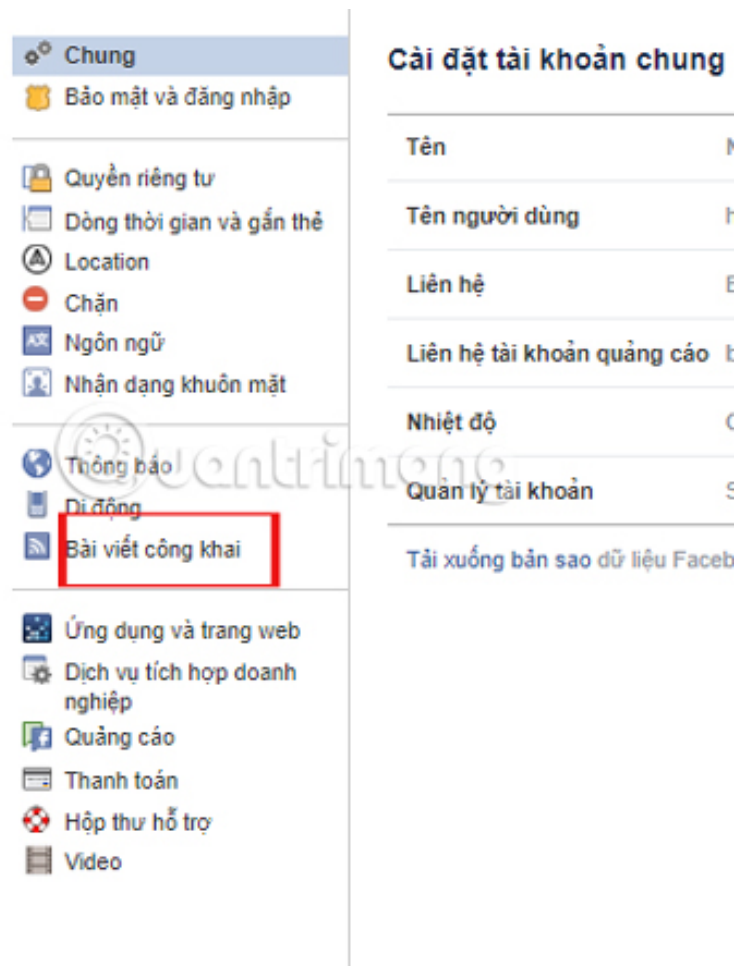

2. How to turn on a Comment Rating for Facebook posts from a web browser

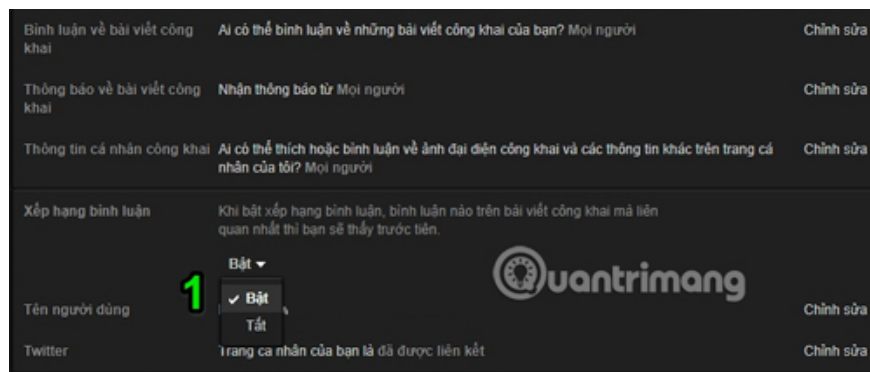

Step 1 : Access Facebook on the browser for the computer as usual, then click on the menu button (small triangle next to the toolbar) and select Settings.

Step 2 : At the function setting interface, select Public posts

Step 3 : Finally go to the Rating comments section and select On to display the most public comment regarding your post.

Hope you are succesful.
