

Interesting riddles for Women's International Day 8/3

8/3 besides the wishes and gifts, the men will bring you lots of laughter with fun riddles for this day.

My father had a saying that "a smile equals 10 tonic scales". So on March 8, International Women's Day, besides the wishes and gifts, please bring your laughter a lot.

In order to make it easier for you to create laughter for your sisters, the Network Administrator would like to send you some funny humorous quizzes for your reference. Hopefully, the following quiz will help you score in front of your sister as well as make fun laugh for everyone on this day and later days.
