On the occasion of International Men's Day, also known as International Men's Day on November 19, please send your best wishes to your boss and male colleagues. This not only shows your concern but also helps to close the gap between employees, bosses and employees, and increase solidarity in the company.

TipsMake.com.com has compiled good and meaningful wishes on November 19 for your boss and male colleagues, please refer to them.

International Men's Day Wishes for Male Boss

1. Thank you boss for always helping and encouraging me to complete all assigned tasks. On International Men's Day, I wish you good health and stability to help our company develop further.
2. On International Men's Day, I would like to send my best wishes to you, boss. I wish you good health, joy and happiness.
3. On the occasion of International Men's Day, on behalf of the women in the company, I would like to send my best wishes to the boss and his brothers. I wish the boss and his brothers good health, full of energy and enthusiasm.

4. In life, you are like a friend. Whenever needed, we can comfortably talk, advise and encourage me. I really admire you. Thank you very much, boss.
5. I wish you more success in your work, happiness in life and always have lots of joy. I hope you will be steadfast with the plans you have, are and will implement. I hope you will always be a source of inspiration and a motivator for hundreds of employees.
6. On International Men's Day, I send you my best wishes, a boss whom I always admire for his youth, talent, a kind heart and always devoted to his employees.
7. I thank you, boss, for always guiding and supporting me a lot in my work. Every time I encounter difficulties or feel discouraged, you always give me enthusiastic guidance, making me learn a lot of things.
8. On International Men's Day, I don't know what else to say other than wishing you to maintain your current "top of the top" form, and continue to be a source of motivation for us to strive further on our career path. I wish you luck and happiness this year.
9. On International Men's Day, I want to send my congratulations to the 'elegant boys' in my room. Those who don't have a girlfriend yet should get one soon, those who have one should get married soon, and those who are married should have babies soon. Wishing you all joy and happiness!
10. Today is International Men's Day, a day that is not popular in Vietnam but I still want to wish you a wonderful day, in work and life, success beyond expectations.

International Men's Day Wishes for Male Colleagues

1. On International Men's Day, I wish the most handsome and gallant guy in the room all the best. I wish you good health, happiness and success in your work.
2. Dear brothers, today is International Men's Day. The sisters in the office wish you good health, joy, happiness and a strong spirit to complete all tasks assigned by the company.
3. After so many times of organizing for the ladies, the men finally have their own day, International Men's Day on November 19. The ladies wish the men to always love life, love their jobs and be steadfast on all fronts.
4. Wishing my friend a meaningful and memorable International Men's Day! Let's work together to achieve many achievements and bring our department to new successes.
5. Today is International Men's Day, the day when men are allowed to 'rise up' in front of women. I wish you success in your rise up and lots of joy.
6. On behalf of the beautiful sisters of the company, I wish you good health, happiness and many beautiful memories with your loved ones on this November 19th.
7. Wishing you all a happy time with your family and loved ones on this special day, International Men's Day. Especially, wishing those who are single to soon find the 'true love' of their life!
