

Invitation to Geneshift, a 230,000 VND Battle Royale game, is free on Steam

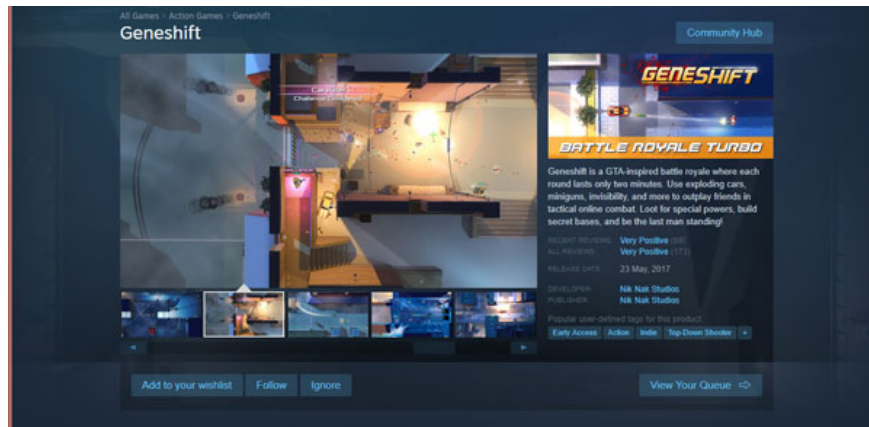

In the game, players will have to pick up weapons, power boost items such as bullets and invisibility cloaks to fight with other players in the map. The battle in the map only takes a maximum of 2 minutes, the winner is the last survivor.

Geneshift is a game of Battle Royale that was inspired by Grand Theft Auto 2 - a crime game released in 1992. In the game, players will have to pick up weapons, power items like bullets and jackets. Stealth to fight with other players in the map. The battle in the map only takes a maximum of 2 minutes, the winner is the last survivor.

But unlike the Battle Royale games, in Geneshift the player turns into a zombie after death. Players will be revived if their Zombie bites into other players and continues the fight.

Currently, Geneshift game is worth 10USD, being free on Steam until the end of December 19. If you like this game, quickly register to get this game to your Library without spending any money.
