

# Invitation to receive Metro 2033, a popular shooter game for a while, is free within 24H

Metro 2033 is a famous shooter that was first released in 2010. With attractive gameplay and engaging storyline, Metro 2033 has attracted the attention of many players of different ages.

Metro 2033 is a famous shooter that was first released in 2010. With attractive gameplay and engaging storyline, Metro 2033 has attracted the attention of many players of different ages.

In the game, players will travel to the post-apocalyptic world after the nuclear war, when humans must live under the intermittent underground subway system. But even so, people continue to divide factions, competing for subway systems.

Meanwhile, the ground with harsh climate, aggressive and dangerous species due to radiological changes no longer harbor humans. On the ground, players will face the most challenging survival challenges .
