

Invite experience Super Mario 75 'battle royale' version of players, see who broke the island first

Recently, the Super Mario 75 player version has appeared on the Internet and is open to everyone to experience.

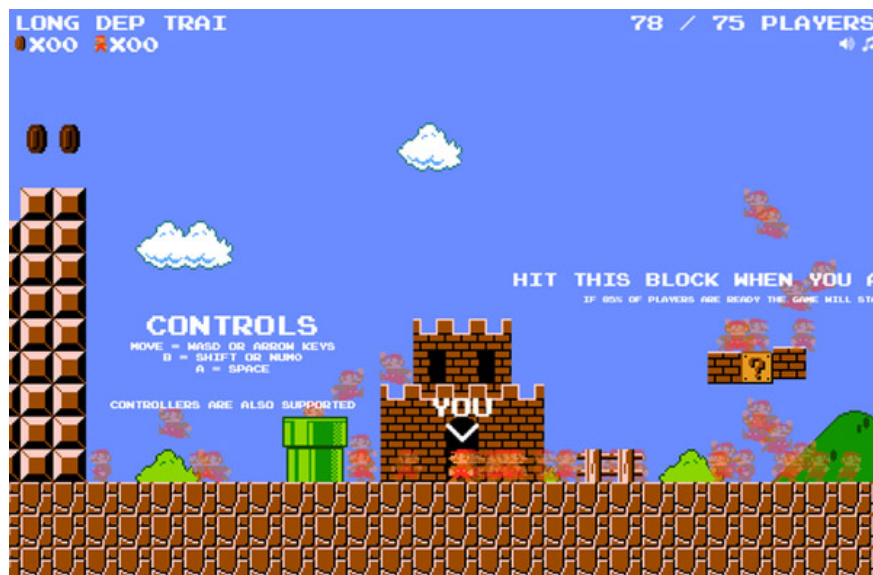

Nintendo's Super Mario is a platform game, with a maximum of 2 players (Mario and Luigi) with a simple game play, a colored flying player will turn to player 2. This legendary game has been associated with many people's childhoods. play games around the world.

Recently, Super Mario has been made a "battle royale" version: 75 people play and appear on the Internet. In particular, this version is open to all players to experience.

This "battle royale Super Mario" version has a similar gameplay to Super Mario, only slightly changed, this version requires 75 players to conquer the stages together.

You just need to click on the link below to enter the game, then enter the character name or "squad code" to start the battle with your friends.

In fact, it is not easy to win the Super Mario 75 version. In the game, if you slow down a bit, you will be left behind and will definitely be "hungry" by those who are quick to eat large mushrooms and fire bullets.

The player's task is to overcome the remaining 74 players to become the first island breaker. If you die accidentally, you'll have to go back to play from the beginning!

This Super Mario 75 player version is not the official Nintendo game. Therefore, it will not last long on the Internet, if you are interested, please quickly experience it before it's too late!
